For safety reasons; it is essential to follow all drop-off and pick-up procedures.

Please be patient and courteous to ensure the safety of ALL.

Student Drop-Off

- ❖ All students need to be dropped off using the drop-off lanes near the multi-purpose room. No driving/parking in bus or coned off areas.
- ❖ Parents who wish to walk their child to the playground gate may park in the parking lot or on the street.
- ❖ The front office parking area is not a drop-off/pick-up area. Do not leave your car unattended at any time.

Student Pick-Up

- ❖ TK students will be released to their parents/guardians from the classroom (Rm. 1). Kindergarten students will be released in the main quad area behind the double black gates (dismissal area).
- ❖ 1st-8th grade students will walk to the bus area or remain with their teacher at the dismissal area (double black gate) during dismissal.
- ❖ The front office parking area is not a drop-off/pick-up area. Do not leave your car unattended at any time.

Campus Safety:

We are a single entry point school. Picking up your child outside of their classroom is not allowed as this is a safety concern and will cause a delay during dismissal time. Teachers will walk their students to the designated dismissal location. All parents must check into the front office during school hours.

School Bus

Twin Rivers Unified School District offers free busing to primary grade students living more than 1 mile from campus, junior high students living more than 2.5 miles from campus, and high school students living more than 3 miles from campus. Attendance Information

Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and on the job.

Parents/guardians must clear all absences in advance of the absence or upon return to school by calling the attendance office at (916) 566-1910 (Select option #2), by providing proper documentation, or online via Aeries Parent Portal.

A parent/guardian has only **5 school days** to clear an absence before it becomes an unexcused absence.

For students with poor attendance, parents/guardians will first be required to attend a site School Attendance and Review Team (SART) meeting. If absences or tardies continue, parents/guardians will then be referred to the district School Attendance Review Board (SARB) and possibly to the district attorney. If you are having difficulty getting your child/children to school on time, please contact the school attendance clerk at (916) 566-1910.

Early Dismissal

Attending school is vital to student success. Please ensure that appointments are made outside of school hours whenever possible. If this is not possible, you must come to the office and sign your child out. For your child's safety, the office will not release a child to anyone whose name does not appear on his/her emergency card. If the office staff does not recognize the adult, proper I.D. will be required before the child can leave the school grounds.

Independent Studies

If a student must be out of school for five or more days, the parent should contact the school at least three weeks prior so that arrangements for an independent study plan can be made while the student is absent. This will give your child's teacher time to design an independent learning plan while your child is out of school. The work assignments **MUST** be completed upon return to clear the absences accumulated during the time out: if not, the absences will be considered unexcused.

Late Pickup

It is the policy of Oakdale School and the Twin Rivers Unified School District that all students must be picked up from school within a reasonable amount of time. Our School Office closes at 3:30 PM. If your child is not picked up by a reasonable time, TRUSD Police Department may be notified, regardless of any prior notices. We understand things happen and we are willing to work with you and help in any way we can. In those rare instances when you will be late, it is best to call the main office at (916) 566-1910 as soon as possible.

Electronics Policy

We recognize that parents provide their children with cell phones for safety reasons. Therefore, we understand that students may bring their cell phones to school, but not on their person. Once on campus, ALL students need phones to be turned off and remain in their backpack until leaving campus at the end of school day.

TK-8th Grade Policy:

Students can have access to their phones when off campus. Cell phones, Smart watches, and earbuds/headphones **MUST** remain turned off and stowed away during school hours (in backpacks), including recess and lunch. Chrome books can be used during class time, but not in the cafeteria and playground areas.

In an effort to enforce this policy, we will implement the following consequences:

1ST OFFENSE - Teacher takes phone or other electronics until end of the day. Phones or electronics may be taken to the office.

2ND OFFENSE - Students turn phones or electronics into the office until the end of the day, and parents are notified.

3RD OFFENSE - Parents are notified and phone or electronics are picked up by parents.

FINAL OFFENSE - Parent/Student/Office Contract

If a parent needs to get a hold of a student, we ask that you contact the main office (916-566-1910) and we will relay your message to your child. Students who need to make a phone call home will either be via the classroom or the office.

Dress Code

Appropriate dress and grooming contribute to a productive learning environment. The student dress code is intended to create a positive school climate of respect for self and others. If the dress code is unsafe or disruptive to the educational process, students will be asked to change their clothes.

- ❖ Halter tops, bare midriffs, straps less than 2"/two fingers, or spaghetti straps are not allowed.
- ❖ Pants and shorts must be appropriate in length, size, and fit.
- ❖ Distracting clothing and hats and/or inappropriate logos are not allowed.
- ❖ Shoes should be safe enough for P.E. Flip Flops, high heels, and shoes without fronts/back are not appropriate.
- ❖ Pants worn below the waistline are not allowed.
- ❖ Blankets are not permitted.

Closed Campus

To ensure the safety and welfare of ALL students, Twin Rivers has closed campuses.

Oakdale is a single point entry school. Families and visitors are required to check into the office for a visitor's pass before entering campus.

Students are not allowed off campus unless they have an early dismissal. No student is allowed to leave school for lunch. Students are not allowed to order from any outside delivery services and pick up lunch at the street curb.

Parents/guardians are permitted to drop off lunch for their child when necessary. Parents/guardians must come to the front office to drop off the lunch only during your child's designated lunch time. Lunch must be eaten in the cafeteria. (7.5 TRUSD Handbook)

Visitors

In order to help prevent interruptions to student learning, we ask that you make advance arrangements with your child's teacher when you plan to visit. **All visitors must report to the main office and present a picture ID when asked.** [E.C. 49091.10(b)] Parents/guardians will be issued a badge that must be worn while on campus.

Volunteers

TRUSD board policy: 1240 and Educational Code: 45125 requires individuals working with children to be fingerprinted through Twin Rivers. For more information about becoming a volunteer/chaperone, please check the District's website at <https://www.twinriversusd.org/Departments/Human-Resources/VolunteersChaperones/index.html>

Title 1 - Parent and Family Engagement Policy

Oakdale School, with parents and family members, have jointly developed, mutually agreed upon, and distributed to, parents and family members of participating children in Title I, Part A programs the following requirements as outlined in ESSA sections 1116(b) and (c). To read the entire Parent and Family Engagement Policy set forth for Oakdale, visit our school website: <http://oakdale.twinriversusd.org/Family-Resources/index.html>

Medications

A designated school employee will assist students with medication during school hours only upon written request of both the physician and a parent/guardian; detailing the method, amount, and time the medication is to be taken.

Medication will be managed at school for students whose parents and physicians deem it necessary for potentially life-threatening medical conditions or for those who need medication (prescription or over-the-counter) administered during the school day in order to interact appropriately at school. For the safety of ALL, students are not permitted to carry any prescription or over-the-counter medications.

Authorization forms for medication are available at each school office and on the [school website](#). There are forms specific for asthma and severe allergies. Medications must be brought to the school office in their original container. Parents are encouraged to ask the child's physician to prescribe long-acting medication, if possible so that medication does not need to be given at school. (EC 49403 and 48216)

Textbook/Chromebook

Each student is issued sufficient instructional materials (textbooks and Chromebook) in accordance with the law. Students are responsible for bringing the Chromebook fully charged daily and returning borrowed materials in good condition. If materials are lost or damaged beyond repair, students or parents/guardians shall be responsible for the current replacement cost of the materials. In accordance with the law, Board Policy, and Administrative Regulation. (BP 6161.2)
