Students are required to attend seven classes each semester during their 9th and 10th grades, at least six classes their 11th grade, and at least five classes their 12th grade as long as they are on track with graduation credit requirements. There are two semesters per school year. A student who passes every class each semester (35 credits x 2) earns seventy credits per year. During four years a student may earn up to two hundred eighty credits. Two hundred forty five credits are required to graduate.

UNIVERSITY OF CALIFORNIA REQUIREMENTS

To satisfy this requirement, students must complete the high school courses listed. This sequence of courses is also known as the “a-g” requirements. Students must take 15 units of high school courses to fulfill the Subject Requirement, and at least seven of the 15 units must be taken in the last two years of high school. (A unit is equal to an academic year, or two semesters, of study).

(a) History/Social Science: 2 years required

Graduating seniors have the opportunity to wear their cords of achievement. Each area of achievement is signified by a variety of differing cord colors. In order to receive a club cord you must be in good standing with the club bylaws for 4 years and meet the high school/certificate of completion requirements.

Cord Colors

4.0 - Above GPA Gold

Academic Block D

The purpose of the Academic Block D is to recognize outstanding academic achievers at Denair High School with a special version of a Block D. The Block D will have the word “Academic” stitched across it. This is a way in which the school can stress the importance of academic excellence.

Attendance

- **Students must attend at least 4 class periods on the day of a game in order to play in the game unless cleared by the administration.** (Exception: Pre-scheduled medical or dental appointment).
- **Students must attend at least 4 class periods in order to practice unless cleared by the administration.** (Exceptions: Pre-scheduled medical or dental appointment).

- Late to practice or leaving early will be handled on an individual basis by the coach.
- Attendance at practices and contests is compulsory. Any athlete who is absent without a valid excuse will be dealt with by the coach and may be suspended (Exceptions may be evaluated by the coach).
- Work is **not** a valid excuse for missing practice.

Dismissal From The Squad

It is the responsibility of the student, parent, and coach to monitor the athlete's eligibility.

The Principal or designee may waive the consideration of incomplete grade for purpose of eligibility for cases of extreme and documented illness and will establish an academic probationary period for such students (whether student desires participation in any sport or not). The Principal or designee shall also consult with the student's counselor who will coordinate suggested program(s) of remediation that will assist the student in reversing their academic deficiency.

Athletes should feel free to choose any sport they want to participate in without undue pressure. Athletes are not allowed to participate in two sports during the same season, unless prior permission has been granted by the Administration, the Athletic Director, and both Head Coaches. Once the athlete begins official practice for a sport, he/she is expected to finish the season in that sport unless cut by the coach. Anyone cut from a squad may try out for another team during that season.

Anyone may transfer from one sport to another in the same season **ONLY** with the permission of the head coaches of the two squads involved. Anyone quitting a sport may not participate in another sport until the season is over.

Game Conduct

- Players are expected to conduct themselves in a respectable manner at all times.
- No foul or profane language at any time, as determined by the coach.
- No arguing with an official. If there is a question concerning the official's call or conduct, the coach will deal with it.
- You are to support your teammates at all times, whether you are in the game or not.
- Any team concerns should be first addressed with the team captains, followed by the coaching staff.
- The coach may hold a team meeting at any time to bring resolution to any conflict(s), as well as clarify any situation that may arise.
- Parent concerns will be addressed on campus, by appointment, with the Head Varsity Coach and Athletic Director. Parents, family members, or friends associated with a player are not to approach the coaching staff before, during, or after a game. Also, only authorized personnel are allowed on the field, court, or dugout during a game. Violators will be asked to leave the game and, depending on the severity, may be restricted from all Denair High School athletic events.

