

BCOE After School Program at Palermo District

Palermo District is in partnership with the Butte County Office of Education – Expanded Learning Programs to provide after-school programming to students. The program provides an opportunity for students to participate in academic assistance and enrichment activities in a safe and supportive environment. The program starts when the final bell rings and remains open until 6:00 p.m. The program is offered every day that school is in session; serving students in grades TK – 8th. If you are interested in enrolling your student in the program, registration forms are available at the school office or from the After School Program Site Coordinator.
