Covid-19 Update

Emma Kelly, Assistant Director of Health Services, gave background on how NEISD has managed Covid-19 and case numbers in the past. She then updated the SHAC with where we are now in Bexar County and NEISD. Ms. Kelly shared information on what campus nurses are doing regarding Covid-19, and she provided information on the Covid-19 team at the Sports Park.

School Health Advisory Council Overview

Rachel Naylor, Director of Physical Education and Health - Athletics, shared information on the School Health Advisory Council's purpose, areas of focus, design, and committees.

SHAC Challenges 2021-22

Rachel Naylor presented the following tasks SHAC this school year:

1. updating and approving kindergarten through twelfth grade physical education and health curriculum to reflect new Texas Essential Knowledge and Skills (TEKS) for the 2022-23 school year; and
2. textbook review and approval for kindergarten through twelfth grade physical education and health by February 2022.

New legislative compliance required by the first day of school (2021-22) for SHAC and Human Sexuality and Abstinence Education (HSAE) was also shared, as well as an update on the SHAC School Health Index (SHI) Qualtrics data collection project.

Committee Meetings

Sean Metcalf, SHAC Co-Chair, shared that he and Kelly would be reaching out to committee chairs to discuss October meetings and each committee's needs.