Disciplinary Policies

1. Any misconduct by a team member may result in suspension from the squad for an indefinite period by the coach. Campus, community, and classroom misconduct can result in suspension from the squad. An athlete can also be removed from the team for insubordination to any coach, lack of cooperation, or for the best interest of the squad.
2. If any athlete physically assaults a coach, game official or school official at or during an athletic contest, the athlete will be suspended from athletics for one calendar year from the date of the infraction. Other disciplinary action, such as expulsion, may also be pursued.
3. If any athlete actively competing in an athletic contest is involved in an altercation or is ejected from the contest as a result of that altercation, he or she will be suspended from the next contest--possibly more.
4. An altercation is any action outside of the normal conduct of an athletic contest by which a student athlete causes or attempts to cause physical injury to another or by which, in the judgment of a school or game official, could lead to another person's physical injury.
5. If any athlete leaves the bench/sidelines to go on the playing area during an altercation and, in the judgment of school officials, engages in behavior that serves to perpetuate the altercation, he or she will be suspended from the next game. Any athlete who willfully defies the order of a game or school official to remain on the bench/sideline area during an altercation will be suspended from the next contest.

The consequences listed in the section "Disciplinary Policies" are the minimum disciplinary action that will take place. Additional disciplinary action may take place at the discretion of the school administration.

Equipment

The coaching staff will issue all equipment. At no time will a player, or student, other than a manager, be admitted to the equipment room unless under the direct supervision of the coach.

Any player who abuses equipment will receive consequences and shall be held financially responsible for unnecessary damage to equipment.

An athlete who loses school equipment will not receive an award or grade until the lost article is recovered or paid for in full. The school is not responsible for personal items brought on campus.

Transportation

Athletes must travel to and from contests in school-approved transportation provided for the team, unless permission is obtained from the administration (Board Policy 6143).

Parents have the option, after the contest, to transport **their child and any child who has them listed on their emergency contacts** (unless prior approval has been granted via proper school documentation) home, after signing a release form, from the driver of the school vehicle or the coach.

Block D Awards

Block D awards are presented to students for their athletic achievement. All students who participate in interscholastic sports will earn, under the guidelines and restrictions of the athletic policy, the following awards as members of Denair's athletic teams:

First Frosh/Soph Award:	Class Number
Second Frosh/Soph Award:	Scroll
Third Frosh/Soph Award:	Coyote Head
Fourth Frosh/Soph Award:	Coyote Paw
Varsity Award:	Block D and Sport Emblem
Repeat Varsity Awards:	Sport Emblem
Captain's Award:	Star
Championship Award:	Patch

Lifetime Pass

Students who participate in three sports each year for four years and are academically eligible each quarter of their high school career will earn a lifetime pass to all home athletic events and an award of merit.

EXTRACURRICULAR ELIGIBILITY REQUIREMENTS

In order for a pupil to engage in any extracurricular activities, the pupil shall maintain a grade point average of 2.0 on a scale of 4.0, or its equivalent during the previous grading period with no more than one F. If at the end of a grading period, a pupil has not maintained a grade point average of 2.0 on a scale of 4.0, or has received more than one F during the grading period, the pupil shall be ineligible to engage in any extra curricular activity during the succeeding grading period until the G.P.A. is restored to a minimum of 2.0.

Eligibility to engage in extracurricular activities shall be evaluated at the end of each grading period thus allowing pupils the chance to reestablish their eligibility for the succeeding grading period. Upon reestablishment of eligibility a student may participate again as long as their spot has not been filled by the coach or advisor. **Eligibility will be determined for each grading period on the day that is one week following the day grades are posted. Eligibility will be established for all students on this same day.**

In those instances where an extracurricular activity is connected with the regular school curriculum, such as band, or interscholastic athletics, a pupil who is ineligible to engage in extracurricular activities may (1) continue in the regular school curriculum segment connected with the activity, and (2) earn grades or credits for the class, even though ineligible to participate in the out-of-classroom activity.

Considered Grading Periods are as follows:

First Quarter Ending	October 8, 2026
First Semester Ending	December 18, 2026
Third Quarter Ending	March 12, 2027
Second Semester Ending	May 27, 2027

Work Permits

To obtain a work permit a student must be on track for graduation as defined by the District. "On-track" means that a student has accumulated enough credits to remain on schedule for graduation as determined by DHS "on-track-to-graduate chart". This regulation also applies to all students who transfer into Denair High School from other school districts. Habitual irregular attendance or discipline issues will result in the loss of a work permit.

Finals

All students are required to be present for their finals. In the event of an absence, students will receive a 0 on their final. Students are not allowed to take their final on a day other than the assigned day, unless approved by the principal.

