## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Plaza Elementary is a small rural TK-8 school in Glenn County near the city of Orland. It is a single school district with 215 students in grades K through eighth grade, all of which are single grade classes. Plaza is usually staffed by ten fulltime credentialed teachers and a full time superintendent/principal. A .8 FTE certificated teacher provides intervention services to students in our Learning Center, as well as a part time classroom aide to help support classroom teachers. In addition to the credentialed staff there are five full time paraprofessionals who also serve as after school activity assistants, two office clerks, one cafeteria manager, two cafeteria aides, a bus driver/custodian, a full time custodian, and two part time after school activity assistants. Glenn County Office of Education (GCOE) provides direct support to the district in special education, speech, psychologist and health services. GCOE also maintains a severe services program in a separate facility on campus.

Mission Statement- To provide a lifelong love of learning through a positive and supportive school climate that provides the opportunity for all students to achieve their full educational and social potential. School staff, parents, and community members provide support that encourages high expectations of all students.

#### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

The inspection was completed using the OPSC facilities evaluation tool. This report shows the school received an overall rating of 95.09%, which means all areas are in good repair with no significant discrepancies noted. The overall school rating was exemplary. The campus is clean and well maintained. In the last year, Plaza began a campus wide modernization and new additions project that included remodeling every room, upgrading bathrooms, creating additional bathrooms, updating fire and communications systems, and constructing a gym and three new classrooms.

All plans were approved by California Department of State Architects, California Department of Education, and California Department of General Services, and are awaiting funding from a grant through California Office of Public School Construction.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	62	61.83	62	61.83	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Plaza prides itself on excellent parent support. The Plaza Community Club is a parent/teacher organization which is very active in providing funding and volunteer assistance for classrooms, campus improvement, field trips and other activities planned throughout the year. Parents interested in getting involved should contact the school office or their child's teacher for more information. The School Site Council consisting of staff and parents help create and review state mandated policies, and also evaluate academic programs. Usually, many students in grades 4-8th are involved in Student Government activities such as spirit weeks, rally's, dances, chess club, and yearbook. Many parents, grandparents, and retired staff regularly volunteer to work in TK-6th grade classrooms.

## 2025-26 School Safety Plan

The School Safety Plan is reviewed each year by the School Site Council and changes or additions will be presented to the Board of Trustees for its review and approval. The Plaza teachers discussed the plan in monthly staff meetings. It was presented to the Board of Trustees on [redacted] and approved by them on January 16th, 2025. The plan contains all elements required by Education Code 35294.1 including child abuse reporting procedures, disaster response, suspension and expulsion policies, sexual harassment policy, dress and behavior policies. Within the last five years, Plaza has upgraded school security and safety by installing fences and gates, as well as cameras throughout campus. Additionally, after consultation with local law enforcement and fire personnel, improved policies for visitors on campus, and procedures for emergency situations has been implemented.

## D. Other SARC Information **Information Required in the SARC**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## 2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

## Fiscal Year 2024-25 Types of Services Funded

Plaza Elementary provides instruction in all the core subjects for grades transition kindergarten through eighth grade. In addition to the regular curriculum an instrumental music teacher conducts classroom music for TK-6th grades. We also contract time with a local artist who provides weekly art projects for each class.

State and Federal categorical funds are used to hire paraprofessionals to assist teachers with individual or small group instruction including those identified as being qualified for Title I services. A small amount of federal funds are available for English learners. Plaza has a "small but scattered" program and English learners are placed in the regular education classes. Special education services are provided by the Glenn County SELPA. A 1.0 Education Specialist and all of our aides work with "mild/moderate" special education students in most classrooms. Although the number of SPED students is low, the Education Specialist and a classroom aide assigned to the Learning Center are employed full time in order to provide a robust intervention program for students who are not at grade level. Plaza has a .8 FTE certificated teacher and a .75 FTE paraprofessional to provide intervention services to students who are not mastering grade level standards.

## Professional Development

Plaza Elementary typically schedules one minimum day per month for staff development. Staff are encouraged to participate in other opportunities throughout the year, and many do. In 2024-25 we focused primarily on Tier I and Tier II SEL strategies working with new curriculum called Character Strong. We collaborated as a whole school, as well as within grade level spans. Through professional development and collaboration, we were able to offer a robust program that met the needs of all students.

This table displays the number of school days dedicated to staff development and continuous improvement.
