RESOLUTION NO. 2026.27-1

RESOLUTION OF THE BOARD OF EDUCATION OF THE RED BLUFF JOINT UNION HIGH SCHOOL DISTRICT SUBMITTING A LOCAL SCHOOL BOND MEASURE FOR VOTER CONSIDERATION, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON NOVEMBER 3, 2026

WHEREAS, the Red Bluff Joint Union High School District (the "District") is committed to providing quality local education and safe schools;

WHEREAS, Red Bluff High School has partnered with CAL FIRE to help train dozens of future local firefighters, and this general obligation bond measure will help continue providing well-trained firefighter recruits to keep our community safe;

WHEREAS, this measure allows our high school to access state matching funds to invest in career training facilities to prepare our students for good-paying jobs, including training local EMTs, nurses, and others;

WHEREAS, the District needs to address basic safety school repairs, including repairing aging plumbing, electrical systems, and bathrooms, and upgrading old air conditioning systems to keep classrooms cool in the summer and warm in the winter;

WHEREAS, additional local funding will continue providing clean drinking water, ensure access for students with disabilities; and improve campus safety and security;

WHEREAS, all funds from this measure are subject to strict accountability provisions, including annual independent audits, oversight by a citizens' committee, and public spending disclosure to ensure money is spent efficiently, effectively, and as promised;

WHEREAS, by law, this funding is locally controlled for our District, cannot be taken by the State, and cannot be spent on administrator salaries;

WHEREAS, in addition to engaging with the Red Bluff community, the Board has received information about an opportunity for a general obligation bond measure to provide funding for school facilities to achieve community and District goals and priorities, consistent with the District's long-term strategic plan, as described herein;

WHEREAS, the Board is authorized, upon a two-thirds vote of the Board, to pursue the authorization and issuance of general obligation bonds by a 55% vote of the electorate on the question of whether bonds of the District (the "Bonds") shall be issued and sold for specified purposes, under Article XIIIA, section 1, paragraph (b) of the California Constitution ("Article XIIIA") and under the Strict Accountability in Local School Construction Bonds Act of 2000 at Education Code section 15264 *et seq*. (the "Strict Accountability Act");

WHEREAS, under Section 10403 *et seq.* of the California Elections Code, it is appropriate for the Board to request consolidation of a general obligation bond election with any and all other elections to be held on Tuesday, November 3, 2026, and to request the Tehama County Registrar of Voters and the Shasta County Registrar of Voters (together, the "County Registrars") to perform certain election services for the District, with the Tehama County Registrar of Voters as the lead county; and

WHEREAS, for the reasons stated above to address the priorities of the community and the school facility needs of the District in order to provide Red Bluff students with the "Spartan Experience" by preparing them for the challenges of life and providing them with experiences they can carry to college, career, and beyond, the Board deems it necessary and advisable to call a general obligation bond election to submit to the electors of the District the question of whether Bonds shall be issued and sold for the purpose of raising money for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities of the District.

NOW, THEREFORE, be it resolved by the Board of Education of the Red Bluff Joint Union High School District, Tehama and Shasta Counties, California, as follows:

Section 1. **Election Order.** The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the principal amount of $19,000,000 for the purposes described in the ballot measure approved under Section 3 and attached hereto as Exhibit A and Exhibit B, and paying costs incident thereto. This Resolution constitutes the order of the District to call such election and shall constitute the "specifications of the election order" pursuant to Education Code section 5322.

Section 2. **Authority for the Election; Election Date.** Pursuant to Education Code sections 5304 and 5322, the Strict Accountability Act, and Article XVI, section 18(b) of the California Constitution, an election shall be held within the boundaries of the District on November 3, 2026.

Section 3. **Purpose of Election; Ballot Measure.** The purpose of the election shall be for the voters in the District to vote on a measure, a full copy of which is attached hereto as Exhibit A and marked "Exhibit A, Ballot Measure, Full Text of the Measure" (the "Full Text of the Measure"), containing the question of whether the District shall issue the Bonds for the purposes stated therein, together with the accountability requirements of Article XIIIA and the requirements of Section 15272 of the Strict Accountability Act. The Full Text of the Measure, which commences with the heading "Ballot Measure, Full Text of the Measure" and includes all of the text thereafter on Exhibit A, shall be printed in the voter information guide provided to voters, with such measure designation as is assigned to the measure by the County Registrars. As required by Elections Code section 13247 and Education Code section 5322, the abbreviated form of the measure to appear on the ballot is attached hereto as Exhibit B and is marked as "Exhibit B, Ballot Measure, Abbreviated Form" (the "Abbreviated Ballot Measure").