GRADING POLICY

Class grades are determined by the teacher of record according to the grading criteria established by that department. Your teacher will explain the criteria at the beginning of the course. Letter grades will reflect the following:

A	Exemplary
B	Proficient
C	Progressing
D	Approaching
F	Insufficient. No credit awarded.
P*	Passing (P grades are not computed into grade point average)
INC	Incomplete - to be replaced by final mark later. An Incomplete that is not cleared within two weeks will become an F.

*Students who receive a “Pass” grade will acquire the appropriate semester units of credit for the course, and the grade will not be counted in determining class rank, honors list, GPA, or membership in the California Scholarship Federation or Academic Block D.

Report cards are mailed to parents approximately 10 days after the close of each quarter. The only grades which are recorded on students’ permanent transcript are those which are awarded at the end of both semesters (January and June). However, the quarter grades (October and March) are normally taken into account in determining the final semester grade.

Students and parents have full access to grades at all times through the Aeries app. This information is obtained during Coyote Call, through DHS front office and in the welcome back packet that is mailed home in July. Normally the student and parents shall be notified by the midpoint of a grading period, except in those situations when there is a sudden decline in a student’s performance later than the midpoint.

Requirements for Commencement Participation

- Must complete credits and required courses
- Must complete 45 hours of community service
- Must be enrolled as a continuing Denair High School student throughout the spring semester of his/her senior year
- In good disciplinary standing

HEALTH

Nurse/Office Visits

Except in the case of emergency, all students **must have a pass from their teacher** to visit the Nurse. Students will have access to Hazel Health, a free online interactive doctor's visit.

Communication with the high school office is extremely important. No student will be allowed to leave school with another person (even a relative) unless that person is listed on the emergency form in the high school office. Students should assist us in keeping the emergency contact card current.

Medications

In compliance with Education Code Section 49423, no medication will be accepted or administered at school without meeting the following requirements:

- Physician and parent/guardian “Request For Administration of Medication At School” form filled out completely, including both physician and parent signature. No medication will be administered without detailed physician instructions.
- Medication taken to school must be furnished in a pharmacy labeled bottle or in the original pharmacy labeled injectable medication kit.
- Nonprescription medications such as aspirin, Tylenol, etc., will not be administered at school even at parent’s request. As a parent/guardian, you have the right to bring a medication to school and administer said medication to your child.
- No aspirin, cold medicine, allergy medication, unless parent/doctor’s note on file in the office.

Insurance

Injury insurance is available to Denair High School students for a cost. Policies for school-time coverage and full-time coverage are both available. No other school insurance is provided to students for accidents, which may occur while at school or during a school activity. Check with the high school office for more information. Injury insurance can also be found on the DUSD website at:

<https://www.denairusd.org/ParentsStudents/Student-Health/index.html>

Honor Roll

Honor Roll will be calculated and given on a Semester basis. All Honor Roll certificates received for Semester 2 will be mailed home with report cards.

Attendance and Discipline

Section 35291 of the California Education Code requires that written communication is provided to continuing students at the beginning of the school year and to transfer students at the time of their enrollment at Denair High School regarding all attendance and discipline related policies and procedures. The following material is included in the DHS Student Handbook and DUSD Student Conduct Code Handbook as a means of fulfilling this requirement.

Attendance Policy

Attendance is important to succeed in your classes. Credit is often given for class participation because it promotes social and study skills, critical thinking skills, and teacher-student dialogue about the course content. Your teacher will explain his/her expectations about attendance and how it can affect your participation grade. State law requires students to attend school until they have graduated or are eighteen. Sixteen year-olds who have passed the California Proficiency Examination and have their parents’ permission may leave school. Otherwise, by law you must be here.

The following is a list of legally excused absences:

- Personal illness or injury
- Medical, dental, optometrical, or chiropractic services rendered
- Attendance at funeral of immediate family member
- Jury Duty
- Exclusion for failure to present evidence of immunizations
- Pupil is custodial parent of a child who is ill or has a medical appt.

Missing school for any reason not listed above will be considered an unexcused absence/truancy.

All students attending a field trip or extracurricular activity are required to attend school prior to and after the trip if the field trip is within the school day. Example: If students and staff are scheduled to leave for a trip or activity at 9:30 am, students will be required to arrive at school on time (8:30 am) in order to attend the trip or activity. Failure to do so will result in the student not being allowed to attend the activity or trip if unable to provide doctor's note.

