TÍTULO I POLÍTICA DE PARTICIPACIÓN DE PADRES Y FAMILIAS Escuela Primaria Hagginwood

La escuela primaria Hagginwood ha desarrollado una política escrita de participación de los padres de Título I con el aporte de los padres de Título I. Esta política fue desarrollada con la representación del grupo de padres y el personal. La política se distribuye a los padres en *AERIES Communicator*, se envía a casa con los estudiantes y se publica en nuestra página web de la escuela. La política describe los medios para llevar a cabo los requisitos de participación de los padres del Título I [20 USC 6318 Section 1118(a)-(f) inclusive].

PARTICIPACIÓN DE LOS PADRES EN EL PROGRAMA TÍTULO I:

Para involucrar a los padres en el programa Título I de la escuela primaria Hagginwood, se han establecido las siguientes prácticas:

- **La escuela convoca una reunión anual para informar a los padres de los alumnos del Título I sobre los requisitos de este Título I y sobre el derecho de los padres a participar en el programa.**
>Los padres de la escuela primaria Hagginwood son informados sobre los requisitos del Título I de la escuela y sobre el derecho a participar en el programa en nuestra Noche Anual de Regreso a la Escuela. El director revisa los derechos y requisitos a través de una presentación en Power Point.
- **La escuela ofrece un número flexible de juntas para los padres del Título I, como juntas por la mañana o por la tarde.**
>Se ofrecen reuniones flexibles para padres durante los eventos mensuales de participación de padres y familias. Algunos padres del Título I forman parte del Consejo Escolar y del Comité Asesor de Padres de Aprendices de Inglés.
- **La escuela involucra a los padres de los estudiantes del Título I de una manera organizada, continua y oportuna, en la planificación, revisión y mejora de los programas del Título I de la escuela y la política de participación de los padres del Título I.**
>Se recaban las aportaciones de los padres en las reuniones sobre las necesidades de los alumnos del Título I. Los padres son una parte integral del desarrollo del Plan Único para el Logro Estudiantil (SPSA). El SSC y el Comité ELAC llevan a cabo evaluaciones formales de las necesidades durante cada ciclo escolar, y estas se utilizan para desarrollar las metas y estrategias incluidas en el SPSA.
- **La escuela proporciona a los padres de los estudiantes del Título I información oportuna sobre los programas del Título I.**
>Se informa a los padres sobre los programas del Título I en las juntas, las noches familiares y la correspondencia escrita enviada a casa con los estudiantes y a través del Comunicador AERIES.
- **La escuela proporciona a los padres de los alumnos del Título I una explicación del plan de estudios utilizado en la escuela, las evaluaciones para medir el progreso de los estudiantes y los niveles de competencia que se espera que alcancen los alumnos.**
>Los padres son informados acerca del currículo/plan de estudios, las evaluaciones, el progreso de los estudiantes y la competencia en las Noches de Regreso a la Escuela, informes del progreso de mitad de trimestre, conferencias de padres, boletines de calificaciones y Open House. También se celebran reuniones del Equipo de Apoyo al Estudiante SST y las juntas de los IEP para los estudiantes en situación de riesgo y con necesidades especiales.
- **Si lo solicitan los padres de los alumnos del Título I, la escuela ofrece oportunidades para celebrar reuniones periódicas que permitan a los padres participar en las decisiones relacionadas con la educación de sus hijos.**
>Los padres pueden contribuir a las decisiones relacionadas con la educación de sus hijos en las reuniones de padres y maestros, reuniones con el director, el subdirector, el equipo de apoyo a los estudiantes y/o reuniones con el maestro del equipo de apoyo al estudiante, cuando sea posible.

CREAR CAPACIDAD DE PARTICIPACIÓN:

La escuela primaria Hagginwood involucra a los padres del Título I en interacciones significativas con la escuela. Apoya una alianza entre el personal, los padres y la comunidad para mejorar el rendimiento académico de los estudiantes. Para ayudar a alcanzar estas metas, la escuela ha establecido las siguientes prácticas:

