Wildcats will be celebrating International Dot Day.

We will celebrate on the 15th of September. The day is inspired by a children's book called 'The Dot', written by Peter H. Reynolds. 'The Dot' tells the story of an encouraging teacher and a student who does not believe in her own abilities. The teacher encourages the student to start small, believe in herself, and just see where it goes. What begins as just one small dot on a piece of paper, develops into a work of art and leads the student on a journey of confidence, creativity, and bravery to "leave your mark." One small dot can make a huge impact on the world around them!

SENDING A SNACK FOR YOUR STUDENT??

Reviewing our PUSD wellness policy we would appreciate your help in providing healthy snacks.

Some suggestions are: string cheese, popcorn, low-salt pretzels, fig newtons, or fruit & veggies.

Top Ramen, Taki's & other high salt chips are considered unhealthy. Please also take into consideration portion sizes, single size portions are preferred. Sharing snacks between students is not allowed.

Also, if you plan to send a treat or cupcakes (mini) to school for your child's birthday please contact your child's teacher and make arrangements for the best day/time to bring them in. All food items brought to share with other students MUST be store bought. We appreciate your help with this.
