

Dear Franklin 5th Grade Families,

Welcome to 5th grade! We are excited to begin another wonderful school year at Franklin School and look forward to partnering with your family throughout the year.

We would like to take this opportunity to introduce ourselves to all incoming 5th grade families.

My name is Mrs. Caylor, and I am one of Franklin's 5th grade teachers. This will be my eighth year teaching at Franklin School, which is especially meaningful to me because it is also where I completed my student teaching. During that time, I had the opportunity to learn from Mr. Martinez, an outstanding educator who has been an important part of the Franklin community for many years.

My name is Mrs. Reische, and this will be my 30th year teaching at Franklin School and my second year in 5th grade. Throughout my career at Franklin, I have taught Kindergarten, as well as sixth, seventh, and eighth grade math. I also attended Franklin School as a student and am very happy to continue being a part of the Franklin family.

This summer, Mrs. Caylor and her family will be welcoming their first baby, so she will begin the school year on maternity leave. During her absence, Mr. Martinez will be serving as her long-term substitute. Mr. Martinez taught 5th grade at Franklin School for many years, and some of your older children may have had him as their 5th grade teacher. Others may know him from the reading support he has provided to students throughout the years. His experience, dedication, and familiarity with Franklin make him a wonderful fit for this role, and we know students will be in excellent hands while Mrs. Caylor is away. Mrs. Reische and Mr. Martinez will work closely together to ensure a smooth and successful start to the school year.

Because class lists will not be released until shortly before the start of school, we wanted to introduce ourselves and share this information with all incoming 5th grade families. We are grateful for your support and understanding during this exciting time.

Thank you for reviewing the school supply list and helping your child prepare for a successful school year. We look forward to a year filled with learning, growth, and memorable experiences in 5th grade.

Warmly,

Mrs. Caylor & Mrs. Reische
