

EISD ALUM MAKES GENEROUS DONATION

The Evant ISD Heritage Foundation is proud to announce that Betty Marshall Stinson, an EISD graduate from the Class of 1953 has made a significant contribution to the Foundation. Betty made the contribution in memory of her father, Mr. Terrell Marshall who also graduated from Evant in 1931. She stated that she was very much interested in the continuing stability of our school in Evant which provided her family with many fond memories.

Ms. Stinson and her nephew, Phillip Marshall traveled to Evant recently to present the check to the Evant ISD Heritage Foundation Board of Directors. It is Betty's hope that her contribution to the Foundation will motivate other EISD alumni to contribute and support the Foundation's goals of improving the educational experience for all students and faculty. She was particularly pleased to learn that her money will help fund future annual scholarships.

The Evant ISD Heritage Foundation sends scholarship applications to each graduating senior and has funded matching scholarships for the last two years. If you would like to join Ms. Stinson in supporting the Foundation, a contribution form can be found on the [Evant ISD Heritage Foundation](#) website or using [this link](#).
