Scheduling Guidelines

1. Students are required to take English, Math, History, Science, PE, and one elective. We do our best to honor 1st, 2nd, or 3rd ranked elective choices.
2. Please give careful consideration to course requests, as they inform what classes will be offered and staffing for the school year. It is the responsibility of the student/guardian to review all course selection materials, including course descriptions.
3. Students are requesting courses only, not teachers or periods. No schedule changes will be made to accommodate off-campus, extracurricular, or athletic activities.
4. SDUHSD Board Policy sets a four-week limit at the beginning of each semester to add or drop a class without it reflecting on the transcript. Level changes (ex. from honors) may be requested during this period only if there is space available.

San Dieguito Union High School District policy prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, reproductive health decision making, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, veteran or military status, or association with a person or group with one or more of these actual or perceived characteristics.
