### CURRICULUM

Our faculty provides a multi-level curriculum, including Advanced Placement, Gifted/Talented, Honors, regular, resource, and developmental courses that give students the opportunity to pursue unique programs that meet their individual abilities and needs.

Our school offers 26 AP and 32 Honors courses in the areas of English, Math, Science, Social Studies, Foreign Language, and Fine Arts. Our campus has a partnership with San Antonio College and University of Texas for dual credit and OnRamps courses, respectively.

A variety of Career & Technical courses are offered in the areas of Accounting and Financial Services, Law Enforcement, HealthCare, Technology, Culinary Arts, Cosmetology, Education Training and Cyber Security. There are also opportunities for cooperative work programs, practicums in career training, and access to the NEISD Career and Technology Education Center.

Special Programs:

**NESA** - LEE is the host school for the gifted and talented North East School of the Arts which has an emphasis in the arts.

**STEM Academy** – A magnet program for students in NEISD which specializes in advanced studies in science, technology, engineering, and mathematics.

**ISA** - The International School of the Americas is a magnet school that is housed on LEE Campus. These students take elective courses at LEE.

## ATTENDANCE

Students are required to be in attendance for at least 90% of each class period per semester in order to receive credit. Excessive absences may result in loss of credit.

## CLASS OF 2025 RANKING

Required graduation courses, up to a maximum of 26 credits, taken in grades 9-12 during the regular school day or in summer school through the end of the seventh semester will be used to calculate Class Rank.

The following are excluded from rank: courses repeated/taken more than once, high school courses taken in middle school, pass/fail credit classes, courses completed through credit by exam, courses taken in summer foreign study, or with an ARD exemption.

Weighted rank factors are used to calculate the rank points for each course:
