Principal's Message

We are excited to welcome both new and returning families to another school year at Iron Horse Middle School. Whether your student is just beginning their middle school journey or preparing for the next step toward high school, please know that every student and family is a valued member of our community. Our school thrives because of the strong partnerships between families, students, and staff—all working together to ensure every student succeeds.

At Iron Horse, we are deeply committed to supporting each student's academic and social-emotional development. We believe that true success comes from addressing the needs of the whole child and ensuring that every student receives the equitable support they need to thrive. Our dedicated staff is here to guide and empower students through the critical transition from elementary to high school, helping them grow into confident, capable, and compassionate individuals.

Our mission is clear: *to educate, inspire, and empower students in a safe and equitable learning environment*. This mission is at the heart of everything we do and is reflected in the daily efforts of our teachers, counselors, and staff. In alignment with SRVUSD's [strategic directions](#), we prioritize equity, emotional wellness, and deep learning. We aim to nurture not only strong learners but also self-aware individuals who understand their identities, needs, and responsibilities within a diverse community and exemplify the traits in the [learner profile](#).

Creating a safe, inclusive, and respectful environment is a collective responsibility. We encourage all members of our community to be upstanders—individuals who speak up and take action to uphold the positive culture we all deserve. We ask families to engage, communicate, and partner with us in this shared mission. Don't hesitate to connect with our staff and ask for support whenever it's needed.

At Iron Horse, we live by the motto: "Do not underestimate the POWER of a Jaguar!" POWER stands for Pride, Optimism, Willingness, Empathy, and Respect—qualities we believe every student can embody. Responsibility is a key part of that POWER. We expect our students to take ownership of their learning and behavior, and we support them with tools and strategies to succeed. For example, all 6th grade students are required to use a planner, and all students are encouraged to maintain strong organizational habits through Google Classroom and other resources. Teachers will help students build these skills while also developing essential interpersonal competencies.

We are excited for the year ahead and confident that, together, we can create a dynamic, supportive, and enriching school experience for all. Thank you for being a part of the Iron Horse community—we look forward to a fantastic year!

GENERAL INFORMATION

CLOSED CAMPUS

Iron Horse is a closed campus. Students may not bring guests to school. Students may not leave campus without permission at any time. Students leaving campus without permission will be considered truant. Should it be necessary for a student to leave campus, a parent must be responsible for signing the student out in the office.

COMMUNICATION

There are a number of different ways in which we communicate with the families of Iron Horse.

- Email is the most effective communication tool at Iron Horse Middle School. All students and parents should register their email. Iron Horse staff members commit to returning messages within 48 hours. Voicemail is available for each staff member, however, email is preferable for everyday communication.
- The **P.T.A. Newsletter, 'The Jaguar Journal'** is e-mailed home weekly each Monday and contains information from the P.T.A. and the Iron Horse administration that pertains to the school and middle school issues.
- The **school marquee** located in front of Iron Horse announces upcoming school events.
- **School notices** are periodically sent home either with students, by mail, or by electronic communication.
- **IHMS Student Bulletin** is emailed the first day of each week directly to students with information about school activities, events and reminders.

EATING ON CAMPUS

The district provides breakfast and lunch in the cafeteria, located in the MPR or students are welcome to bring their own. Second meals may be available for purchase. Details can be found on [SRVUSD Nutrition](#) page. Lunch can be eaten in the MPR and in the courtyard area, while staying within the teal marked boundaries. The boundaries are in place to make sure that classroom activities that are going on during lunch sessions are not disrupted. Eating outside the MPR is a privilege. With this in mind we must make sure that trash is placed in the trash cans, otherwise this privilege can be taken away. No 3rd Party deliveries are allowed.(i.e. DoorDash, Uber eats etc) We discourage bringing lunch for students and their friends as it can be disruptive.

GUM

Bringing, distributing, or chewing gum is not allowed at any time on campus. Not following this rule will result in consequences, including campus and desk clean up (gum duty/work detail).

FORGOTTEN ITEMS

Check in at the office during break or lunch if you discover that you have forgotten an item at home. If a parent chooses to deliver forgotten items, they may be dropped off at the main office and placed on the "I forgot table" for you to retrieve them. It is **not school policy to deliver items or take messages to the classroom** (unless it is an emergency) due to the potential disruption that may occur. The office cannot be responsible for items left at the front desk.

KEEP YOUR ITEMS WITH YOU OR LOCKED UP!

Backpacks, books, lunches, electronics including cell phones/headphones, valuables, etc. should not be left unattended at any time. Iron Horse Middle School is not responsible for items lost or stolen. All students are issued a lock through their PE teacher and **MUST LOCK** all items in their locker while in PE. If something is lost, check with the teacher, front office or custodian before or after school. There is a lost and found area in the MPR as well.

