VOILÀ! is a historical adventure set in 18th century France. Based on a true story, VOILÀ! Follows the tale of exploited lace-makers in Lunéville under the dictatorial reign of Duke Leopold of Lorraine (1679-1729). Running time will be 30 minutes and include our signature student documentary! It premiered in Lunéville, France, in June 2025. The film also showcases major animation advancements designed by Nick Keeline and Super Alloy Interactive, a motion capture studio in Las Vegas. Ben and MaryAnn Keeline, teachers at Cottonwood Creek Charter School, have been producing collaboration films with schools around the world for over ten years.
