Aida: My favorite memory playing basketball is having a snowball fight at our pit stop to our playoff game last year.

Aubree: My favorite memory from basketball is making 8 out of 9 three pointers in a row at the Dixon Tournament.

Sophie Moran: My favorite basketball memories range from being put on varsity as a sophomore to having snowball fights with my teammates and going to watch college basketball games that inspired me.

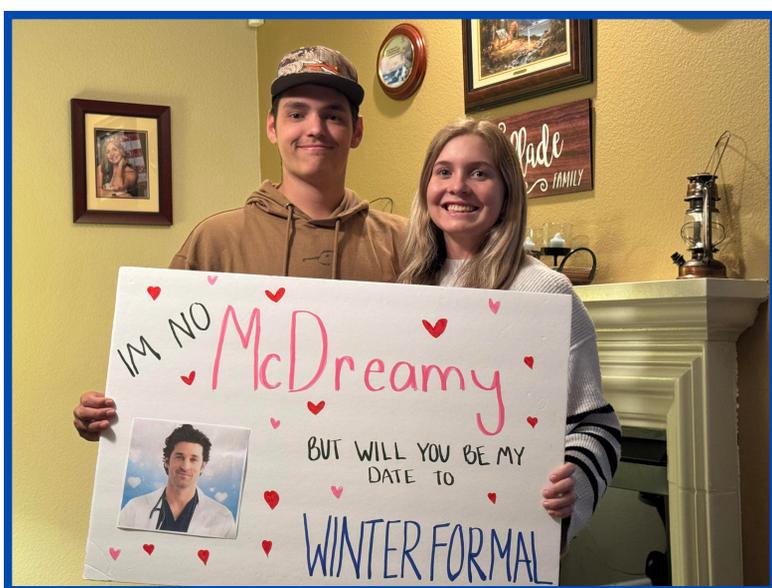

Winter Formal This Saturday

Students planning to attend this year's Winter Formal are encouraged to purchase tickets early, as prices will increase by \$5 at the door. ONLY CASH will be accepted at the door.

We've shared all your song requests with the DJ, so we're looking forward to a packed dancefloor! We will also have another photobooth at the dance where you can take unlimited pictures with friends or your date.

Remember, this is our last dance before Prom in May. Only juniors and seniors can attend prom, so this is the last chance for freshmen and sophomores to hit the dancefloor with friends! We hope to see many of you there!

Sports Update

Soccer has three games this week, with their first game on Tuesday against Corning, where both teams lost in close games. The teams play again today against Oroville at home, so make sure to go and support the girls at 3:30 boys at 5:30.

Girls' Basketball had a big win against Corning at home on Tuesday. The girls won 43-32 and are currently ranked 3rd in league. Be sure to go support them this Friday on their last home game of the regular season against Live Oak. Varsity starts at 7:30 so be sure to go and support the ladies on their SENIOR NIGHT.

Boys Basketball had a big win against Las Plumas last Friday at home. The Dawg Squad was LOUD, thanks in part to the ESPN tables! They did a great job supporting the Bulldogs and getting the crowd going. We want to keep those vibes going! The boys also won this Tuesday against Corning, defeating them 53-31. They are currently second in league, just behind Oroville.

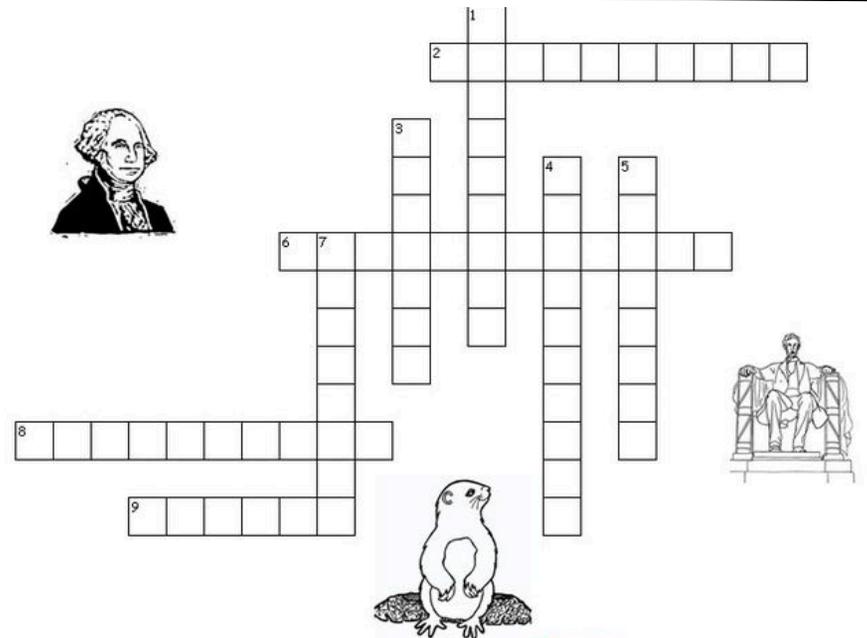

Spring Sports Conditioning

A lot of our spring sports have started preparing for their seasons this week! The last softball conditioning is next Wednesday, from 2:30 to 4:30. Track practice started this Monday. If you're interested in running track, come out to the track from 4-6. Anyone interested in playing boys tennis, practices are on the tennis courts every day from 3:30-5:30. Boys volleyball started their open gyms this week. Contact Mrs. Ayon if you are interested. This is your time to get involved if you'd like to play a sport this season!
