AGENDA

In order to ensure that members of the public are provided a meaningful opportunity to address the Board on agenda items or non agenda items that are within the Board's jurisdiction, agenda items may be addressed either at the public comment portion of the agenda or at the time the matter is considered by the Board. During the evening many of the Board members will be speaking on various subjects. It should be noted that each Board member expresses only his opinion and not the opinion of the entire Board. The Board shall limit the total time for each agenda item to 20 minutes. Individual speakers will be allowed 3 minutes to address the Board. The Board requests any person wishing to speak fill out a blue card and give it to the Secretary or Board President prior to the meeting. The Board requests complaints or charges against an employee be held in Closed Session. Please note that Government Code Section 54954.2(a) limits the ability of Board Members to respond to public comments. More specifically, Board Members are limited, but not required, to give a brief response to public statements or questions regarding non-agenda items. This meeting is held in an area accessible to the disabled.
