

OCTOBER 2026

Teachers Note:

We had 75% of our kindergarteners read all of Sight Word List ONE a couple weeks ago and we are excited to see who can read List TWO this Friday! We will start practicing List THREE next week. We spend about 3 weeks on each list before the final challenge at the end of the school year to read them all and become a WORD WIZARD! The students cannot move on to a new list until they pass the earlier ones. Please continue to practice those words with you child until they have mastered them. TK's will be exposed to the sight words but aren't expected to memorize them until they are in kindergarten.

Upcoming Events

Friday 10/30: "Say Boo to Drugs" Wear your costume
to school for the Halloween parade and carnival (no
weapons or masks).

Self-Discipline is our virtue for October!

This can be a hard one to explain to littles! We try to use words like "self-control" and "think before you do." We often tell the students: "You worry about you, so that others don't have to!"

Reminders:

The cooler weather is here! Please send your student in warm layers to keep them warm when we head outside. Also, help them practice taking them on and off by themselves. If your child is in need of a good jacket, please let me know! Writing your last name on the tag of a jacket will make it less likely to be lost. Check the lost and found for missing items!

THANK YOU!!

Our class appreciates all of the snack and supply donations we have received!
