

9/11/2025 -Food Service Report – Mike Bottarini, Director of Food Services.

The Food Service team has hit the ground running in the first few weeks of the new school year without 2 employees who are out on maternity leave. I'm very proud of their hard work and dedication to feeding the students and coming together as a team.

ADP – Average daily participation (% of students enrolled who participated)

News

New serving equipment and reusable trays at WIS have been a success so far. We are still ironing out some kinks and storage issues / concerns. Thank you to my team, site administrators, yard duties and custodians for assisting with this new process.
