****Do you need attendance hours for first semester courses or
Credit Recovery? Be mindful of deadlines!**

Rank*

NEISD does not rank*. Class rank (for top 10%) is calculated after six semesters. Final seventh-semester rank for top 10% (completed in December of senior year) is released to students in mid-January

How is Rank Determined?

- Required 26 credits, taken in grades 9-12, are multiplied by a rank factor (recognizes level of difficulty between AP/OnRamps/DC, Honors, and On-level coursework).
- Based on all courses required for graduation (ranked GPA on transcript)
- Each student's weighted cumulative grade point average is used to assign a rank position.
- **Weights: Honors = 1.08 AP = 1.15 (OnRamps & DC, if AP equivalent)**

Overall Grade Average / Honor Graduates

- *Honor graduate status* is determined by the **all-grades average** (not ranked GPA on transcript) for ALL courses taken in high school through the seventh semester and must be greater than or equal to 90 (does not round up)
- Honor graduates meeting the criteria specified below shall be designated as follows:
 - Summa Cum Laude 100+ Average
 - Magna Cum Laude 95-99 Average
 - Cum Laude 90-94 Average

Get College/Career/Military Ready

(It's never too early)

- Explore what you want to study
- **Free SAT test for Juniors in March**
- Get involved in extracurriculars both in and out of school
- Start your resume
- Take courses that challenge you with balance
- Develop good study habits

Most/All requirements met?
Endorsement completed?
Co-Op Options

- Non-Credited Courses
 - Senior release and/or office aide
 - Must have everything you need for graduation & endorsement on your schedule
 - No “N” Junior courses, EOC requirements met
 - Must turn in senior release form signed by parents and yourself by May 22
