DISTRICT-SPONSORED SOCIAL MEDIA

The Governing Board recognizes the value of social media to share district information with families and the community and promote community involvement and collaboration in district decisions. The purpose of any official district social media account shall be to further the district's vision and mission, to support student learning and staff professional development, and to enhance communication and engagement with students, families, staff, and community members. The Superintendent or designee shall ensure that the content posted by the district on an official district social media account is accessible to individuals with disabilities.

The Superintendent or designee shall develop content guidelines and protocols for official district social media accounts to ensure public access, appropriate and responsible use, and compliance with law, board policy, and administrative regulation.

Guidelines for Content

Official district social media accounts shall be used only for their stated purposes and in a manner consistent with this policy and administrative regulation. This policy is not intended to create an open public forum or otherwise guarantee an individual's right to free speech on any of the official district social media accounts even if one or more features on the account that permit interaction with and between members of the public are enabled.

The Superintendent or designee shall ensure that the limited purpose of official district social media accounts is clearly communicated to users. Each account shall contain a statement specifying the purposes of the account, that the account shall only be used for such purposes, and any other user expectations or conditions as specified in the accompanying administrative regulation.

Official district social media accounts may not contain content that is obscene, libelous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, violation of school rules, or substantial disruption of the school's orderly operation.

Staff or students who post prohibited content or otherwise engage with an official district social media account in a manner that violates board policies and administrative regulations shall be subject to discipline in accordance with such applicable policies and regulations.

Users of official district social media accounts, and anyone who posts, replies, or otherwise leaves a digital footprint on an official district social media account, should be aware of the public nature and accessibility of social media and that such information posted or left on an official district social media account may be considered a public record subject to disclosure under the Public Records Act.

Privacy

To the extent practicable, the Superintendent or designee shall ensure that the privacy rights of

DISTRICT-SPONSORED SOCIAL MEDIA

students, parents/guardians, staff, Board members, and other individuals are protected on official district social media accounts.

As it pertains to the posting of student photographs and the privacy of telephone numbers, home addresses, and email addresses, official district social media accounts shall operate in accordance with Board Policy 1113 - District and School Websites.

Social media and other online platforms shall not be used by district employees to transmit confidential information about students, employees, or district operations.

DISTRICT-SPONSORED SOCIAL MEDIA

Definitions

Social media means any online platform for collaboration, interaction, or active participation, or that allows users to post content, including, but not limited to, social networking sites such as Instagram, TikTok, Facebook, X/Twitter, SnapChat, YouTube, and LinkedIn.

An official district social media account is an account on a social media platform authorized by the Superintendent or designee.

An account that contains content related to the district or comments about district operations but that has not been created based on authorization or direction from the Superintendent or designee, such as an account created by a parent-teacher organization, booster club, or other school-connected organization or a student's or employee's personal account, is not an official district social media account.

School-level employees such as teachers and coaches shall obtain authorization from the school principal before creating an official social media account.

Guidelines for Content

Each official district social media account shall contain content that is useful and appropriate for all audiences.

District employees or agents in charge of posting or adding information to an official district social media account shall ensure that copyright laws are not violated in the use of material on official district social media accounts.

The Superintendent or designee shall ensure that official district social media accounts are regularly monitored. Staff members responsible for monitoring content may remove posts or even suspend users from interacting with the account only based on viewpoint-neutral considerations, such as lack of relation to the account's purpose or violation of board policies or administrative regulations.

Each official district social media account shall, as appropriate, prominently display a link to this regulation or a statement that includes Items #1-10, below:

1. The purpose(s) of the account, such as providing information to a class, school community, athletic team, or student club; engaging with the public regarding district decisions and Governing Board meetings; and sharing information regarding employment opportunities with the district
2. Users shall use the site only for those intended purposes

DISTRICT-SPONSORED SOCIAL MEDIA

 - b. Are not related to the stated purpose of the account, including, but not limited to, threats, comments of a commercial nature, political activity, and comments prohibited by board policies and administrative regulations
4. Users are expected to communicate in a respectful, courteous, and professional manner and are personally responsible for their use of the account
5. The district is not responsible for the content posted by other users or how other users interact with the account
6. The views and comments expressed by other users on the account belong to those users and do not necessarily reflect the views of the district
7. Any user's reference to a specific commercial product or service does not imply endorsement or recommendation of that product or service by the district
8. The individual(s) to contact regarding violation of district guidelines on the use of official district social media accounts
9. Violations may be reported to the appropriate social media platform, law enforcement, or other third parties, as appropriate
10. A user may be suspended from interacting with the account for one month upon three prior violations and for six months upon two prior one-month suspensions

Appropriate Use by District Employees

District employees who participate in official district social media accounts shall adhere to all applicable board policies and administrative regulations, including, but not limited to, professional standards related to interactions with students.