Section 4. **Use of Bond Proceeds.**

a. Proceeds from the sale of the bonds may be used only for the purposes specified in Article XIII A, section 1(b)(3) of the California Constitution.

b. The projects that may be funded from proceeds from the sale of bonds (the "Projects") are listed in the Full Text of the Measure.

Section 5. **Accountability Requirements.**

a. Pursuant to Article XIIIA, section 1(b)(3), the Board hereby certifies that it has evaluated safety, school repair needs, career preparedness, class size reduction, and information technology needs in developing the list of Projects.

b. Pursuant to Article XIIIA, section 1(b)(3), the Board shall conduct an annual, independent performance audit to ensure that the bond funds have been expended only on the specific Projects listed in the Full Text of the Measure.

c. Pursuant to Article XIIIA, section 1(b)(3), the Board shall conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of the proceeds have been expended for the Projects listed in the Full Text of the Measure.

d. As required by Government Code section 53410, (1) the specific purpose of the Bonds is set forth in the Full Text of the Measure, (2) the proceeds from the sale of the Bonds will be used only for the purposes specified in the measure and consistent with Article XIIIA, (3) the proceeds of the Bonds, when and if issued, will be deposited and held with the Tehama County Treasurer, and (4) an annual report shall be filed with the Board as set forth in subsection (e) below.

e. Pursuant to Government Code section 53411, the Chief Business Official of the District shall issue an annual report to the Board containing the amount of funds collected and expended as well as the status of the Projects authorized in the Full Text of the Measure. The District's adopted budget or Audit Report will suffice for this purpose.

f. Pursuant to the Strict Accountability Act, if a citizens' oversight committee has not already been established for the bonds, within 60 days of the date the Board enters the election results on its minutes, the Board will appoint a citizens' oversight committee to review and report on the proper expenditure of taxpayers' money for school construction.

Section 6. **Vote Required.** Pursuant to Section 18(b) of Article XVI and Section 1 of Article XIII A of the California Constitution, the bond measure shall become effective only upon affirmative vote of fifty-five percent (55%) of those voters voting on the measure.

Section 7. **<u>Delivery of this Resolution; County Registrars of Voters to Call and Conduct Election</u>.** The Superintendent, or his designee, is hereby directed to send a copy of this Resolution, along with the Tax Rate Statement described in Section 10 below (and defined therein) and attached hereto as Exhibit C to (1) the County Registrars, (2) the Superintendent of Schools of Tehama County, and (3) the Clerks of the Board of Supervisors of Tehama County and Shasta County by no later than August 7, 2026.

Pursuant to Section 5303 of the Education Code, the County Registrars are hereby requested to take all steps to prepare for and hold the election within the boundaries of the District in accordance with law and these specifications.

Section 8. **<u>Consolidation with Other Elections</u>.** Pursuant to Sections 5342, 15121, and 15266 of the Education Code and Part 3 (commencing with Section 10400) of Division 10 of the Elections Code, the County Registrars and the Board of Supervisors of Tehama County and the Board of Supervisors of Shasta County (together, the "Boards of Supervisors") are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 3, 2026 within the District. Pursuant to Section 10403 of the Elections Code, the Board of the District hereby acknowledges that the consolidated election will be held and conducted in the manner prescribed by Section 10418 of the Elections Code.

Section 9. **<u>Ballot Arguments</u>.** As provided in Elections Code section 9501, an individual voter who is eligible to vote on the bond measure, or bona fide association of citizens, or a combination of such voters and associations may act as an author and signatory of any ballot argument prepared in connection with the election, including a rebuttal argument, each of which, if filed, shall be filed within the time frame established by the County Registrar. Due to the community interest in this issue, the Board authorizes a process permitting a community submittal of the argument and rebuttal.

