HOME OF THE COMETS

August/September 2024

Greetings Cordua Families,

We are thrilled to begin another school year with our Cordua Comets! With fall approaching, we are hoping for better weather. Don't forget to still continue to bring a water bottle for those warmer afternoons and a light sweater for those chilly mornings.

Just a reminder that we will be holding our annual parent-teacher conferences the Week of September 22. There will be four minimum days that week (Monday-Thursday) with Friday being a regular school day. Your child's teacher should be reaching out shortly to provide a time and date. Please note that this is time set aside for you and your child's teacher to understand the expectations for the school year. These conferences better prepare your child for success throughout the school year.