Ballot Measures/Candidates

No district funds, services, supplies, or equipment shall be used to urge the support or defeat of any ballot measure or candidate, including any candidate for election to the Board. (Education Code 7054)

The Board may discuss and study the potential effect of proposed or qualified ballot measures on the district's schools at an open and agendized Board meeting. The Board's discussion of the effect of such measures shall include an opportunity for staff and members of the public to speak on all sides of the issue. At that meeting, the Board may adopt a position or resolution in support of or in opposition to a ballot measure. The language in any resolution adopted by the Board shall not urge the public to take any action regarding the measure.

(cf. 9320 - Meetings and Notices)

The Board's position on a ballot measure, including any resolution, shall be publicized only through normal district procedures and consistent with regular district practice for reporting Board actions. Such publicity shall be for informational purposes and shall not attempt to influence voters.

Individual School Board members may include their name in support of or opposition to a county, city, district, or school measure on a county ballot in accordance with Elections Code 9170.

The Superintendent or designee may use district resources to provide students, parents/guardians, and community members with fair and impartial information related to ballot measures, including information about the impact of ballot measures on the district. (Education Code 7054)

(cf. 1100 - Communication with the Public)

In preparing or distributing such informational material, the Superintendent or designee shall analyze the material to help ensure that it is an appropriate informational activity, provides a fair analysis of the issues, and does not advocate passage or defeat of a measure or candidate.

POLITICAL PROCESSES (continued)

District resources, including email or computer systems, shall not be used to disseminate campaign literature. In addition, district resources shall not be used to purchase advertisements, bumper stickers, posters, or similar promotional items that advocate an election result or urge voters to take any action in support of or in opposition to a measure.

(cf. 1325 - Advertising and Promotion)

Political activity related to district bond measures shall, in addition to the above, be subject to the following conditions:

1. The Superintendent or designee may research, draft, and prepare a district bond measure or other initiative for the ballot, but shall not use district resources to influence voters or otherwise campaign for the measure.
2. Upon request, Board members and district administrators may appear at any time before a citizens' group to explain why the Board called for an election on a bond measure and to answer questions. (Education Code 7054.1)

If the presentation occurs during working hours, the employee representing the district shall not urge a citizens' group to vote for or against the bond measure.

3. The Board or any individual Board member may file a written argument for the ballot that is either for or against any school measure. (Elections Code 9501)

Legislation

The Board's responsibility as an advocate for the district may include lobbying and outreach at the state, national, and local levels. The Board and Superintendent or designee shall work to establish and maintain ongoing relationships with elected officials, community leaders, and the media in order to communicate district positions and concerns.

(cf. 1020 - Youth Services)

(cf. 1112 - Media Relations)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 7131 - Relations with Local Agencies)

The Board and Superintendent shall develop an advocacy action plan to define expectations and responsibilities. This plan may include, but is not limited to, legislative priorities, strategies for outreach to the media and community, development of key messages and talking points, and adoption of positions on specific legislation, regulations, or budget proposals.

POLITICAL PROCESSES (continued)

In order to strengthen legislative advocacy efforts, the district may work with organizations and coalitions and may join associations whose representatives lobby on behalf of their members in accordance with Government Code 53060.5.

The district may provide fair and impartial information about legislative issues affecting schools and children and shall inform the community about its advocacy activities. However, informational materials about legislation shall not urge the public to lobby the legislature, Governor, or state agencies on behalf of the district.

As necessary, the Board may direct the Superintendent or designee to draft legislative or regulatory proposals which serve the district's interests.

Legal Advocacy

The Board recognizes that some issues are more appropriately addressed judicially rather than legislatively. When a legal issue is likely to set a state or national precedent, the district may join with other districts or parties in order to resolve the issue through litigation or other appropriate means.