Section 10. **<u>Services of County Registrars of Voters</u>.** Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Boards of Supervisors are requested to permit the County Registrars to render all services incident to the preparation for and holding of the election, for which services the District agrees to reimburse Tehama County and Shasta County (together, the "Counties," and separately, the "County") in full from District funds upon presentation of an invoice from each County, such services to include the publication of a formal notice of school bond election and the mailing of the Full Text of the Measure, the Abbreviated Measure, and the tax rate statement (described in Elections Code section 9401) (the "Tax Rate Statement"). The Board hereby requests the County Registrars to publish in the voter information guide, the Full Text of the Measure, the Abbreviated Ballot Measure, and the Tax Rate Statement attached hereto as Exhibits A, B and C, respectively.

Section 11. **<u>Canvass of Returns</u>.** The Boards of Supervisors are authorized to canvass the returns of the election pursuant to Section 10411 of the Elections Code.

Section 12. **<u>State Matching Funds</u>.** Some of the Projects may require state matching funds for completion. Approval of the District's bond measure does not guarantee that the proposed Projects will be funded beyond the local revenues generated by the bond measure. The

District's proposal for the Projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

Section 13. **Encumbrance of Bond Funds.** For the purpose of making bond funds unavailable as rent within the meaning of Education Code section 17032, the Board hereby encumbers all funds to be generated by the sale of the Bonds in order to pay for the acquisition and construction of the Projects authorized by the ballot measure.

Section 14. **Official Intent to Reimburse Expenditures.** The District intends to undertake the acquisition, construction, renovation, furnishing, and equipping of the Projects as described in the Full Text of the Measure. The District intends to use the proceeds of its Bonds described in this Resolution to finance the Projects. The District may pay certain capital expenditures (the "Reimbursement Expenditures") in connection with the Projects prior to the issuance of the Bonds. The Bonds, in the amount of $19,000,000, will be issued for the purpose of financing the Projects on a long-term basis and certain of the proceeds of such debt obligations may be used to reimburse the District for these expenditures.

The Board hereby declares the District's official intent to use a portion of the proceeds of the Bonds to reimburse the District for the Reimbursement Expenditures. The foregoing statement is a declaration of official intent that is made under and only for the purpose of establishing compliance with the requirements of Treasury Regulations section 1.150-2.

Section 15. **General Authorization with Respect to the Bond Measure and with Respect to this Resolution.** The members of the District's Board, the Superintendent and the other officers of the District are hereby authorized and directed individually and collectively, without further review and action by the Board, to do any and all things, to prepare, execute, and deliver any and all agreements and documents they deem necessary or advisable in order to effectuate the purposes of this Resolution and to perform all acts necessary to place the bond measure on the ballot, including, without limitation, making any changes to this Resolution, the Full Text of the Measure, the Abbreviated Ballot Measure, or the Tax Rate Statement (hereinafter the "Ballot Documents").

In the event of any such modifications to the Ballot Documents, the Superintendent and the other officers of the District are hereby further authorized to supplement or replace the original versions of such documents with the versions modified pursuant hereto. Such modified versions shall thereafter be deemed to constitute the final, complete and approved version of the Ballot Documents, for all intents and purposes, including for delivery of the Ballot Documents to the County Registrars and other parties set forth in Section 7 above and for publication of the ballot materials set forth in Section 10 above. All actions heretofore taken by the officers and agents of the District that are in conformity with the purposes and intent of this Resolution are hereby ratified, confirmed, and approved in all respects.

Section 16. **Effective Date.** This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the following vote of the members of the Board of Education of the Red Bluff Joint Union High School District, of Tehama and Shasta Counties, State of California, this 16th day of July 2026:

BALLOT MEASURE
FULL TEXT OF THE MEASURE

******Start Here******

FULL TEXT OF MEASURE _____

Upon the passage of Measure __, the Red Bluff Joint Union High School District (the "District") shall be authorized to issue bonds in the aggregate amount of $19,000,000 (the "Bonds"), bearing interest at rates not exceeding the statutory limit, for the purpose of funding the school facilities projects listed below (the "Projects") at the District's school sites and properties, subject to the accountability safeguards set forth below.

Bond Accountability Measures

At its July 16, 2026 meeting, the Board of Education (the "Board") of the District certified that it evaluated safety, school repair needs, career preparedness, class size reduction, and information technology needs in developing the list of the Projects (the "Bond Project List") set forth below. The proceeds of the Bonds shall be used only for the Projects identified in the Bond Project List below, and not for any other purpose (i.e., teacher and administrative salaries and other school operating expenses).