DRESS CODE:

Iron Horse Middle School expects that all students will dress in a way that is appropriate for the school day or for any school sponsored event. Iron Horse Middle School's student dress code is designed to maintain a safe learning environment in all classes.

Students Must Wear:

- A **Shirt** (with straps or sleeves and which extends past the belly button), **AND**
- **Pants/jeans or the equivalent** (for example, a skirt, sweatpants, leggings, a dress or shorts)
- **Shoes** with back strap (no slides or slippers), crocs must be in “sports mode”

Students Cannot Wear:

- Violent language or images.
- Images or language depicting drugs or alcohol (or any illegal item or activity).
- Hate speech, profanity, pornography.
- Images or language that creates a hostile or intimidating environment.
- Swimsuits
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face (except as a religious observance or according to health and safety guidelines).

**No student should be affected by dress code enforcement because of racial identity, sex assigned at birth, gender identity or expression, sexual orientation, ethnicity, cultural or religious identity, household income, body size/type, or body maturity.*

Dress Code Enforcement

Teachers have the discretion to enforce additions to this dress code to ensure safety. Violation of the dress code will lead to the following disciplinary action:

- Students in violation will be provided three (3) options to be dressed more to code during the school day:
 - Students will be asked to put on their own alternative clothing.
 - Students will be provided with temporary school clothing.
 - If necessary, students’ parents may be called during the school day to bring alternative clothing for the student to wear.
- Repeated dress code violations will result in progressive discipline by school administration

These dress code guidelines shall apply to regular school days as well as any school related events and activities, such as promotion ceremonies and dances. **Students who feel they have been subject to discriminatory enforcement of the dress code should contact an administrator.*

PHYSICAL EDUCATION DRESS CODE

Students are required to change into PE appropriate clothing daily. A PE uniform consists of a teal t-shirt and black athletic shorts. An Iron Horse PE uniform is available for purchase, which includes an Iron Horse t-shirt and shorts. These items may also be purchased separately. Appropriate footwear is required.

LOCKER ROOM BEHAVIOR

Students are to change in locker rooms in preparation for and following physical education class. Students are to be on their best behavior in the locker rooms at all times. Playing or roughhousing of any sort is not acceptable and could result in the loss of the privilege to use the locker room. **Additionally, students are to keep any valuable items locked in their locker, as Iron Horse Middle School is not responsible for any thefts that may occur from the locker room.**

LOST AND FOUND

A lost and found box is located inside and maintained at the school; however, students are expected to remember to pick up all articles belonging to them as they move about the campus. Unclaimed items are donated to charity. Clothing and

books found on the campus should be given to a custodian or should be taken to the Main Office. We encourage students to clearly label all items brought to school.

VOLUNTEERS

Volunteers and chaperones must be cleared through the Be A Mentor system. For more information please see the [district website](#). From time to time students are given the opportunity to participate in field trips where private vehicles are used to transport students to and from school.

MONEY ON CAMPUS

Borrowing money from other students is not allowed. Students may not ask for money from other students. Students **may not buy or sell items to or from other students** on campus.

BALLOONS AND OTHER FESTIVE DELIVERIES

We want to encourage students to celebrate significant milestones, like birthdays, with their friends. Items like cards or posters are appropriate to share. Items such as balloon bouquets, which have to be carried by students throughout the day, are not permitted on campus. Such items that are brought to school will be kept in the office during the school day because they can cause distraction and disturbance in the classroom.

PEDESTRIANS

In the interest of safety, **always** use the bike lanes and crosswalk in front of the school and in all areas around the school. Walk carefully while entering the parking lot area. Students should use crosswalks in all parking areas that surround the campus.

BICYCLE RIDERS, SKATEBOARD RIDERS, SCOOTERS, OTHER WHEELED ITEMS

Students who ride bicycles/scooters must wear helmets at all times and walk their bikes/scooters while on school grounds. A bike rack is available on campus for your convenience. Skateboards and scooters should be stored on the hanging racks provided within the bike rack area. Students must bring their own locks and/or cables and secure their bikes, skateboards, scooters, and rollerblades properly. The bike rack gate will be locked during school hours, and the area is off limits to students throughout the school day. For everyone's safety, bicycles, scooters, skateboards, and similar items are **not to be ridden on campus at any time**. Failure to follow these rules may result in the item being confiscated and held until a parent can retrieve it. Please note: In California, electric scooter riders must be at least 16 years old and possess a valid driver's license or permit. Class 3 electric bikes are illegal for middle school students as well.

