Beginning the week of **April 13th**, students in grades 3-8 at LAS will begin state testing. To ensure a smooth testing process, we recommend that students leave smart devices at home. However, if students bring electronic devices (including smartwatches) to school, they will be collected and securely stored during testing. These devices will be returned once testing for the day is complete. For specific testing dates for your child's class, please contact their teacher. If you would like more information on mandated state testing, please visit the [LAS website](#) for more information.

To ensure student safety and supervision, the Language Academy is a closed campus.

Once a student arrives on the school grounds, she/he must remain on campus until the end of the school day unless she/he leaves with a parent/guardian or authorized designee. If you would like your child(ren) to wait for you after school outside the LAS campus or walk home, you must provide the Executive Director with written consent

If a student leaves school grounds without this permission, the student is considered truant and is subject to disciplinary action.

### (REPEAT) Attention 6th grade parents

As we prepare for the 26/27 school year, please be informed that California law required students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education. For questions regarding this requirement, please contact [Ms. Karina](#) in the LAS office.