The proceeds of the Bonds will be accounted for separately. The Board is required to conduct financial and performance audits annually to account for the Bond funds and to assure that funds have only been expended on the specific Projects authorized by Measure __.

The Board will appoint members to a citizens' oversight committee having a minimum of seven members and including at least one member active in a business organization representing the business community located within the District, one member active in a senior citizens' organization, one member active in a bona fide taxpayers' organization, one member who is the parent or guardian of a child enrolled in the District, and one member who is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization.

Proceeds from the sale of Bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, or replacement, along with related costs, of school facilities as set forth herein, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds from the sale of Bonds authorized by this measure shall be deposited with the Tehama County Treasurer as required by the California Education Code

Bond Project List

This Bond Project List, which is an integral part of this proposition, describes the specific Projects the District proposes to finance with proceeds of the Bonds.

The Board of the District is committed to maintain clean drinking water and safe, healthy classrooms; address basic safety repairs and improve campus safety and security; and upgrade career and technical education facilities that prepare students for local jobs and careers as nurses, EMTs, firefighters, and others. To achieve these goals and develop this Bond Project List, the Board evaluated its critical facility needs (including safety, class size reduction, and information technology) and sought input from the community, teachers, staff, and parents.

In order to meet all identified facilities needs, the District intends to complete Projects using a combination of funding sources. These sources may include joint-use funds, development impact fees, state funds, federal funds, and other available funds. The District will pursue state matching funds if and when they become available, and if received, they will be used for and mainly applied to Projects on this Bond Project List or other high priority capital outlay expenditures as permitted in Education Code section 17070.63(c).

Specific Projects which may be funded by Measure __ include, without limitation, the following:

PREPARING STUDENTS FOR LOCAL JOBS AND CAREERS

GOALS & PURPOSE: Red Bluff High School has partnered with CAL FIRE to help train dozens of future local firefighters to keep our community safe. Measure __ will help continue providing well-trained firefighter recruits and allow the District to access State matching funds to prepare students for good-paying jobs and careers.

- Provide career and technical education facilities, equipment, and classroom upgrades to train students for local jobs as nurses, EMTs, firefighters, and others

- Repair or replace, upgrade, construct, renovate, and modernize classrooms and labs for science, technology, engineering, and math-related fields

ENSURING SAFE AND HEALTHY CLASSROOMS

GOALS & PURPOSE: Red Bluff Joint Union High School District needs local funding to address basic safety repairs, maintain safe and healthy classrooms, and improve campus safety and security.

- Repair or replace drinking water systems and pipes to continue providing clean drinking water

- Upgrade facilities to provide proper access for students with disabilities and to meet current health codes and building safety code

- Update, repair, or replace old HVAC systems to keep classrooms warm in the winter and cool in the summer

- Repair and upgrade deteriorating classrooms and buildings

- Improve student safety and campus security systems including security fencing, security cameras, emergency communications systems, smoke detectors, fire alarms, and sprinklers

- Repair outdated and aging plumbing, electrical systems, and bathrooms

- Upgrade, modernize, and replace computer systems and instructional classroom technology

FISCAL ACCOUNTABILITY

This local education bond measure includes strict fiscal accountability safeguards, including:

i. Annual independent audits, public disclosure, and citizens' oversight of all spending.

ii. Requiring all funds stay local solely for our District and cannot be taken by the State.

iii. No money for administrator's salaries or pensions.

Bond Program Management Costs

Project expenditures may also include:

- Staffing and other Bond Project management costs, including the cost of District staff when performing work on or necessary and incidental to the Projects and the Bond program, such as planning and permitting, construction management, legal, accounting, and performance and financial audit costs.

- Financial reserve for unforeseen or unpredictable inflation or supply demand costs.

- Program reserve for unanticipated scope costs or for unanticipated opportunities to enhance project scope or schedules consistent with authorized Projects.

For any of the Projects, with respect to construction at an existing District site, the District is authorized to identify an alternate site and/or acquire land for such purpose and construct the approved Project at such site if the District has determined that the existing site does not satisfy the requirements of the Division of State Architect or other State laws, codes, and regulations, including, but not limited to hazardous substances, applicable to school district properties.

