Introduction

Staff

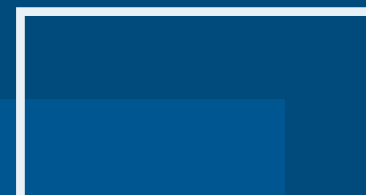

Welcome

We know change brings about questions and concerns...

We are here to support you and your child each and every day

Our Goal: Bring clarity, reassurance and provide information

Why the change?

- Focus on grades 6-8
 - Age appropriate environment
 - Increase safety and security
 - Ensure transition to high school is smooth
 - Students are becoming young adults; they need an environment to grow and find themselves
- 

What Stays the Same?

- High quality instruction
- Caring and credentialed teachers
- Student support services
- Communication with families
- Continuing to be safe, respectful and responsible

What Will be Different?

- New environment
- New routines and new classes
- Separation from younger students
- Staffing and classroom changes
- New classmates
- New responsibilities