THE DISTRICT AND SCHOOL ASSUME NO LIABILITY FOR LOST OR DAMAGED BICYCLES, SKATEBOARDS, OR OTHER WHEELED ITEMS. BIKES/SKATEBOARDS ARE NOT ALLOWED ON CAMPUS DURING SCHOOL HOURS EXCEPT IN DESIGNATED AREAS. Students are expected to obey all bicycle/traffic laws.

TELEPHONE

The front office phone may be used by students to contact parents during school hours.

ATTENDANCE

REPORTING AND CLEARING AN ABSENCE

Being in class, on time and ready to learn, is one of the most important keys to success in school. This year, IHMS has adopted the new [Infinite Campus/Parent Portal](#) Absence reporting tool. Parents will now log into the Infinite Campus Parent Portal to submit the date(s), time, and reason for the absence, all from a digital device. Parents/Guardians can also utilize the Infinite Campus Parent Portal app (in the app store) to submit attendance. Submitting attendance online will be the most efficient way to communicate your student's attendance. If the app or website is not working, please call (925) 790-2599 to reach our Attendance Secretary. A parent should report all absences prior to 8:15am. Students are not

allowed to report their own absences. Please do not email in an absence. Using the [Infinite Campus/ Parent Portal](#) app is preferred.

A doctor's verification will be required to clear a student's absence for medical reasons. Without a doctor's note, an absence will be considered unexcused. If a student accumulates 10 or more ILL/UNX absences within a school year, they may be referred to SARB.

If you are phoning in an absence via the attendance line at 925-790-2599, please provide the following information when phoning in an absence:

- **Student's name (Please spell the last name)**
- **Reason for the absence**
- **Date of absence**
- **Grade**
- **Name and relationship of the person calling**

AR 5113 STATES THAT ALL ABSENCES WHICH ARE NOT CLEARED WITHIN TWO DAYS AFTER A STUDENT'S RETURN TO SCHOOL SHALL BE RECORDED AS UNEXCUSED (CUT) which cannot be altered.

Excused (AR [5113](#)) and unexcused absences (BP5113) shall be recorded by the school. To the extent that absences or tardiness limits participation by a student in class activities, their grade may be affected. Unexcused absences not verified by a doctor note will result in the student being classified as a habitual truant, which will necessitate a referral to the School Attendance Review Board (SARB). Parents can monitor their child's attendance record in the parent portal in Infinite Campus.

SAFETY MESSAGE

A Safety Message will go out to all parents at 10:30 AM and 6:00 PM every day. It is a reminder to report your student's absence if you haven't already. If you did call in to the Attendance Line and still received a message, we may not have cleared all absence reports before the automatic Safety Message went out. There is no need to report it again unless you receive a 2nd call at 6:00 PM.

LEAVING DURING THE DAY

If a student needs to leave before the end of the day, a parent may report an early release in the parent portal or send a written note to the office at the beginning of the school day to let us know the name of the student, grade, the time you'd like to pick them up, and the reason for the early dismissal. We can then send a pass for your student to meet you at the office where you can then sign them out. If you plan to pick up a student between 11:30 and 1:30 (lunchtime), it is especially important to notify us well in advance via the parent portal or by phone so that we can bring them down to the office before they head to lunch and avoid searching for them in the courtyard and MPR, which could delay your departure up to 20 minutes. If you come to pick up a student during their PE period, you may have to wait 10 minutes or more as they must be located and be given ample time to change.

TARDY/TRUANCY POLICY

Being on time to class is directly related to success in school. All students should be at school no later than 8:10 a.m. (first bell). Students are expected to be in the classroom at the start of the class. Students who are not in class, or in their seats, can be marked tardy and receive classroom and schoolwide consequences. Students who arrive at class after 8:15 a.m. are considered TARDY. Excused tardies are only for approved/verified reasons. Please review our [attendance policy](#). Students who complete a quarter with no tardies will receive recognition for their commitment to excellence.

Consequences for Unexcused tardies and absences (per quarter)

We understand that there may be occasional problems encountered when coming to school. We value each minute of the school day and promote student responsibility and accountability for prompt arrival to school. Unexcused absences

and tardies will result in consequences described below and administrative action including, but not limited to: truancy letters to parents, detention and placement on a student attendance contract, and referral to the Student Attendance Review Team (SART) and/or the district's [School Attendance Review Board \(SARB\)](#).

Consequences for unexcused tardies (per quarter, per class):

- 1-3 tardies: Parents/guardians will be notified via email that there have been tardies.
- 4 tardies: Attendance office/teacher will document the tardies, and a lunch-time detention will be issued.
- 6 tardies: If tardies continue, students will be issued an additional lunch-time detention
- 9 tardies: If tardies continue, an attendance contract will be created with the student and administrator. After school detention will be assigned.
- 12 tardies: Students and guardians will meet with administration and may be referred to the School Attendance Review Board (SARB) process. Additional detentions will be served.

