Did you *know*?

Building teaches children to think in **three dimensions**, and improves **spatial reasoning**!

► How our classes work:

Classes are right on campus

Classes are held on campus, 10 minutes after the bell rings.

All supplies are provided

All building materials are provided and included in the class fee.

A brand new project every week

Instructors photograph your child's projects for viewing online.

We absolutely loved Early Engineers this last school year! My son really looked forward to his class each week. Not only was it fun, but educational as well.
