2026-27 Senior Course Selection Sheet

Student's LAST Name _____

Student's FIRST Name _____

- 1) English, American Government (one semester), and Economics (one semester) are graduation requirements.
- 2) Choose the appropriate course level - Mathematics courses follow a sequence. All students must pass a minimum equivalent of Integrated Math 1 (or Algebra 1) to meet the California State graduation requirements. Students with IEPs consult with your case carrier for assistance with course selections.
- 3) Choose a total of 8 courses for the year.
- 4) Seniors on track with credit requirements and parent/guardian permission may request open periods, or school service (teacher or office aide), by submitting a signed form. Administration will review the forms and final approval. Be sure to choose alternate courses, in case you are not approved.
- 5) Choose these alternates wisely. It is VERY likely you will end up with one, or more, of these in your schedule.