Consequences for unexcused absences

Guardians have 48 hours to clear an absence. If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences. Unexcused absences are considered cuts, and students are considered truant. Chronic absenteeism and truancy will follow SART and SARB processes, which may lead to court based interventions. Please review our [attendance policy](#).

CUTTING CLASS AND/OR STUDENT SUPPORT TIME

Students who are absent from their assigned class or area without permission will be deemed to be cutting class. **Cutting class is considered to be a major violation of school rules and will be referred to the administration. Consequences for cutting class will result in school detention and/or suspension.** Three cuts will result in a student being marked truant and the student may be referred for the SARB process.

HALL PASS POLICY

Students out of class must have a hall pass in their possession. **Consequences for not having and/or misusing a hall pass will be the same as those for cutting class.**

INDEPENDENT STUDY CONTRACTS (AR6158)

Students may be given the opportunity to enroll in a short-term independent study contract during a planned absence from regular classes for a period of one (1) or more instructional day(s), up to a maximum of fifteen (15) school days (cumulative) per school year.

The Independent Study contract process is as follows:

- A parent must request an Independent Study contract online from the Iron Horse website.
- Board Policy requires 3-5 days advance notice for absences of 1 to 9 days and 5-10 days advance notice for agreements longer than 9 days.
- *Board Policy does not allow for Independent Study Contracts exceeding 15 days. Contact the Attendance Secretary if you have special circumstances.*
- Once the electronic request is received, the parent and student must sign a Master Agreement (obtained electronically), which will be kept on file in the office. The contract cannot be given without this agreement.
- All schoolwork must be completed and **is due to the teachers the day the student returns to school.**

MAKE-UP WORK

Students are responsible for making arrangements with their teachers to make-up work by requesting missing work the same day they return to school or during their absence via email. Students are encouraged to check Google Classroom/Infinite Campus for all missed work and should make every effort to complete the work in a timely manner agreed upon with the teacher.

STUDENT SERVICES / NEEDS

COUNSELING SERVICES

Iron Horse Middle School offers a comprehensive counseling program, which includes academic, group, and individual counseling services provided by the school counselors. Among the services provided are:

- Facilitating effective communication between students and their teachers, administration, parents, and peers.
- Providing guidance for students experiencing academic, social, and/or emotional difficulties.
- Serving as a liaison for parents and students with all departmental staff, including Special Education, GATE, and English Language Development programs.
- Providing information on community support programs.
- Coordinating the Student Support Team (SST) and 504 Plan referrals and meetings.
- Maintaining academic records for all students.
- Overseeing the registration process for all students, including academic advising for course selection.

SCHOOL NURSE, PSYCHOLOGIST, SPEECH THERAPIST

The school district provides the services of a school nurse, psychologist, and speech therapist approximately one day per week. Referrals to the psychologist or speech therapist are made through the counseling office and the Student Support Team with the permission of a student's parents.

ILLNESS AT SCHOOL

Do not send your child to school if they have had a fever, vomited, or experienced diarrhea in the last 24 hours. Students must be symptom-free for **at least 24 hours without the use of medication** before returning to school. If any of these symptoms develop during the school day, we will contact a parent for possible pick-up. Students may not leave school without being signed out in the office. They will be released only to parents/caregivers or an adult designated from their emergency contacts or with verbal or written permission from the parent/caregiver.

MEDICATION AT SCHOOL

In order to assist a student taking prescribed medication at school, a statement must be on file from the physician and parent detailing the method, amount, and time schedule by which medication is to be taken. Forms for this purpose are available in the school office. The medication must also be sent to school in a container properly labeled by the dispensing pharmacist. **NOTE: No medication of any kind may be administered to a child unless the above conditions are met. Students may not carry any type of drug, prescription or non-prescription.**

ACCIDENT INSURANCE

Optional insurance plans for accident coverage are available to students at a modest cost, and information is available at registration or in the main office.

PHYSICAL EXAMINATIONS

All new students are requested to file a report of a physical examination. Students participating in after-school sports or any activity of a strenuous nature are urged to have an examination on file prior to the start of practice.

IMMUNIZATIONS Verification of required immunizations (a physician's report or a prior school record) must be presented at the time of registration. Students will not be allowed to register without evidence of having completed these immunizations.

EMERGENCY INFORMATION

EMERGENCY COMMUNICATIONS

Should an emergency arise at Iron Horse Middle School, information regarding the situation may be accessible online, at www.srvusd.net or through email. Note: Please do not call the school or district office during an emergency or come to the campus until requested to do so. This could inhibit the emergency system and processes in place to support and

provide for our students. We understand that many students carry a cell phone. Staff will provide guidance to students about communicating with parents in an emergency situation.

