

Data Confirmation Starts on August 1, 2025!

We're excited to kick off the 2025-2026 school year on Tuesday, August 19th, 2025!

The Aeries Parent Portal is a key tool for tracking your child's attendance, grades, and school communications. As part of the annual Data Confirmation process, we need your assistance to ensure we have the most accurate and up-to-date information for your student. Returning families should review and update emergency contacts, district policies, and required forms.

Please complete the Data Confirmation process for each of your students, which includes the Household Income Survey. This survey helps secure \$109 million in funding for important student programs such as field trips, art, music, smaller kindergarten classes, additional support staff, and more.
