Athletic Events	Detention

The STEM Club is offering a Robotics workshop today at lunch in room B13.

Work permits obtained over the summer will expire on Monday, August 17th. Students who still plan on working at their current job will need to renew their work permits. Applications can be picked up in the main office. Once your application is completed turn it into Mrs. Love in the office. Please allow 24 hours for processing.

Fall baseball practice will begin for anyone not playing a fall sport Monday August 17th at 3:30 on the Varsity baseball field. Any questions see Coach Peterson in room B6.

Cross country practices will start on Monday August 17th at 3:30 at the benches/overhang near the south gym. Please come out if you are interested or curious about running with us.
