LEVEL 4 GROUP

Parents actively participate in a range of exercises to learn about the causes of child behavior problems, setting specific goals, and using strategies to promote child development, manage misbehavior, and plan for high-risk situations.

REGISTRATION

*Space is limited to
12 participants*

For more information, please call 530.538-7124

The Butte County Department of Behavioral Health Family - Centered Early Intervention Services utilize evidence-based family skills training programs and parenting support practices designed to increase resilience and reduce risk factors for behavioral, emotional, academic and social problems. Interventions are intended to increase the knowledge, skills, and confidence of parents/caregivers, while promoting the development of non-violent, protective, and nurturing environments for children.
