Mrs. Reichardt and Mrs. Naghavi's Cubs Counseling Corner November 2025

The Toolbox Program

This month our students will be creating a Caring Circle practice in their classrooms. This practice comes directly after students are taught about the Empathy Tool.  A Caring Circle acts as a visual reminder of a circle of empathy as it holds those who are of concern to your students and who are currently in their hearts and minds. It is a place to write the names of people or animals that your students are thinking about because they are sick, far away, or having difficult times.

Cubs Club Trait of the Month

For the month of November, students will be honored for showing their **Honesty!** Ways to help encourage your Cubs to be honest is:

1. Model the behavior
2. Create an environment where your student(s) feel comfortable telling the truth
3. Praise honesty (especially in difficult situations)
4. Have open conversations in which you discuss the importance of honesty and potential consequences for being dishonest

The following books are also recommended:

Holiday Giving Program

Each year, the Eureka community partners with the Granite Bay Rotary to support families of students who attend schools in our district, and need additional support during the holiday season. This year, we are asking families to donate new, unwrapped toys and books for children 1-12 years old. Toys should be between \$20-\$50 each, and books \$5-\$20 each. Please bring items to the front office by Friday, December 8. If your family is interested in adopting a specific family instead of donating toys and books, please reach out to Kristi Marinus, kmarinus@eurekausd.org. Thank you for your support!