Teachers are required by law to let students make up work for **excused** absences. Students with extended absences for illness usually are placed on home health study. See an administrator if you are in this situation. (Ed. Code 46010, 46300, 48205)

STUDENTS WILL NOT RECEIVE MAKE UP WORK FOR UNEXCUSED ABSENCES OR CUTS.

Clearing Absences

Students should have their parents call the attendance office to verify all absences. **Please call 632-9911 each day they are absent.** Clearance must be a phone call by the legal guardian. Failure to clear absences may result in a cut slip being issued. If you are eighteen years old, you are an adult, and you may write your own notes, following the permission given by your legal guardian. This must happen through a phone call by your legal guardian to the office. However, you are still under the same guidelines as any other student, and the school staff will keep parents informed as deemed necessary.

Students must get an Admission Slip from the office when returning to school after an absence. This must be done before class starts. If a student comes to get an Admission Slip during class time he or she will receive a tardy. False verification to clear an absence on behalf of a student either in writing or by phone will be dealt with from a disciplinary perspective. The absence will also be viewed as truancy.

Student Illness

All students are required to have a current Emergency Information Card completed by a parent/guardian and on file in the office. If you should become ill during the school day, you should report to the office after obtaining a pass from class. **Students may not leave campus for illness without first checking with the office.** Parents or the designated emergency contact will be notified by the office and will be asked to pick up ill students as soon as possible.

Early Sign Out Slip

Before leaving campus, **the student must bring a note to the attendance office** giving the reason for the absence, date and time and a valid signature of the parent or guardian. The parent/guardian may also call in advance of an early departure. In this situation the student will in turn, receive an Early Sign Out Slip which will allow him/her to leave campus and be readmitted to class.

Unexcused Absences/Truant

Any absence that is not a legally excused absence will be an unexcused absence. Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof (Education Code 48260).

Five unexcused absences (Habitual Truant) suggest that a new placement or program for the student may be needed, usually at a community day or continuation high school. Habitual truants and their parents may be referred to SARB (Student Attendance Review Board) or the County Probation Dept. (EC 48260-48262, 48260.6)

5-Day Drop Policy

Students are discouraged from taking extended leave from school. If a student accumulates 5 consecutive days of unexcused absences without any communication from legal guardian, he/she will be dropped from Denair High School.

Leaving Class

Students may only leave class with the teacher's permission. Students leaving class without permission or who go somewhere other than where they received permission to go, will be considered to have "cut" (unexcused absence) that class and will receive significant consequences per the administrator or campus supervisor's choice.

More than 30 minutes late to class-Unexcused Absences/Cuts:

Students who are more than 30 minutes late to class will be issued an unexcused absence. For the first through third incident, students will receive a one-hour detention. For the fourth and fifth incident, in-school suspension will be assigned. The sixth incident will result in out-of-school suspension. For each full-day unexcused absence/cut, 1-3 days of in-school suspension will be assigned. Students who cut class will not be allowed to make up assignments or tests which were assigned during the period(s) they cut. The following procedures will be followed:

First Incident:	Detention (1 hr.) + Conference with student + Parent Contact
Second Incident:	Detention (1 hr.) + Conference with student + Parent Contact
Third Incident:	Saturday School + Conference with student + SART Meeting
Fourth Incident:	Saturday School/Other Means of Correction + Parent Contact + Letter + Student referred to DART
Fifth Incident:	Saturday School/Other Means of Correction + Student referred to SARB

Tardy

If a student is not in the classroom getting seated when the bell is ringing, the student is tardy. This is the minimum standard. Each teacher may establish more stringent rules. Denair High School has a tardy policy because the staff believes:

- It is important to be on time.
- When students are late, they miss initial instruction and assignments.
- It is disruptive for the other students in the class and for the instructor when a student walks in late.

Tardies are cumulative throughout the day. If a student is tardy, the following consequences will be enforced:

- 1st: Warning
- 2nd: 30 minute Detention + Parent Contact
- 3rd: 60 minute Detention + SART Meeting
- 4th: Saturday School + Referral to DART
- 5th: Saturday School + Referral to SARB

Students are to report to the DHS office no later than 3:25 pm serving detention that day, and your detention will be rescheduled to another day.