(cf. 9124 - Attorney)

(cf. 9321 - Closed Session Purposes and Agendas)

Additionally, refusal to leave areas of non-school facilities, including but not limited to the District Office or other administrative offices that are not open to the general public, may constitute a trespass and be referred to law enforcement officials. (Penal Code 626(o).) The Superintendent or designee shall be responsible for determining what areas constitute common areas and areas not open to the general public.

(cf. 5030 - Student Wellness)
(cf. 6020 - Parent Involvement)

However, the foundation is encouraged to provide regular reports to the Board on the status of its work and to communicate ways that the district can help support the foundation's activities.

With the consent of the Superintendent or designee, the educational foundation, as appropriate, may use the district's name, a school's name, a school team's name, or any logo attributable to a school or the district.

COMPLAINTS CONCERNING DISTRICT EMPLOYEES

The Board of Trustees recognizes its accountability to the public for the quality of the district's educational program and the performance of district employees. The district shall provide a process by which a complaint submitted by any person regarding an employee can be resolved impartially, expeditiously, and with minimal disruption to district operations and the educational program.

(cf. [9323](#) - Meeting Conduct)

Any complaint regarding the Superintendent shall be initially filed in writing with the Board. The Board shall consult with legal counsel or appoint an appropriate agent to conduct the investigation.

Any complaint of child abuse or neglect alleged against a district employee shall be reported to the appropriate local agencies in accordance with law and BP 5141.4 - Child Abuse Prevention and Reporting. Any complaint alleging that an employee engaged in unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) in district programs and activities shall be filed in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. The

complainant and the employee shall have an opportunity to present information relevant to the complaint.

A complaint that is filed anonymously may be investigated by the Superintendent or designee depending on the specificity and reliability of the information.

If a complainant requests confidentiality, the Superintendent or designee shall inform the complainant that the request may limit the district's ability to investigate the employee's conduct or take other necessary action. However, the Superintendent or designee shall take all reasonable steps to investigate and resolve the complaint without divulging the complainant's identity.

The Board prohibits retaliation against complainants.

Appeals

If either the complainant or the employee submits an appeal of the Superintendent's decision to the Board, the Board shall determine whether to uphold the Superintendent's decision without hearing the complaint, appoint an appeals committee to advise the Board, or hear the appeal itself.

(cf. [9130](#) - Board Committees)

If the Board decides to hear the complaint, the matter shall be addressed in closed session in accordance with Government Code [54957](#) unless the employee requests that it be heard in open session. COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

The Board of Trustees uses a comprehensive process to adopt district instructional materials that is based on selection criteria established by law and Board policy and includes opportunities for the involvement of district staff, parents/guardians and community members, and, as appropriate, students. Complaints concerning the content or use of instructional materials, including textbooks, supplementary instructional materials, library materials, or other instructional materials and equipment, shall be properly and fairly considered using established complaint procedures.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

(cf. 6163.1 - Library Media Centers)

Parents/guardians are encouraged to discuss any concerns regarding instructional materials with their student's teacher and/or the school principal. If the situation remains unresolved, a complaint may be filed using the process specified in the accompanying administrative regulation and exhibit.

The district shall accept complaints concerning instructional materials only from staff, district residents, or the parents/guardians of children enrolled in a district school. (Education Code 35160)

However, a complaint related to the use or prohibited use of any existing textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library that alleges unlawful discrimination based on a violation of Education Code 243 or 244 shall be filed, investigated, and resolved in accordance with Board Policy 1312.3 – Uniform Complaint Procedures.

When deliberating upon challenged materials, the Superintendent, or any designee or committee established by the Superintendent to review the materials, shall consider the degree to which the materials aligned with the criteria for instructional materials as specified in law, Board policy, and administrative regulation. In addition, such deliberations may consider the educational philosophy and vision of the district; the educational suitability of the materials including the manner in which the materials support the curriculum and appropriateness for the student's age; the professional opinions of teachers of the subject and of other competent authorities and/or experts; reviews of the materials by reputable bodies; the stated objectives in using the materials; community standards; the allegations in the complaint, including the extent to which the objections are based on the dislike of ideas contained in the materials; and the impact that keeping or removing the materials would have on student well-being.