Email will be the primary form of communication for IHMS as well as SRVUSD in the face of a real school wide emergency. For more information please check our [district webpage](#).

STUDENT EMERGENCY INFORMATION /Infinite Campus Parent Portal

Emergency contact information must be completed by parents yearly through the annual update in Infinite Campus via the parent portal and kept up-to-date and accurate throughout the school year. Incomplete or inaccurate data could endanger a student's life if an emergency occurred. Parents are requested to update any information as soon as possible if a move occurs during the school year. Only persons listed on the emergency contact as parent/guardian or emergency contact may authorize a student to leave campus or excuse an absence. Please contact the Counseling Office and/or Registrar immediately if there is a change of address, phone number (home or work), email, and/or emergency contact person(s).

DRILLS

Iron Horse is prepared for and has drills incorporating different types of emergencies. In all cases, **DIRECTIONS MUST BE FOLLOWED QUICKLY AND QUIETLY**. Students in the halls or at lunch when an alert bell or announcement is made should seek shelter. Should it become necessary to evacuate the school, students will be notified and should assemble in the areas assigned. Students will be instructed about drill procedures, including evacuation (fire), secure, hold, lockdown, and shelter (earthquake). Teachers and staff will ensure safe evacuation of students following the school's emergency plan. Students are to report to the designated area and remain with their class for attendance. Students are not to leave the campus without clearance through the attendance office.

We do not make schedule changes for teacher preferences, period preferences, or to change lunch periods. Elective change requests must be made within the first two weeks of the semester or they will not be honored. An elective request is not guaranteed and will be considered on a case by case basis depending on availability.

HOMEWORK POLICY - GOALS FOR HOMEWORK AT THE MIDDLE SCHOOL LEVEL

In an effort to reduce student stress and respond to the evolving instructional practices, IHMS follows the SRVUSD Board of Education Homework/Make-Up Work Board Policy ([Board Policy 6154](#)). We recognize that homework should prepare students for, and reinforce classroom learning. Please refer to the district website for particulars.

STUDENT SUPPORT TIME

- Wednesdays and Thursdays for 33 minutes.
- Designed to provide students an opportunity to receive reteaching, intervention, enrichment, or time to work on projects, readings, and redos.
- Students have the opportunity to choose different sessions that meet their needs. It also provides an opportunity for teachers to see students outside of their regular classroom activities and give them additional support.
- Weekly sign ups are in Infinite Campus, and students can sign up Friday after school through Monday's homeroom. A closed session means that a teacher assigns a student to a specific student support. This is typically because the teacher has determined that the student needs a little bit of extra practice on a specific skill or make up missed tests.
- Student support time is not one on one teacher tutoring and should not be treated as such. If you feel your student could use more assistance, you may contact the teacher or counselors.
- Students are expected to be productive for the entire 30 minutes.
- Students who fail to sign up for the week's student support time by the end of Monday's homeroom will be assigned to a room with availability. Repeat offenders may be assigned lunch detention or work detail.

Extended Learning Opportunities (ELO)

What is it?

Our Extended Learning Opportunities Program (ELO) is designed to increase the expectations of students who do not complete assignments on time. It is first and foremost an expectation of high academic standards for all students. The goal is to provide support for students, promote responsibility and good study habits. This program will empower students to acquire self-discipline and develop positive work habits. These skills will help students achieve success in our school while preparing them for high school.

Why is IHMS using the ELO program?

The ELO program is formed based on the belief that every student can learn and be successful in school. Based on this belief, we will implement this program to hold ourselves and students accountable for meeting this level of expectations. An important trait an individual can possess when it comes to achieving success is grit. Grit is the ability to persevere and overcome any obstacle in the pursuit of a goal. When students choose to skip an assignment, they lose the opportunity to practice hard work and display their grit. Our program is one more strategy to help a child experience more success in school by building good character and work ethic.

The program is a tiered program:

Tier 1: Students will be assigned to the Lunch ELO program. Supervision and academic support are provided until they have completed their work. If the student chooses not to complete his/her work within the week, they will be moved into the Tier Two intervention.

Tier 2: In addition to the lunch ELO program, students will be required to attend an after-school "Homework Help" class and/or Wednesday mornings from 8:15 to 9:15 am. Parents will be notified of the day and time. Students who do not show up will receive an office referral. If a student continues to choose not to complete his/her work, then he/she will be moved to the Tier Three Intervention.

Tier 3: In addition to the lunch help, after-school "Homework help," and Wednesday mornings, a conference will be held with the student and parents. This conference will be held to discuss ways to get the student engaged in his/her own learning.

Tier 4: The student will be assigned to a Saturday or Sunday for additional support to complete assignments.