The budget for each Project is an estimate and may be affected by factors beyond the District's control. The final cost of each Project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded, and Projects are completed. Based on the final costs of each Project, certain of the Projects described above may be delayed or may not be completed. The allocation of Bond proceeds may also be affected by the final costs of each Project.

Necessary site preparation/grading/restoration may occur in connection with new construction, reconstruction, modernization, renovation, upgrading, rehabilitation or replacement, furnishing and equipping, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, leases, licenses, or rights of way to the property and are authorized Project costs.

Additional Specifications

Projects, repairs, improvements, rehabilitation, and upgrades will be completed only as feasible, and the list of Projects does not imply a particular prioritization among such improvements. Such prioritization remains within the responsibility and authority of the Board by subsequent action. The Projects may be completed at any and all school or District sites where such Project is determined necessary. If the Board determines that it is economically feasible and more cost-effective, buildings, fixtures, and equipment may be demolished and replaced or reconstructed rather than modernized, renovated, repaired, or upgraded. Each Project is assumed to include its share of costs of the bond issuance, architectural, engineering, and similar planning costs, construction management, bond project staff, staff training expenses associated with new bond-funded equipment and systems, and a customary contingency for unforeseen design and construction costs. In addition to the Projects listed above, the Bond Project List also includes the acquisition of land, instructional, maintenance and operational furniture and equipment, payment of the costs of preparation of all facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies (including environmental investigation, remediation, and monitoring), design and construction documents, temporary housing for dislocated programs or activities caused or necessitated by construction projects, and construction, repairs, and improvements in the event of unforeseen design and construction matters, unforeseen emergencies or other circumstances in order to permit the continuance of existing educational services or to avoid danger to life or property.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the Education Code, and all the enumerated purposes shall constitute the specific single purpose of the Bonds and proceeds of the Bonds shall be spent only for such purpose.

Other Terms of the Bonds. When sold, the Bonds shall bear interest at an annual rate not exceeding the statutory maximum. The Bonds may be issued and sold in several series, and in accordance with a plan of finance determined by the Board pursuant to requirements of law.

Project Requiring State Matching Funds. Approval of Measure __ does not guarantee that the proposed District Projects that are the subject of Bonds under Measure __ will be funded beyond the local revenues generated by Measure __. Some of the District's Projects may assume the receipt of state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

TAX RATE STATEMENT
RED BLUFF JOINT UNION HIGH SCHOOL DISTRICT

An election will be held in the Red Bluff Joint Union High School District (the "District") on November 3, 2026, to authorize the sale of up to $19,000,000 in bonds (the "Bonds") of the District to maintain clean drinking water and safe, healthy classrooms; address basic safety repairs and improve campus safety and security; and upgrade career and technical education facilities that prepare students for local jobs and careers as nurses, EMTs, firefighters, and others; with independent oversight, public spending disclosure, no money for administrators' salaries, and all funds staying local.

If the Bonds are authorized and sold, debt service thereon will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

1. The best estimate of the average annual tax rate that would be required to be levied to fund this Bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of filing of this statement, is $18.73 per $100,000 (1.873¢ per $100) of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2050-51.

2. The best estimate of the highest tax rate that would be required to be levied to fund this Bond issue, based on assessed valuations available at the time of filing of this statement, is $18.77 per $100,000 (1.877¢ per $100) of assessed valuation which would first occur in fiscal year 2036-37.

3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the Bonds are issued and sold is $37,695,817.

Voters should note that the estimated tax rates are based on the ASSESSED VALUE of taxable property on the official tax rolls of Tehama County and Shasta County, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. Such projections and estimates are provided for informational purposes only and are not maximum amounts or limitations on the terms of the Bonds, tax rate, or duration of the tax supporting repayment of issued Bonds. The actual tax rates, the years in which they will apply, and the final term of each series of Bonds may vary from those presently estimated, due to variations from these estimates in the timing of Bond sales, the amount of Bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the Bonds.

The dates of sale and the amount of Bonds sold at any given time will be determined by the District based on the need for construction funds and other factors, including the legal limitations on bonds approved by a 55% vote. The actual interest rates at which the Bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the respective County Assessors in the annual assessment and the equalization process.
