**GENERAL ANNOUNCEMENTS**

1. Dear Seniors:

Congratulations on reaching this exciting milestone!

As you prepare for graduation and life beyond high school, please be aware that your **school email account will be deactivated one week after the last day of school.**

If you have any important files, emails, or documents stored in your school account that you'd like to keep, make sure to **back them up before your account is closed.** You can:

- **Email files to your personal email address, or**
- **Save them to a USB flash drive or external storage device**

After your account is deactivated, you will no longer have access to your school email or any files linked to it.

Don't wait until the last minute—take a few minutes now to save anything you'll need for college, work, or personal use.

Wishing you all the best in your next chapter!"

2. Seniors – if you know where you want your official transcript sent, scan the QR code in the counseling office. See Yolanda if you have any questions.
3. Reminder students! Work permits expire when school is out! If you plan on working during the summer, come get a new work permit from the counseling office.
4. Avoid having to repeat a class next year! If you have failed a class, please see your counselor to sign up for summer school ASAP. If you would like to raise a D grade, you can also do that through summer school.