ACADEMIC HONESTY

Honest behavior is an expectation at IHMS in order to create and maintain an ethical academic atmosphere in which strong behavioral consequences will be enforced. Teachers will consistently address cheating and plagiarism, including any artificial intelligence, including and not limited to Chat GPT. in their course policies and classroom instruction from the beginning of the academic year. Students are expected to conduct themselves with integrity by refraining from any form of cheating and/or plagiarism as follows:

- I will do my own work. I will not copy another person's work, in whole or in part, and turn it in as my own.
- I will not receive unfair assistance from another student, parent, computer program, or any other unauthorized source on a project that is expected to be completed alone.
- I will keep quiet during tests. I will not talk to a student, look at anyone else's paper, or allow anyone to see my paper.
- I will not consult other unauthorized material for information during tests unless my teacher gives me permission (notes, calculator, electronic storage, etc.)
- I will not plagiarize; I understand that plagiarism is using the words or ideas of other authors in my papers without giving those authors credit.
- I will not communicate exam information or answers during or following an exam.
- I will not retrieve unauthorized information during a closed test.
- I will not turn in an original paper or project more than once for different classes or assignments.

Consequences for Academic Dishonesty will include appropriate disciplinary measures consistent with Board policy and the California Education Code. One or more of the following consequences may occur. Disciplinary consequences will be noted in the student's discipline file.

Consequences include but may not be limited to:

- a. Parent/Guardian contacted by teacher
- b. Zero on assignment
- c. Detention or work detailed assigned

TEXTBOOKS

Students are expected to keep all textbooks in good shape or charges will be assessed for damages. Lost books must be paid for by students before duplicate copies can be issued. The parent is financially responsible for lost, stolen, or damaged classroom and library books. Textbooks must be returned to the librarian to assure clearance of books.

GUEST STAFF MEMBERS

When a staff member is absent, students are expected to be on their very best behavior. They are to follow the instructions and requests of the substitute staff member at all times. Students are to expect that regular classroom procedures may be different, but they are to follow the substitute staff member's directions.

STUDENT ACTIVITIES

At Iron Horse we offer a wide range of co-curricular activities which are open to our students. Participation in these activities helps many students achieve a sense of connectedness with our school. These activities provide students the opportunity to make friends, socialize with a variety of people, and develop a sense of pride which comes from personal accomplishments in school related activities. Student experiences with extra-curricular activities serve as a component to the goal of full intellectual, social, emotional, and physical development. Participation in student activities may be revoked for a period of time due to behavioral/discipline consequences by administration. The offerings of enrichment activities, special events, clubs and sports vary, please refer to the school's website for additional details.

NONDISCRIMINATION IN DISTRICT PROGRAMS AND ACTIVITIES

IHMS, along with the Governing Board, is committed to equal opportunity for all individuals in education. District programs and activities shall be free from discrimination based on gender, race, color, religion, age, ancestry, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation, or the perception of one or more of such characteristics or any other unlawful consideration. The Board shall promote programs that ensure that discriminatory practices are eliminated in all district activities.

STUDENT GOVERNMENT

Students are encouraged to become involved in student government (Leadership). We have elected student body officers and student council representatives. Student government plans class activities and is a great way to get involved.

STUDENT RECOGNITION

Students are recognized for positive behavior in several ways.

- Monthly rewards for demonstrating POWER (Pride, Optimism, Willingness, Empathy, Respect)
- Caught being Good Tickets
- Individual teacher classroom recognition
- School-wide recognition in announcements
- Student of the Month: Teachers will select a student monthly to receive a certificate of recognition and a prize, and their names will be displayed outside of the front office.

SUPER JAGUAR PROGRAM

DANCES

At various times during the year, school dances are held for IHMS students. Dances are usually held on Friday nights from **6:00 - 8:00 P.M.** in our multipurpose room. Dances are for Iron Horse students only. Visitors or guests are not allowed. Once in the dance, students may not leave until the dance is over. Exceptions are only made in emergency situations.

Students must purchase tickets at school prior to the dance. Tickets must be presented with ID for admission to the dance. No tickets are sold at the door. Absolutely no exceptions will be made to this rule. Parents are to pick up students promptly at 8:00 P.M.

School activities waiver form must be signed before attending any school activities, including dances.

**Students may lose dance privileges as a disciplinary consequence.*

6TH GRADE SOCIAL

There is a sixth-grade social at the beginning of each school year to help incoming students feel comfortable and know that they are an important part of the Jaguar Community. The event will be held after school and feature many fun interactive activities. Students will need to purchase tickets before the day of the event.

EXTRA-CURRICULAR PARTICIPATION CODE

The San Ramon Valley Unified School District (SRVUSD) puts a high priority on scholastic achievement, positive personal attitudes and behavior of our students. We consider it a **privilege** to participate in our extra-curricular programs and not a **right**. Therefore, the following set of standards will be enforced for all students representing the SRVUSD on any athletic or extra-curricular activity.