STUDENTS ARE EXPECTED TO REPORT TO FIRST PERIOD ON TIME.

Detention

Detention is assigned in an effort to coach undesirable behavior. Denair High School runs a formal school detention on school attendance days during lunch from 12:02-12:32 pm and after school from 3:25-4:00 pm Monday-Friday.

DISCIPLINE PROCEDURE

Knowledge of the Rules

As a student at DHS, you are expected to know and obey the rules and regulations of the school (see Denair Unified School District Student Conduct Code Grades 6 - 12). As young adults you are responsible for knowing what is expected of you. Basically, most of what is expected is mature, responsible behavior. A careful review of this handbook and the Student Conduct Code should clarify any misunderstanding that you may have.

School Hours

Students are under the authority of school officials and are responsible for obeying the school rules while at school, while at a school activity, while at lunch, and while going to or from school or a school activity.

Courteous Treatment of Others

Just as you are entitled to expect dignity, courtesy, and respect from others, you have a responsibility to treat other persons on this campus with courtesy and respect. This applies to students as well as members of the staff. This would include refraining from rowdy behavior, making rude or derogatory remarks, or otherwise interfering with the rights of others.

Discipline Philosophy

It is the philosophy of the faculty and administration of Denair High School that teachers have the right to teach and students have the right to learn. When problems occur, every reasonable effort will be made to rectify them to the mutual satisfaction of all concerned. Persons who behave irresponsibly, however, must expect to be held accountable for their behavior. Persons who repeatedly or seriously violate the rights of others will not be allowed to remain at Denair High.

Classroom Hierarchy of Consequences (each step is treated as its own individual consequence)

1st consequence:	Verbal Warning
2 nd consequences:	30 Minute Detention
3 rd consequence:	60 Minute Detention
4 th offense:	Office Referral

Office

(in a 20 day period)

- 2nd Consequence: Parent Conference with Administration and Student + Saturday School
- 3rd: Parent Contact by Administration and 1 day Out of School Suspension

- q) Attended a school activity while suspended from school.

***Under reasonable suspicion an administrator or campus supervisor has the right to search a student and his/her belongings. Lockers are the possession of the school and permission does not have to be given to search. Drug dogs may be used to search classrooms, cars in school parking lots, and students' belongings.**

During suspension the student is not to be on any campus of the Denair Unified School District at any time and is not to attend any school sponsored activities.

Student Parking Regulations and Driving Policy

1. All vehicles driven to school must be licensed and insured. **Parking permits must be obtained from the office.**
2. Parking permits must be displayed on the rear view mirror or driver's dashboard in plain sight from outside the vehicle.
3. Parking is permitted in the student parking lot only and allows for one vehicle per parking space. Parking in front of the school or in the staff parking lot is prohibited.
4. Students may not play loud, inappropriate or offensive music anywhere on campus.
5. Motor vehicles may not be driven at any time during the school day unless prior administrative permission has been obtained.
6. Students are to drive carefully at all times and to adhere to California driving laws.

Students who violate the school parking and driving regulations will be disciplined according to the classroom hierarchy

- 1st offense — Written warning, Parent Contact
- 2nd offense — Suspension of parking privileges for 2 weeks, Parent Contact
- 3rd offense — Suspension of parking privileges for 4 weeks, Parent Contact
- 4th offense — Suspension of parking privileges for 8 weeks, Parent Contact
- 5th offense — Revocation of parking and driving privileges for the rest of the school year.

All Vehicles Subject To Search

By entering any Denair Unified parking lot, the person driving any vehicle is deemed to consent to a complete search of the vehicle--all its compartments and contents--by school officials or law enforcement personnel for reasonable suspicion. This applies to all vehicles of any type and is enforced 24 hours a day. (CA Vehicle Code Sec. 21113(A)).

Cheating and Plagiarism

Cheating and plagiarism will not be tolerated and may result in a reduced or failing grade on a test, paper, or project. Disciplinary action will be administered by the teacher for the first offense. Flagrant or repeated incidents will be referred to the administration for appropriate action. This may include possible removal from the class with a failing grade for the semester. Parents will be notified of all incidents involving cheating.

