

MAXWELL UNIFIED SCHOOL DISTRICT

Math Integrated 2 (Grade 10)

Teacher: Lovely Shena M. Repolido

Contact/ email add: lrepolido@maxwell.k12.ca.us

Course Goals:

- Gain proficiency in quadratic functions and equations.
- Explore advanced geometric concepts, including transformations and the properties of circles.
- Introduce students to basic trigonometric concepts.

Course Description: Math Integrated 2 continues to build on the concepts from Math Integrated 1, focusing on quadratic functions, advanced geometry, and introductory trigonometry. This course is aligned with the California Common Core Standards and prepares students for Math Integrated 3.

Grading System:

- **Participation and Classwork:** 20%
- **Homework:** 20%
- **Quizzes and Tests:** 40%
- **Final Exam/Project:** 20%

Doing Their Work Policy:

- **Expectation:** Students are responsible for completing all assignments on time. Late work will receive partial credit if submitted within one week of the due date.
- **Support:** Additional help is offered during office hours, and students are encouraged to ask questions and help.
- **Grade Tracking:** Students must keep track of their grades and overall progress. If you see that you are not doing well, please come and see me right away so we can address any issues.

Classroom Responsibility:

- **Behavior:** Students are expected to respect their peers and the teacher, participate actively in class, and follow all classroom rules.
- **Materials** Students should bring their textbook/Chromebook, notebook, and writing tools to each class. If the students come to school unprepared like no pencils/pen, they can borrow pencil but they have to trade it with their phone. Calculators will be provided for relevant activities.

No Cellphone Policy:

- **Policy:** Cellphones are not permitted during class. Phones must be turned off and stored in the lock box before bell, retrieve after classes. Failure to comply will result in the confiscation of the phone.
- **Calculator Provision:** Calculators will be available for use during class, so there is no need for cellphone use for calculations.

Binder/Notebook:

- Students are required to keep all classwork, notes, and handouts organized in a dedicated binder or notebook. This will help in maintaining a well-organized collection of all the materials covered in class.

Homework:

- Homework assignments will be posted on Google Classroom. Students must complete their homework as directed, but also write out complete solutions or proofs on separate sheets of paper.
- These completed solutions or proofs must be kept in their binder or notebook.
