Discussion Items:

Staff Professional Developments- The school has had one lockdown drill. Discussed rekeying the art room so all staff can lock the door and rekeying Miss. Welch's office.

Reunification: Working on moving the site to the Westerner. We will use Infinite Campus for communication from school to the parents.

Traffic Patterns for drop off and pick up- SRO Burtch informed the parents of the changes he would like to make. He has been out here helping implement them and answer any questions.

Sidewalks and Light at Mill and 191- The county wants maintenance of sidewalks and light to partially be the schools responsibility. Mrs. Henderson is trying to figure out exactly what the county is wanting the school to do.

Other concerns or areas of focus- We have submitted one variance for the NO PARKING signs. We haven't heard back from the county yet.
