1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

Gridley site principals co-authored a unified plan to use Prop 28 funds to hire a district-wide visual arts position targeting special needs students at district sites and retain an elementary music arts teacher serving all of K-5. No classified or outside contractors were retained with this. Additional funding beyond the two positions was reserved for supplies and arts materials enhancement at the site levels to support the needs of those two positions and supplement the needs of pre-existing arts teachers beyond their base materials allocations.