The Superintendent, or any designee or committee established by the Superintendent to review the materials, shall not prohibit the continued use of an appropriately adopted textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library on the basis that it contains inclusive and/or diverse perspectives, as specified in Education Code 243.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS (continued)

Additionally, the Superintendent, or any designee or committee established by the Superintendent to review materials, shall not authorize the continued use of an adopted textbook, instructional material, supplemental instructional material, or curriculum for classroom instruction if the use would subject a student to unlawful discrimination pursuant to Education Code 220.

If the complainant finds the Superintendent's or review committee's decision unsatisfactory, the complainant may appeal the decision to the Board.

(cf. 9322 - Agenda/Meeting Materials)

Any challenged instructional material that is reviewed by the district shall not be subject to further reconsideration for 12 months, unless required by law.

Complaints related to sufficiency of textbooks or instructional materials shall be resolved as specified in Administrative Regulation 1312.4 - Williams Uniform Complaint Procedures.

BIGGS UNIFIED SCHOOL DISTRICT

Biggs, California

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

Step 1: Informal Complaint

If a staff member, district resident, or parent/guardian of a student enrolled in a district school has a complaint regarding the content or use of any specific instructional material, such individual shall informally discuss the material in question with the principal. (Education Code 35160)

Step 2: Formal Complaint

If the complainant is not satisfied with the principal's initial response, the complainant shall present a written complaint to the principal. Complaints regarding printed material shall name the author, title, and publisher and shall identify the objection by page and item numbers. In the case of nonprinted material, written information specifying the precise nature of the objection and location of such material shall be given. In order for the district to reply appropriately, complainants shall sign all complaints and provide identifying information. Anonymous complaints will not be accepted.

Upon receiving a complaint, the principal shall provide the complainant with a written acknowledgment of its receipt and respond to any procedural questions the complainant may have. The principal then shall notify the Superintendent or designee, the teacher(s), and other staff as appropriate.

During the investigation of the complaint, the challenged material may remain in use until a final decision has been reached.

Step 3: Review Committee

The Superintendent or designee shall determine whether to convene a review committee to review the complaint.

If the Superintendent or designee determines that a review committee is necessary, the Superintendent or designee shall appoint a committee composed of administrators and staff members selected from relevant instructional and administrative areas. The Superintendent or designee may also appoint parents/guardians, students, and community members, as appropriate, to serve on the committee.

The Superintendent or designee may provide training to the review committee to ensure that the review committee is informed regarding its responsibilities, the criteria to follow when reviewing instructional materials, and applicable laws, Board policy(ies), and administrative regulation(s).

Within 30 days of being convened, the review committee shall summarize its findings in a written report. The Superintendent or designee shall notify the complainant in writing of the committee's decision within 15 days of receiving the committee's report.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS (continued)

Step 4: Superintendent's Determination

If the Superintendent or designee determines that a review committee is not necessary, the Superintendent or designee shall, in a timely manner, issue a decision regarding the complaint.

Step 5: Appeal to the Governing Board

If the complainant remains unsatisfied, the complainant may appeal the Superintendent's or the review committee's decision to the Board. The Board's decision shall be final.

Discrimination includes, but is not limited to, the Board's refusal to approve the use or prohibit the use of any textbook, instructional material, supplemental instructional material, or other curriculum for classroom instruction, or any book or other resource in a school library, on the basis that it includes a study of the role and contributions of any individual or group consistent with the requirements of Education Code 51204.5 and 60040, unless such study would violate Education Code 51501 or 60044. BIGGS UNIFIED SCHOOL DISTRICT

Biggs, California

UNIFORM COMPLAINT PROCEDURES

Except as may otherwise be specifically provided in other district policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in the accompanying Board policy.

Compliance Officers

The district designates the individual(s), position(s), or unit(s) identified below as responsible for receiving, coordinating, and investigating complaints and for complying with state and federal civil rights laws. The individual(s), position(s), or unit(s) also serve as the compliance officer(s) specified in AR 5145.3 - Nondiscrimination/Harassment responsible for handling complaints regarding unlawful discrimination, harassment, intimidation, or bullying and in AR 5145.7 – Sex Discrimination and Sex-Based Harassment for handling complaints regarding sex discrimination and sex-based harassment.