Overt Affection

A high school campus is not the place for overt displays of physical affection between students. Students at Denair High are expected to demonstrate appropriate restraint. Those who choose not to follow this rule will have their parents notified of this specific type of behavior. Continued displays of “overt affection” will be considered an act of defiance.

Defiance

Defiance is the refusal to obey lawful authority. Students at Denair High School who defy any member of the school staff may be suspended. The teachers and other members of the staff are required by district policy and state law to provide proper supervision over students. It is essential, therefore, that our students submit to the lawful authority of school officials.

If you think you were not treated fairly, you can appeal your concern. Students should speak with the staff member, counselor, or administrator to resolve the issue. Mistakes can and will occur, but the place for resolving these mistakes is in the administration offices--not in the classroom, cafeteria, or elsewhere.

Dress Regulations

The Board of Education has determined that a student may not remain at school or at a school function dressed in a manner that creates a safety hazard for said student or for other students at school, and/or when the dress constitutes a serious and unnecessary distraction to the learning process or tends to disrupt campus order.

Student Appearance: Students are expected to keep themselves well groomed and neatly

dressed at all times. Any form of dress or appearance that is distracting or disruptive and detrimental to the purpose or conduct of school will not be permitted. Remember, school is your workplace; come dressed appropriately for the job.

Any violation of the dress code will result in a warning to the student. Students may be sent home to dress properly or change into appropriate attire at school. Continual infractions will result in other alternative consequences and/or suspension for defiance of authority (Education Code 48900 (k)).

Students must dress appropriately for educational activities in which they will participate so as not to endanger their health, safety or welfare. Students must be cleanly dressed so as not to promote unhealthy or unsanitary conditions. Parents are asked to ensure that their students follow the dress code outlined below.

Prohibited Items

Electronic signaling devices, laser lights, cell phones, music devices, headphones, weapons and any other item a school administrator deems to be disruptive to the educational process shall be confiscated and subject to the consequences outlined below unless the student has obtained prior written permission from an administrator to possess the item.

Cell Phone Policy

Board Policy 5131.8 limits student use of Mobile Communication Devices on campus. Denair High School's goal is to ensure that 100% of our student population is academically engaged 100% of the day while still being able to communicate in a neutral and/or positive conversation with peers, family and teachers.

Students may use smartphones or other mobile communication devices on campus during noninstructional time if the device is utilized in accordance with law and any applicable

school rules. Mobile communication devices shall be turned off or in Do Not Disturb (or equivalent) mode during instructional time.

Exceptions

A student shall not be prohibited from possessing or using a mobile communication device under any of the following circumstances:

1. In the case of an emergency, or in response to a perceived threat of danger.
2. When a teacher or administrator grants permission to the student to possess or use a mobile communication device, subject to any reasonable limitation imposed by that teacher or administrator.
3. When a licensed physician or surgeon determines that possession or use is necessary for the student's health and well-being.
4. When the possession or use is required by the student's individualized education program.

If the aforementioned policy is defied the following hierarchy of consequences will take place in the classroom and common areas:

- 1st infraction- Take it until end of the school day
- 2nd infraction- Legal guardian must sign for retrieval
- 3rd infraction- Confiscated until the end of the quarter

If a student is using their cell phone in a way that abuses safety or privacy it will be immediately confiscated and consequences will be administered accordingly

All cell phones must be picked up at the end of the instructional day by the student and/or parent/legal guardian per administration approval.

Skateboards/Bicycles

Skateboards, scooters, roller blades/roller skates, and bicycle riding on the High School campus are forbidden. Skateboards are not to be carried around campus. Skateboards are to be checked in at the Office upon arrival at school.

This includes the county fair for FFA students. Violation of this rule will result in disciplinary action. *All look-alike and imitation substances/devices will be treated as being in possession of the real substance.

Closed Campus

Students must remain on the campus until their school day is completed. School is in session from 8:30 a.m. until 3:15 p.m. Monday thru Friday. This encompasses a period of time when classes are in session and when all school business may be conducted. Students may only leave

the campus with a written permit from the Attendance Office. This permit verifies that both the school and your parents/guardians know of your whereabouts when not on campus. Violation of this rule will result in assignment to detention. Repeated incidents will result in additional disciplinary action.