- Eligibility—**The current eligibility policy of the SRVUSD determines a student's eligibility in an extra-curricular program or on an athletic team in the SRVUSD schools. A grade point average of 2.0 in all classes is required.
- Students going from middle school to high school must meet these requirements in order to play any sport as a freshman.**
- Attendance** - The SRVUSD places high priority on class attendance. If a student has an unexcused absence from a class or a combination of classes on the day of an activity, that student may be subject to a coach's/advisor's disciplinary action. Any student suspended on a given day is ineligible to participate in any extra-curricular activity for the length of the suspension.

PARTICIPATION IN 8TH GRADE PROMOTION ACTIVITIES

Iron Horse Middle School is proud to celebrate the promotion of 8th graders to high school by offering different activities and the Promotion Ceremony. Please keep in mind that these privileges are regarded as school activities and, as such, are subject to school policies and rules. Additionally, these privileges can be revoked by the administration for disciplinary and/or academic reasons. Additional information on these policies will be given during the second semester.

**Students who are suspended during the 4th quarter of the school year may lose privileges.*

DIGITAL CITIZENSHIP

PERSONAL ELECTRONIC DEVICES (PED)/MOBILE COMMUNICATION DEVICES (MCD)

Bringing personal electronic devices, including mobile communication devices such as cell phones, iPads, Kindles, and smartwatches, as well as accessories like headphones, earbuds, AirPods, and recording devices, is strongly discouraged. These items are highly attractive targets for theft. **Iron Horse Middle School and SRVUSD are not responsible for any personal electronic devices that are lost, stolen, or damaged at any time.**

In accordance with [BP/AR Policy 5131.8](#) the Governing Board asserts its right to regulate the possession and use of MCDs by students while on school sites and under the supervision of school employees. This authority is granted by California Education Code Sections 48901.5 and 48901.7, as amended by AB 3216.

Mobile Communication Devices (MCDs)

Mobile Communication Devices (MCDs), including phones, smartwatches, and other wearable communication tools, must be turned off or silenced and stored during the school day for all students in preschool through grade 8. Devices should remain out of sight in backpacks or other designated storage and may not be used during class time, passing periods, recess, or lunch.

Middle school students may only use their MCDs during the school day when a teacher gives permission for instructional purposes and with approval from the principal or their designee.

MCDs may not be used in a way that disrupts learning or violates others' privacy. If a student uses a device in an unauthorized way, it may be confiscated and disciplinary action may be taken, especially in cases of repeated misuse. Exceptions may be made for health needs, emergencies, or when required by a student's IEP or 504 Plan, with appropriate documentation.

The district is not responsible for lost, stolen, or damaged devices brought to school. Please use devices responsibly and follow all school rules to support a safe and focused learning environment.

- [BP 5131.8: Mobile Communication Devices](#)
- [AR 5131.8: Mobile Communication Devices](#)

PED's (including district issued Chromebooks) may be used for teacher directed instructional purposes, as determined and posted by teachers. **We want students to interact with their peers, and using PED's throughout campus takes away from that opportunity. Personal devices must be off or silenced, stored in backpacks and are not allowed during the school day without permission from 8:00 am to 2:45 pm.** If headphones of any type are visible, the assumption is that students are using a PED. Not following the PED policy may result in confiscation of devices and/or disciplinary action. All use of devices is subject to the terms of the SRVUSD Acceptable Use Policy.

- Any cell phone that is seen, heard, or used in an unauthorized manner or becomes a classroom distraction while at school or during a school event may be temporarily confiscated by a district employee. Confiscated devices must be picked up by a parent or guardian at the front office.
- Cell phones are **NOT ALLOWED** to be brought to the restrooms during class time.
- A student may also be subject to disciplinary action, in accordance with the law, Board Policy, or Administrative Regulations, for off-campus use of a mobile communication device (MCD) that poses a threat to the safety of students, staff, or district property, or that substantially disrupts school activities.

Parents, please do not call or text students during class, as it can be very disruptive for classes. If you have an emergency and need to reach your student, please call (925)790-2500, and every effort will be made to get your emergency message to your child as soon as possible.