SUPERINTENDENT

Doug Kaelin

300 B Street

Biggs, CA 95917

(530) 868-1281

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program; applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, harassment, intimidation, or bullying; applicable standards for reaching decisions on complaints; and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, an appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or

UNIFORM COMPLAINT PROCEDURES (continued)

More interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

Notifications

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

In addition, the Superintendent or designee shall annually provide written notification of the district's UCP to students, employees, parents/guardians of district students, district advisory committee members, school advisory committee members, appropriate private school officials or representatives, and other interested parties. (5 CCR 4622)

The notice shall include:

1. A statement that the district is primarily responsible for compliance with federal and state laws and regulations, including those related to prohibition of unlawful discrimination, harassment, intimidation, or bullying against any protected group, and a list of all programs and activities that are subject to UCP as identified in "Complaints Subject to UCP" in the accompanying Board policy
2. The title of the position responsible for processing complaints, the identity of the person(s) currently occupying that position if known, and a statement that such persons will be knowledgeable about the laws and programs that they are assigned to investigate
3. A statement that a UCP complaint, except a complaint alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed no later than one year from the date the alleged violation occurred
4. A statement that a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying must be filed no later than six months from the date of the alleged conduct or the date the complainant first obtained knowledge of the facts of the alleged conduct
5. A statement that a student enrolled in a public school shall not be required to pay a fee for participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities
6. A statement that a complaint regarding student fees or the local control and accountability plan (LCAP) may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint
7. A statement that the district will post a standardized notice of the educational and graduation requirements of foster youth, students experiencing homelessness, children of military families, former juvenile court school students now enrolled in the district, students who are migratory, and newcomer students as specified in Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and the complaint process
8. A statement that complaints will be investigated in accordance with the district's UCP

UNIFORM COMPLAINT PROCEDURES (continued)

and a written decision will be sent to the complainant within 60 days from the receipt of the complaint, unless this time period is extended by written agreement of the complainant

9. A statement that, for programs within the scope of the UCP as specified in the accompanying Board policy, the complainant has a right to appeal the district's investigation report to the California Department of Education (CDE) by filing a written appeal, including a copy of the original complaint and the district's decision, within 30 calendar days of receiving the district's decision
10. A statement advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal laws prohibiting discrimination, harassment, intimidation, or bullying, if applicable
11. A statement that copies of the district's UCP are available free of charge

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 and 34 CFR 106.8 shall be posted on the district and district school websites, published in handbooks, catalogs, announcements, bulletins, and application forms, and may be provided through district-supported social media, if available.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's UCP policy, regulation, forms, and notices shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints, except for those that allege sex discrimination, including sex-based harassment, shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600; 34 CFR 106.2)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization (5 CCR 4600)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to

UNIFORM COMPLAINT PROCEDURES (continued)

evidence, to support an allegation of noncompliance

A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee.

3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred (5 CCR 4630)

For complaints related to the LCAP, the date of the alleged violation is the date when the County Superintendent of Schools approves the LCAP that was adopted by the Governing Board. (5 CCR 4630)

4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying (5 CCR 4630)
5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination.

The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action.

When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may

UNIFORM COMPLAINT PROCEDURES (continued)

informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint where there is reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

The compliance officer shall begin an investigation into the complaint within 10 business days of receiving the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential

UNIFORM COMPLAINT PROCEDURES (continued)

manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Investigation Report

Unless extended by written agreement with the complainant, the investigation report shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint.

Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Investigation Report" below. If the complainant is dissatisfied with the compliance officer's decision, the complainant may, within five business days, file the complaint in writing with the Board

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

For any complaint alleging unlawful discrimination, harassment, intimidation, or bullying, the respondent shall be informed of any extension of the timeline agreed to by the complainant, and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Investigation Report

For all complaints, the district's investigation report shall include: (5 CCR 4631).