- **La escuela proporciona a los padres del Título I asistencia para comprender los estándares de contenido académico del Estado, las evaluaciones y cómo supervisar y mejorar el rendimiento de sus hijos.**
>Los estándares de contenido académico del Estado y las evaluaciones son explicadas a los padres por el maestro del salón de clase en la Noche de Regreso a la Escuela y en las conferencias de padres y en las noches familiares. Con la ayuda del maestro los padres reciben asistencia en cómo supervisar y mejorar el logro de sus hijos. Los maestros proporcionan a los padres información continua sobre la evaluación y el rendimiento de los estudiantes a través del Comunicador AERIES, en los informes del progreso de mitad de trimestre y en las boletas de calificaciones. La supervisión, el seguimiento y la mejora de los logros de los estudiantes también se comentan en las reuniones del Equipo de Apoyo al Estudiante, las reuniones del IEP y en la Comunidad de Aprendizaje Profesional quincenal.
- **La escuela proporciona a los padres del Título I materiales y formación para ayudarles a trabajar con sus hijos para mejorar el rendimiento de estos.**
>Los padres del Título I reciben formación y materiales para trabajar con sus estudiantes en las Noches de Regreso a la Escuela, noches familiares, así como conferencia de padres y maestros, reuniones del Equipo de Apoyo al Estudiante y reuniones informales de padres con el maestro.
- **Con la asistencia de los padres del Título I, la escuela educa a los miembros del personal sobre el valor de las contribuciones de los padres, y cómo trabajar con los padres como aliados igualitarios.**
>La participación de los padres es un enfoque del personal y los maestros del salón para involucrar a los padres en la educación de sus hijos. El director y el personal anima a los padres a participar como voluntarios.
- **La escuela coordina e integra el programa de participación de los padres del Título I con otros programas y lleva a cabo otras actividades, como los centros de recursos para padres, para animar y apoyar a los padres a participar más plenamente en la educación de sus hijos.**
>Los padres de los estudiantes del Título I son algunos de los mismos padres que forman parte del Consejo Escolar y del Comité de Padres Asesores de Aprendices de Inglés. La mayoría de las actividades escolares, eventos, recursos y apoyos son para todos los padres de los estudiantes en la escuela.

TITLE I PARENT AND FAMILY ENGAGEMENT POLICY Hagginwood Elementary School

Hagginwood Elementary has developed a written Title I parental involvement policy with input from Title I parents. This policy was developed with parent body and staff representation. The policy is distributed to parents in AERIES Communicator, sent home with students, and is posted to our school website. The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

INVOLVEMENT OF PARENTS IN THE TITLE I PROGRAM:

To involve parents in the Title I program at Hagginwood Elementary, the following practices have been established:

- **The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program.**
>The parents at Hagginwood Elementary are informed about the school's Title I requirements and the right to be involved in the Title I program at our annual Back-to-School Night. The principal reviews the rights and requirements via a PowerPoint presentation.
- **The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening.**
>Flexible parent meetings are offered during monthly Parent & Family Engagement events. Some Title I parents are a part of the School Site Council and English Learner Advisory Committee.
- **The school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**
>Information is gathered at parent input meetings regarding the needs of the Title I students. Parents are an Integral part of the development of the Single Plan for Student Achievement (SPSA). The SSC and ELAC conduct formal needs assessments during each school year, and these are used to develop the goals and strategies included in the SPSA.
- **The school provides parents of Title I students with timely information about Title I programs.**
>Parents are informed about Title I programs at meetings, Family Nights, and written correspondence sent home with students and through AERIES communicator.
- **The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.**
>Parents are informed about curriculum, assessments, and student progress and proficiency at Back-to-School Nights, Mid-Trimester Progress Reports, Parent Conferences, Report Cards, and Open House. Student Study Team and IEP Meetings are also held for at-risk and special needs students.
- **If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**
>Parents can contribute to decisions related to the education of their child at parent-teacher conference, meetings with the Principal, Vice Principal, Student Study Team, and or meetings with the Student Support Teacher, when possible.

BUILDING CAPACITY FOR INVOLVEMENT:

Hagginwood Elementary engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

- **The school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children.**
>The state academic content standards and assessments are explained to parents by the classroom teacher at Back-to-School Night and Parent Conferences and at Family Nights. Parents are provided with assistance in how to monitor and improve the achievement of their children with assistance from the classroom teacher. Teachers provide ongoing student assessment and achievement information to parents in AERIES Communicator, Mid-Trimester Progress Reports and Report Cards. The monitoring and improvement of student achievement is also discussed in Student Study Team meetings, IEP meetings and Professional Learning Community bi-weekly collaboration meetings

>Parent Involvement is a focus of the staff and classroom teachers to engage and involve parents in their child's education. Parents are encouraged by the principal and the staff to volunteer.
- **The school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**
>Parents of Title I students are some of the same parents that are part of the School Site Council and English Language Advisory Committee. Most of the school activities, events, resources and support is for all parents of students on campus.

School Plan for Student Achievement (SPSA)

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California’s ESSA State Plan supports the state’s approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state’s Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Hagginwood Elementary for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required, and this section may be left blank and completed at the end of the year after the plan has been executed.

Analysis

Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.

Goal 1: The strategies and actions listed in the 2024-25 SPSA were implemented. The Student Support Teacher (.6FTE) position provided small group instruction using SIPPS, students will show growth in ELA based off of pre/post assessment data. Funding was reallocated to promote access to literary and reference materials within the classroom and library. Additionally, the WIN (ELA intervention) program aquired additional support materials/resources: SIPPS, Haggerty, ReadyReaders in order to address the identified needs in early literacy, vocabulary, and comprehension.

Describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences. Funding for technology was not necessary and therefore funding was shifted to support access to literacy through classroom and library supplemental and reference materials.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goal remains unchanged. The strategies/activities will add math/ELA software to address supplemental needs, funding to support Equity Multiplier grant will be added, and Funding for Professional Development will increase.