ACCEPTABLE USE OF ELECTRONIC COMMUNICATION

San Ramon Valley Unified School District is committed to helping students learn the responsible use of technology; therefore, the use of digital technology is governed by the district's [Acceptable Use Policy](#). Parents/caregivers and students are reminded that cell phones, cameras, video cameras, websites, and other means of transmitting electronic data can be disruptive and/or harmful with respect to themselves, other students, and staff, as well as the overall school environment. Using MCDs in any manner that infringes on the privacy rights of any other person will be subject to disciplinary action. Policies have been put into place for the safety of all students and staff in regard to device use and are available on the district website [linked here](#), including the

BEHAVIOR GUIDELINES

PHILOSOPHY

In striving to ensure the success of students by pursuing our mission to educate, inspire, and empower students in a safe and equitable learning environment, Iron Horse Middle School staff and parents must work together to support the appropriate behavior necessary at school. Rules and regulations from the school, district, and State of California are strictly enforced to ensure the safety and wellbeing of all IHMS community members. Students must understand that their actions do have consequences when they harm the IHMS community and/or its members, and they will be held accountable with restorative discipline measures. **STUDENTS ARE RESPONSIBLE FOR APPROPRIATE BEHAVIOR, REGULAR SCHOOL ATTENDANCE, AND CONTINUAL STRIVING FOR ACADEMIC AND CO-CURRICULAR SUCCESS.**

EXPECTATIONS FOR APPROPRIATE BEHAVIOR

Students are expected to follow all school and classroom rules and act respectfully when interacting with all IHMS community members. They are not permitted to demean, tease, ridicule, or intimidate others by word, action, or sexual harassment. Always enter and exit classrooms in an orderly manner. Upon arrival in the classroom students should get materials ready, sharpen pencils if necessary, be seated, be quiet, and prepare for the beginning of class.

- Arrive on time and prepared for each class.

- Classes are dismissed by the teacher, not the bell. Remain seated until dismissed.
- A student must have a hall pass when out of class.
- Teasing, racial slurs, bullying, and roughhousing are not tolerated at IHMS. Explanations such as "just kidding," "it was a joke," or "I was just playing" are not acceptable excuses for inappropriate behavior.
- Respect public and private property. Keep all school desks and surrounding areas clean and neat.
- Take good care of furniture, books, restrooms, and other facilities and equipment provided.
- Eat only in assigned eating areas and put trash away when finished. NO GUM at any time.

HARASSMENT/BULLYING

We are dedicated to the prevention of bullying at our school. Bullying goes beyond simple verbal teasing and is an expression of power of one student over another. *Taunting or bullying will not be tolerated. Sometimes friends will claim that they are “just joking” or “just playing”.* It is important to understand that this is never an excuse for hurting another student or students who are witnessing the taunting/bullying. Any student who feels they are being harassed should immediately ask a teacher or adult at school for help. If the behavior persists, it is important to report it again, this time to an administrator. All complaints will be promptly and appropriately addressed.

Types of harassment/bullying include, but are not limited to:

- Physical: Kicking, biting, hitting, spitting, pushing, taking personal belongings, poking, and pantsing
- Verbal/written: Taunting, malicious teasing, name-calling, making threats, and gossiping.
- Psychological: Spreading rumors, manipulating social relationships, exclusion, extortion or intimidation, threats, gestures, and cyber bullying

INAPPROPRIATE USE OF TECHNOLOGY

The expectations are that students should never do anything that harms another student or prevents them from learning. Electronic media includes, but is not limited to: social networking sites, video games, computer games, chat rooms and discussion groups, instant messaging, text messaging, computers, cell phones and personal digital devices, digital cameras, cell phone cameras, and web cams. As new technologies emerge, they too may be included with the above forms of electronic communication. Examples of this behavior include but are not limited to:

- Sending, sharing, viewing, or possessing pictures, text messages, emails, or other material of sexually explicit, graphic, or disruptive nature on any device is prohibited on a school campus.

Bullying of this nature creates a hostile, disruptive environment on the school campus and is a violation of the student's and staff member's right to be safe and secure. Actions deliberately threatening, harassing, or intimidating an individual or group of individuals, placing an individual in reasonable fear of harm or damaging the individual's property; or disrupting the orderly operation of the school will not be tolerated.

CONSEQUENCES - INAPPROPRIATE USE OF TECHNOLOGY

Education Codes [48900.4](#) and [48900](#) (r), strictly prohibit harassment or bullying of any kind and such behavior is subject to the following consequences that can include detention, suspensions, and possible expulsion. If the conduct occurs off school grounds and causes or threatens to cause a substantial disruption at school or interferes with the rights of students or school staff to be secure, school administration may impose consequences. The Administration may also report Cyberbullying or Harassment to the police.

DISCIPLINARY PROCEDURES

When a student is involved in a behavioral infraction, a review of the incident will occur. Administration and staff will assign consequences that strive to be consistent, reasonable, fair, and matched to the severity of the student's misbehavior. In general, consequences are progressive and combined with meaningful interventions, instructions, and guidance with a restorative approach. This allows students an opportunity to connect their misconduct with new learning. Any use of consequences are carefully implemented with defined outcomes in order to provide the greatest benefit.