UNIFORM COMPLAINT PROCEDURES (continued)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law
3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, so long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, harassment, intimidation, and bullying, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, and bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender,

UNIFORM COMPLAINT PROCEDURES (continued)

disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

For complaints alleging noncompliance with the law regarding student fees, the district, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. 5. In a case in which the district found noncompliance, the corrective actions fail to provide a proper remedy

Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

UNIFORM COMPLAINT PROCEDURES (continued)

If the complainant has indicated on the complaint form a desire to receive a response to the complaint, the preschool administrator or Superintendent's designee shall, within 45 working days of the initial filing of the complaint, report the resolution of the complaint to the complainant and CDE's assigned field consultant. If the preschool administrator makes this report, the information shall be reported at the same time to the Superintendent or designee. (Education Code 8212; 5 CCR 4692)

If a complaint regarding health or safety issues in a license-exempt CSPP program involves an LEP student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

UNIFORM COMPLAINT PROCEDURES (continued)

If a complainant is not satisfied with the resolution of a complaint, the complainant has the right to describe the complaint to the Board at a regularly scheduled hearing and, within 30 days of the date of the written report, may file a written appeal of the district's decision to the Superintendent of Public Instruction in accordance with 5 CCR 4632.  - b. A student does not have access to textbooks or instructional materials to use at home or after school.

This does not require two sets of textbooks or instructional materials for each student.

BIGGS UNIFIED SCHOOL DISTRICT
Biggs, California

CIVILITY

The Board of Trustees recognizes the impact that civility has on the effective operation of the district, including its role in creating a safe and positive school climate and enabling a focus on student well-being, learning, and achievement. The Board believes that each person should be treated with dignity and respect in their interactions within the school community.

The Board understands that the First Amendment provides strong protection for speech. However, the Board expects that all speech and expression will comport with norms of civil behavior on district grounds, in district facilities, during district activities or events, and in the use of district electronic/digital systems and platforms.

Civil behavior is polite, courteous, and reasonable behavior which is respectful to others and includes integrity, honesty, acceptance, timeliness, dependability, observance of laws and rules, and effective communication.

The Board and district staff shall model civil behavior as an example of behavior that is expected throughout the district. Practices that promote civil behavior include actively listening, giving full attention to the speaker, and refraining from interruptions; welcoming and encouraging participation, input, and feedback through stakeholder engagement; promptly responding to concerns; and embracing varying and diverse viewpoints. Such practices may be incorporated into governance standards adopted by the Board or Superintendent and/or professional standards or codes of conduct for employees as specified in district policies and regulations.

Students, staff, parents/guardians, and community members should be educated in the recognition, development, and demonstration of civil behavior. The Superintendent or designee may incorporate related concepts in the curriculum, provide staff development activities, and/or communicate this policy to the school community.

Students, staff, parents/guardians, and community members shall not communicate or behave in a manner that causes disruption; hinders the orderly conduct of district operations, the educational program, or any other district program or activity; or creates an unsafe learning or working environment. The Superintendent or designee may respond to disruptive, violent, or threatening behavior in accordance with law and as specified in BP/AR 3515.2 - Disruptions.

Behavior by students or staff that is discriminatory, harassing, or intimidating, including sexual harassment, bullying, and/or hate violence, or behavior that is in any other way unlawful, is prohibited and is subject to discipline in accordance with law and as specified in district policy and regulations.

DISTRIBUTION OF MATERIALS THOROUGH THE SCHOOLS

The Board of Trustees acknowledges communication with parents/guardians as an integral part of a student's education. However, materials distributed to parents/guardians should be relevant to education. To this end, the Superintendent is directed to develop procedures to facilitate appropriate communications.

DISTRIBUTION OF MATERIALS THOROUGH THE SCHOOLS

1. All materials to be distributed via the children through the schools must be approved by the school district office with the exception that school-sponsored organizations, e.g., individual school-sponsored Cub Scout Packs, would be approved by the principal.
2. Only materials from non-profit, community-oriented organizations will be distributed through the schools.
3. An advisory committee of administrators may be appointed to review materials for distribution.
4. Organizations having a legitimate compelling reason to have materials distributed may appeal to the Superintendent or designee.

SOLICITING OF FUNDS

All solicitation of funds from school children for purposes other than that of school activities is prohibited in the schools except with the expressed approval of the Board.

Solicitors

Without written permission of the Superintendent, agents and solicitors are forbidden to solicit or offer for sale any wares, articles, stocks, bonds, insurance, etc., on any school premises at any and all times, excepting agents of publishers of educational materials.

Board Policy

Community Relations

BP 1330(a)

USE OF SCHOOL FACILITIES

The Board of Trustees believes that school facilities and grounds are a vital community resource which should be used to foster community involvement and development. Therefore, the Board authorizes the use of school facilities by district residents and community groups for purposes specified in the Civic Center Act, to the extent that such use does not interfere with school activities or other school-related uses.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)
(cf. 6145.5 - Student Organizations and Equal Access)

The Superintendent or designee shall give priority to school-related activities in the use of school facilities and grounds. Other uses authorized under the Civic Center Act shall be on a first-come, first-served basis.

For the effective management and control of school facilities and grounds, the Superintendent or designee shall maintain procedures and regulations that: (Education Code 38133)

1. Aid, encourage, and assist groups desiring to use school facilities for approved activities
2. Preserve order in school facilities and on school grounds and protect school facilities, including the designation of a person to supervise this task, if necessary

(cf. 0450 - Comprehensive School Safety Plan)
(cf. 3516 - Emergencies and Disaster Preparedness Plan)

3. Ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of school work

Subject to prior approval by the Board, the Superintendent or designee may grant the use of school facilities or grounds on those days on which district schools are closed. (Education Code 37220)

(cf. 6115 - Ceremonies and Observances)

There shall be no advertising on school facilities and grounds except as specified in Board Policy 1325 - Advertising and Promotion.

(cf. 1325 - Advertising and Promotion)

As necessary to ensure efficient use of school facilities, the Superintendent or designee may, with the Board's approval, enter into an agreement for the joint use of any school facilities or grounds. The Board shall approve any such agreement only if it determines that it is in the best interest of the district and the community.

USE OF SCHOOL FACILITIES (continued)

(cf. 1330.1 - Joint Use Agreements)

Fees

The Board shall adopt a comprehensive schedule of fees to be charged for community use of school facilities and grounds, including, but not limited to, the multipurpose room(s), playing or athletic field(s), track and field venue(s), tennis court(s), and outdoor basketball court(s). The schedule of fees shall be prepared in accordance with 5 CCR 14037-14041. (5 CCR 14041)

(cf. 9320 - Meetings and Notices)

The Board authorizes the use of school facilities or grounds, without charge, to school-related organizations whose activities are directly related to or for the benefit of district schools. All other groups requesting the use of school facilities under the Civic Center Act shall be charged an amount not to exceed direct costs determined in accordance with 5 CCR 14037-14041.

Additionally, when any use of school facilities or grounds is for religious services, the district shall charge an amount at least equal to the district's direct costs. (Education Code 38134)

Groups shall be charged fair rental value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposes or for the welfare of the district's students. (Education Code 38134)

Calculating Direct Costs

Direct costs to be charged for community use of each, or each type of, school facility or grounds shall be calculated in accordance with 5 CCR 14038 and may reflect the community's proportionate share of the following costs: (Education Code 38134; 5 CCR 14038-14041)

1. Capital direct costs calculated in accordance with 5 CCR 14039, including the estimated costs of maintenance, repair, restoration, and refurbishment of non-classroom space school facilities or grounds
2. Operational direct costs calculated in accordance with 5 CCR 14040, including estimated costs of supplies, utilities, janitorial services, other services performed by district employees and/or contracted workers, and salaries and benefits paid to district employees directly associated with the administration of the Civic Center Act to operate and maintain school facilities and grounds

USE OF SCHOOL FACILITIES (continued)

Direct cost fees shall not be discounted to any group or organization except when the discount is specifically authorized in the adopted fee schedule. (5 CCR 14041).

Expending Funds Collected as Capital Direct Costs

Any funds collected as capital direct costs shall be deposited into a special fund to be used only for capital maintenance, repair, restoration, and refurbishment of school facilities and grounds. (5 CCR 14042)

Use of School Facility as Polling Place

The Board may authorize the use of school buildings as polling places, or vote centers for election day. The Board may also authorize the use of school buildings, without cost, for the storage of voting machines and other vote-tabulating devices. However, if a city or county elections official specifically requests the use of a school building as a polling place, or vote center on election day and/or during the 10 days preceding election day, as well as during key dates necessary for drop-off, set-up, and pick-up of election materials, as determined by the elections official, the Board shall allow its use for such purpose. If school will be in session, the Superintendent or designee shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as a polling place or vote center. (Elections Code 12283)

(cf. 6111 - School Calendar)

When a school is used as a polling place or vote center, the Superintendent or designee shall provide the elections official a site with an adequate amount of space that will allow the precinct board to perform its duties in a manner that will not impede, interfere, or interrupt the normal process of voting and shall make a telephone line for Internet access available for use by local elections officials if so requested. The Superintendent or designee shall make a reasonable effort to ensure that the site is accessible to persons with disabilities. (Elections Code 12283)

The Superintendent or designee shall establish procedures to ensure student safety and minimize disruptions whenever school is in session while the facilities are being used as a polling place or vote center.

