What is the purpose of Title 1 Part A?

Title 1 funds can be used to supplement a schools existing programs. How NEISD uses Title 1 Part A...

- Purchasing supplemental: staff, programs, materials, and supplies
- Identifying students experiencing academic difficulties and providing support and assistance to help students meet the State's challenging content standards.
- Support learning through Parent and Family Engagement, meetings, trainings, and other activities linked to learning.

Title 1 Family Engagement District Policy

- Encouraging your child to put a high priority on education and working with your child to utilize the educational opportunities NEISD provides.
- Ensuring that your child participates in school, ready to learn every day, completes all homework assignments, and attends tutoring as needed.
- Becoming familiar with your child's academic programs, school activities, extra-curricular activities, and special programs offered at your campus and within the district. District/campus websites and school personnel are great resources.
- Reviewing the requirements of the graduation programs and post-secondary options with your child once they enter middle school.
- Monitoring your child's academic progress by building a relationship with your child's teachers and participating in ongoing communication regarding decisions about student performance, instructional programs, and campus policies.
- Attending scheduled conferences and requesting additional conferences as needed.
- Serving as a parent representative on a district-level or campus-level planning committee. To volunteer, please contact the school office.
- Participating in the Family Engagement Leadership Academy and attending the Annual Family Engagement Training.

State Compensatory Education (SCE)

What is the goal of State Compensatory Education (SCE)?

The goal of the SCE program is to provide funding to **reduce disparity in performance on assessment instruments or disparity in the rates of high school completion** between educationally disadvantaged students, at-risk students, and all other students.

What is the purpose of State Compensatory Education (SCE)?

The purpose of the SCE program is to increase academic achievement and reduce the dropout rate for these students by providing **supplemental programs and services. Services provided to these students must be described in the district and campus improvement plan.**
