By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## School Description and Mission Statement (School Year 2024–25)

Feather River Academy (FRA), established in 2005, is one of two county community schools in Sutter County under the Sutter County Superintendent of Schools. FRA is a specialized program aimed at supporting students who face challenges in traditional high school and middle school environments. By providing an individualized and supportive educational setting, FRA caters to students referred from Sutter, Yuba, and Colusa counties due to expulsion, probation involvement, or personal choice.

FRA's mission emphasizes fostering a nurturing, inclusive, and innovative environment that promotes academic achievement, personal growth, and preparation for life beyond school. The academy actively celebrates and respects cultural diversity, instilling integrity, respect for self, and consideration for others. The curriculum and classroom practices are designed to develop intellectual and social competencies. Students are encouraged to engage in critical thinking, problem-solving, and collaborative learning experiences that connect academic concepts to real-world applications.

To reinforce these goals, FRA integrates several evidence-based frameworks into its daily operations:

1. **Positive Behavioral Interventions and Supports (PBIS):** A proactive approach that promotes positive behaviors, encourages accountability, and fosters a respectful and supportive school climate.
2. **Restorative Practices:** Tools and strategies designed to strengthen relationships, resolve conflicts constructively, and build a sense of community by emphasizing communication, empathy, and mutual understanding.
3. **Professional Learning Communities (PLCs):** A collaborative model where educators work together to analyze data, share strategies, and implement practices to address student needs effectively. This collective effort ensures that teaching methods are continually improved and aligned with students' diverse learning styles.

FRA's teaching philosophy centers on relevance and engagement, helping students see the connection between their education and daily lives. The academy aims to equip students with the skills and knowledge necessary to navigate life's challenges and contribute positively to society. By fostering a strong academic foundation and character development, FRA prepares its students to be ethical, literate, responsible, and contributing members of their communities. This comprehensive approach ensures that every student is empowered to achieve their full potential.

#### Mission Statement:

Feather River Academy's mission centers on fostering an inclusive and supportive environment where students and families feel connected and valued. By emphasizing healthy relationships and a diverse curriculum, FRA prepares students to navigate a dynamic world and engage in lifelong learning. The school aims to meet its diverse community's unique academic, cultural, and social needs while equipping students with the skills to thrive personally and contribute positively to society.

#### Vision Statement

- Develop relationships among students, families, staff, and peers that emphasize respectful and responsible behavior in all endeavors.
- Provide a focused alternative academic program that is driven by individual student goals.
- Teach healthy coping skills and emotional competence to help students become healthy, functional adults.
- Prepare students for a successful personal and professional future through skill-building and work-readiness programs.
- Promote an inclusive school environment where students will be provided physical, cultural, social, and emotional safety.

- The administration and staff have high expectations for our students and strive to allow them to return to the comprehensive high school or graduate from FRA. We strive to provide caring, support, and encouragement.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	1.90	44.94%	23.10	45.82%	228366.10	83.12%
Intern Credential Holders Properly Assigned	0.00	0.00%	0.90	1.96%	4205.90	1.53%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00%	7.00	13.83%	11216.70	4.08%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	2.30	54.82%	4.90	9.72%	12115.80	4.41%

Total Teaching Positions	4.20	100.00%	50.60	100.00%	274759.10	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

?

Feather River Academy is proud to announce its excellent performance on the **Facility Inspection Tool (FIT) assessment**, achieving an overall **98% (Good)** rating. This rating reflects the school's commitment to providing students, staff, and visitors with a safe, clean environment.

The assessment indicates that FRA facilities are adequately maintained and in good repair. While a few non-critical deficiencies were identified during the inspection, these issues are isolated, stemming from minor wear and tear typical in any operational school setting. Efforts are underway to address and mitigate these concerns promptly to ensure the continued safety and functionality of the campus.

FRA remains dedicated to maintaining high standards for its facilities, creating a positive and welcoming environment that supports student learning and well-being.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

<b>Subject</b>	<b>School 2022– 23</b>	<b>School 2023– 24</b>	<b>District 2022– 23</b>	<b>District 2023– 24</b>	<b>State 2022– 23</b>	<b>State 2023– 24</b>

Mathematics (grades 3-8 and 11)	--	0%	11%	11%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2023–24)**

Career Technical Education (CTE) Programs (School Year 2023–24)

FRA offers two primary avenues for CTE education:

1. **Edgenuity Online CTE Courses**

- Through Edgenuity, students engage with a broad catalog of relevant CTE courses. These courses cover:
  - 16 Career Clusters
  - 11 Career Pathways
  - 17 Certification Pathways
- Multi-year support is provided for high-demand, high-interest careers, and job certification readiness.

2. **Sutter County Superintendent of Schools CTE Program**

- FRA students also benefit from the Sutter County CTE program, which serves Sutter, Yuba, and Colusa counties.
- This program offers 15 Career Pathways, allowing students to explore various high-quality courses in areas relevant to in-demand and high-interest careers.
- On-site and community-based courses are available to provide practical, hands-on experiences aligned with career goals.

**Standards-Based and Certified Instruction**

The Edgenuity platform and the Sutter County CTE program provide standards-based CTE courses, ensuring students receive quality, certified instruction tailored to their career interests. This comprehensive approach prepares FRA students for future success by combining academic rigor with career readiness.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2024–25)

At Feather River Academy, we strongly believe in fostering meaningful parental involvement in all aspects of their child's education. Parents play a crucial role in supporting student success, and we strive to create opportunities for engagement and collaboration.

#### Orientation and Communication

The process begins with an **orientation meeting** where parents, the principal, the school counselor, and the probation officer discuss key aspects of the student's placement. This includes reviewing the student's academic status, credits, course of study, attendance expectations, and behavior standards.