Inspection of Records, Requests for Copies, and Recovery of Costs

Any person may request a copy or inspection of any district record that is not exempt from disclosure. (Government Code 7922.530)

Within 10 days of receiving any request to inspect or copy a district record, the Superintendent or designee shall determine whether the request seeks release of a disclosable public record in the district's possession. The Superintendent or designee shall promptly inform the person making the request of the determination and the reasons for the decision. (Government Code 7922.535)

In unusual circumstances, the Superintendent or designee may extend the 10-day limit for up to 14 days by providing written notice to the requester setting forth the reasons for the extension and the date on which a determination is expected to be made. Unusual circumstances include the following, but only to the extent reasonably necessary to properly process the request: (Government Code 7922.535)

1. The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request
2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request
3. The need for consultation, which shall be conducted with all practicable speed, with another agency (e.g., a state agency or city) having a substantial interest in the determination of the request or among two or more components of the district (e.g., two different school sites) with substantial interest in the request
4. In the case of electronic records, the need to compile data, write programming language or a computer program, or construct a computer report to extract data
5. The need to search for, collect, and appropriately examine records during a state of emergency proclaimed by the Governor pursuant to the California Emergency Services Act in the jurisdiction where the district is located when the state of emergency currently affects, due to the state of emergency, the district's ability to timely respond to staffing shortages or closure of facilities where the requested records are located (Government Code 8567)

ACCESS TO DISTRICT RECORDS (continued)

If the Superintendent or designee determines that the request seeks disclosable public records, the determination shall state the estimated date and time when the records will be made available. (Government Code 7922.535)

Public records shall be open to inspection at all times during district office hours. If a portion of the requested record(s) is exempt from disclosure, any non-exempt, reasonable segregable portion of the record shall be made available for inspection after deletion of the portions exempted by law. (Government Code 7922.525)

Upon request for a copy that reasonably describes an identifiable, non-exempt record, an exact copy shall be promptly provided unless it is impracticable to do so. (Government Code 7922.530)

The Superintendent or designee shall charge an amount for copies that reflects the direct costs of duplication in accordance with law. Written requests to waive the fee shall be submitted to the Superintendent or designee.

Without charging any fees or costs, the Superintendent or designee shall allow members of the public to use their own equipment on district premises to photograph or otherwise copy or reproduce a disclosable record as long as the means of copy or reproduction: (Government Code 7922.530)

1. Do not require the equipment to make physical contact with the record
2. Will not result in damage to the record
3. Will not result in unauthorized access to the district's computer systems or secured networks by using software, equipment, or any other technology capable of accessing, altering, or compromising the district's electronic records

The Superintendent or designee may impose any reasonable limit on the use of personal equipment to photograph, copy, or reproduce a disclosable record that is necessary to protect the safety of the records, or to prevent the copying of records from being an unreasonable burden to the orderly function of the district and its employees. The Superintendent or designee may also impose any limit that is necessary to maintain the integrity of, or ensure the long-term preservation of, historic or high-value records. (Government Code 7922.530)

In addition to maintaining public records for public inspection during district office hours, the district may comply with public records requests by posting any public record on the district's web site and, in response to a public records request, directing the member of the public to the location on the web site where the record can be found. However, if the member of the public is unable to access or reproduce the record from the web site, the district shall promptly provide an exact copy of the public record upon payment of duplication fees, if applicable, unless it is impracticable to provide an exact copy. (Government Code 7922.545)

If any person requests that a public record be provided in an electronic format, the district shall make that record available in any electronic format in which it holds the information.

ACCESS TO DISTRICT RECORDS (continued)

The district shall provide a copy of the electronic record in the format requested as long as the requested format is one that has been used by the district to create copies for its own use or for use by other agencies. (Government Code 7922.570)
