

CLINIC & COUNSELING CONSENT FORM

As a parent/guardian, you now have to opt-in and may opt-out of certain health-related services we offer students. This pertains to things like administering over-the-counter medications or counseling services. Parents cannot opt out of emergency responses or general caretaking services, but without your guidance on non-emergency health issues, our nurses can't take certain actions when a health-related situation arises.

01

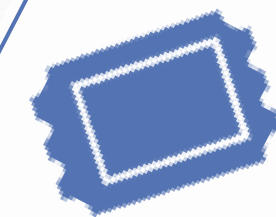

LOG IN TO SKYWARD FAMILY ACCESS

<https://skyward.neisd.net/Students/Quicklinks/Skyward-Family-Portal/>

02

FIND THE TICKET ICON

Look for the ticket icon labeled Clinic and Counseling Consent, click to open

Clinic and Counseling
Consent
Use this form to make
selections for your child