Throughout the student's time at FRA, the **principal and teaching staff maintain regular communication** with parents via:

- Phone calls
- Parent Square (communication platform)
- Email
- In-person meetings

These methods inform parents about their child's progress, challenges, and achievements.

#### Campus Activities and Events

Parents are invited to participate in school activities that strengthen the bond between families and the school. These include:

- Assemblies
- Breakfast events
- Classroom visits
- Graduation ceremonies
- Back to School
- Community Fair

Such events allow parents to connect with staff and celebrate student milestones.

#### Encouraging Feedback and Engagement

Parents are encouraged to share their concerns, ask questions, and collaborate with teachers. FRA staff actively seek input during orientation meetings and throughout the student's tenure to better understand parental perspectives and address concerns.

## Site Council and Committees

The FRA **site council** reviews essential school documents, assesses program needs, and provides input on funding priorities. While forming additional parent committees remains challenging due to the transient nature of our student population, diligent efforts are ongoing. During orientation, parents are encouraged to identify activities of interest to them or their child to foster greater involvement.

## Commitment to Parent Partnership

FRA values its partnership with parents and works tirelessly to engage them in meaningful and impactful ways. We believe this collaboration is essential for creating a supportive academic and personal environment where students can thrive.

## School Safety Plan (School Year 2024–25)

The Feather River Academy (FRA) Safety Plan, reviewed in November 2024 by the Sutter County Superintendent of Schools Safety Committee, is a comprehensive framework to manage and respond to emergencies effectively while school is in session. The safety plan emphasizes the importance of preparedness, structured response, and recovery, aiming to protect students' and staff' lives, safety, and property.

### Key Objectives:

1. **Life and Property Protection:** The foremost goal of the safety plan is to safeguard the well-being of students, staff, and the school environment during emergencies.
2. **Mission-Specific Guidance:** The safety plan provides Feather River Academy-specific guidance to personnel, ensuring clarity in roles and responsibilities across all stages of emergency management—preparedness, response, and recovery.
3. **Emergency Preparedness Mission Statement:** It articulates FRA's commitment to maintaining readiness, swiftly addressing emergencies, and recovering efficiently.
4. **Emergency Operations Centers (EOC):** The safety plan identifies primary and alternate EOC locations and pre-planned command post sites, ensuring flexibility and coordination during emergencies.
5. **Critical Facilities:** It outlines the locations of essential infrastructure within the school, streamlining resource allocation and crisis management.
6. **Timely Recovery:** A critical focus is placed on business continuity and rapid restoration of services to minimize disruption.
7. **Resumption of Activities:** The safety plan prioritizes the swift return to normal outdoor school activities to foster a sense of normalcy and stability.

### Alignment with Established Systems:

The FRA Safety Plan is aligned with California's **Standardized Emergency Management System (SEMS)** and the U.S. Department of Homeland Security's **National Incident Management System (NIMS)**. This ensures that the procedures and response strategies are consistent with state and national standards, facilitating effective coordination with external agencies and resources.

### Features:

- **Standardized Procedures:** The safety plan provides explicit and systematic procedures to prepare for and respond to emergencies, ensuring consistency and reliability.
- **Collaboration and Coordination:** The safety plan fosters a unified approach to managing crises by leveraging school and community resources.
- **Focus on Restoration:** Emphasizing quick recovery, the safety plan underscores the importance of promptly resuming school operations and

outdoor activities after an emergency.

**Types of Services Funded (Fiscal Year 2023–24)**

Feather River Academy provides a well-rounded educational environment supported by a dedicated team and enriching programs to foster academic success, personal growth, and student safety.

**Classroom Support:**

Each academy's four classrooms benefit from the combined expertise of a credentialed teacher and a paraeducator. This pairing ensures students receive high-quality instruction and personalized support, creating an effective and inclusive learning environment.

**Student Outreach and Support:**

Student outreach and attendance personnel are pivotal in promoting student engagement and campus safety. By providing transportation and serving as a trusted adult presence on campus, they strengthen connections with students and support staff, fostering a safe and positive atmosphere.

**Counseling Services:**

Students can access a counselor to address their academic goals and social-emotional well-being. This resource is vital in helping students navigate challenges, develop resilience, and achieve personal and educational milestones.

**Arts and Cultural Enrichment:**

Partnerships with Yuba Sutter Arts and Culture offer students opportunities to engage in creative expression through art programs. These experiences enhance students' artistic skills and contribute to their overall emotional and social development.

### **Career and Technical Education:**

A **Career and Technical Education (CTE) teacher** provides specialized instruction in career readiness and culinary arts, equipping students with practical skills and preparing them for future educational and vocational pathways.

Professional Development

FRA is engaging staff in comprehensive professional development for the 2024-2025 school year. The focus includes:

- 1. Professional Learning Communities (PLCs):** Encouraging collaboration among staff to analyze student data, share effective practices, and plan strategies to improve learning outcomes.
- 2. Restorative Practices:** Building a culture of accountability and trust by fostering constructive communication and conflict resolution, strengthening relationships among students and staff.
- 3. Positive Behavior Interventions (PBIS):** Enhancing behavioral support systems that encourage and reward positive student behavior to create a conducive learning environment.
- 4. Best Teaching Strategies:** Refining instructional methods to ensure high-quality teaching and learning by incorporating evidence-based approaches and innovation in pedagogy.
- 5. Continuous Improvement Project:** Encouraging staff to engage in reflective practices and iterative processes to identify areas for growth, set measurable goals, and sustain improvements in their professional practices and student outcomes.
