CHICO'S UNHOUSED STRATEGIC PLAN

MOVING FORWARD AFTER THE WARREN SETTLEMENT EXPIRES

Wednesday, November 4 | 6:00PM - 8:00PM | CHICO CITY COUNCIL CHAMBERS
421 Main Street, Chico

The City of Chico is hosting a Community Town Hall Meeting to discuss the City's Unhoused Strategy as we move forward after the Warren Settlement expires.

Community participation will help inform the development of a strategic plan that reflects Chico's unique challenges, priorities, and opportunities. By working together, we can help shape a coordinated and sustainable approach to addressing homelessness and supporting the well-being of our entire community. We encourage all community members to get involved and be part of the conversation. Childcare is not available, but coloring pages and pretzels will be provided to children in attendance. This meeting will be livesteamed via Zoom, visit www.chicoca.gov/unhoused for more information.

MEETING TOPICS INCLUDE:

- Overview of the current landscape and what's changing
