

The Hartland Early Learning Center Position

The Hartland Early Learning Center is looking to add qualified support staff to our childcare team.

We are looking for staff to join our childcare classrooms with ages ranging from infant through age three. Responsibilities include creating and maintaining a structured and safe environment for all children through positive interactions and fostering play. Applicants must be comfortable caring for multiple children at once in a busy environment. The chosen applicants will be ones who work well with other staff members, create positive relationships with children and parents, and understand best practices for early childhood development.

The center is open from 6:00am to 6:00pm Monday through Friday year round. Working hours may be flexible within these hours. The center is open on some days when Hartland Schools is closed. Full and part time positions are available.

Necessary training will be provided for you. Experience is preferred.

Please contact Jessica Pasienza at the Early Learning Center if you are interested in applying for one of these positions.
