

Summer/Fall 2026 Dual Enrollment

- **Step 1 – Apply to Folsom Lake College – Starting Feb 1st**
 - Look for two emails:
 - One from OpenCCC with general instructions on what to do next.
 - The other from Los Rios Community College District with your Los Rios Student ID number & link to create your password.
- **Step 2 – Complete the online Special Admit Form**
 - Fill in the required fields and submit.
- **Step 3 – Parent & High School Counselor Approval**
 - Your parent and high school counselor will fill out their portions of the Special Admit Form and you will get email notification once your Parent and Counselor has electronically signed their approval.
- **Step 4 – Log in to your eServices account**
 - When logging in for the first time you will need to click on ‘Forgot Password’ in order to create your eServices password.
- **Step 5 – Check eServices for registration date/time**
 - FLC will send you an email with your registration date & time. You can also view this in your eServices account.
 - Sign up for a Registration Workshop offered during Flex on 4/4, 4/14 & 4/16
- **Step 6 – Course Registration – Starting in late April**
 - You will register yourself for your course(s) through your eServices account.
 - Log in to eServices
 - Click on “Manage classes”
 - Click on “Class search & enroll” and then select “Spring 2026”
 - Paste in the course code for the course you want to take (this is found in the FLC Class Schedule) and then follow the instructions to register for the course.
