Registration is not the same as enrollment

What is the difference between

1. Enrollment 2. Annual Update 3. Registration

1. Enrollment (District):

When you are a new student/family to the district, you must **enroll** online through the district's website (srvusd.net)

2. Annual Update (District) July 15 - August 9

Returning families will receive an email from **SRVUSD** to complete the **Annual Update before every school year**

This is your opportunity to make the following updates to your student's Infinite Campus information:

Emergency contact phone numbers - Emergency contact email addresses - Home address - Add and/or remove emergency contacts

3. Online & Walk-Thru Registration (School Site) August 8, 4-7pm in our MPR:

If you are already **enrolled/have been enrolled** in the district, you still need to complete your **school's registration every year:**

**** Complete online registration (cces.futurefund.com/registration) ****

- Join us for our **in person Walk-Thru Registration** ! We are excited to see our new and returning students and families!
- Meet our new Assistant Principal, Stephanie Stathatos
- Chat with PTA, Ed Fund members and school staff to answer many of your questions
- Check out our spirit wear
- Although school photos will **NOT** be taken at Walk-Thru Registration this year, be sure to snap a pic with our Cougar, Principal Dave and Assistant Principal Stathatos!
- Learn about the fun and engaging clubs and events we have planned for the 2025/26 school year
