Happy September

We're excited to introduce a variety of new menu items this school year. Our breakfast lineup now includes options like egg bites and overnight oats. We're also featuring new specials such as the Alfredo pasta with roasted cherry tomatoes. These dishes are made with a variety of scratch-made ingredients and herbs grown in our district garden, to bring fresh, homemade flavor to our meals.

****Gluten Free variations are available for some menu items upon request.
Check with our kitchen staff.**
