VICE PRINCIPAL'S MESSAGE

We hope you enjoy a restful and joyful spring break, April 6 - 10, and that it provides a wonderful opportunity to spend quality time together as a family. We look forward to welcoming our students back on Monday, April 13th, refreshed and ready for a strong finish to the school year.

As we begin planning for the 2026–2027 school year, families of returning students will soon be asked to complete the online re-registration process through the Aeries Parent Portal. Additional information will be shared in the coming weeks. Families enrolling Transitional Kindergarten or Kindergarten students should complete the online registration and submit all required documents to their school of residence.

Spring is an exciting time on campus, and we look forward to all that the coming month will bring. As always, please visit our [website](#) or [Facebook page](#) to stay informed about the latest news and upcoming events.

SUCCESS SKILL – PROBLEM SOLVING

This month, we will be learning about solving our problems. One way to do this is by following the STEP procedure.

1. S - Say the Problem
2. T - Think of Solutions
3. E - Explore Consequences
4. P - Pick the Best Solution

Dr. Fay, Love and Logic expert, says it best, “I want my kids to have a healthy self-concept. Therefore, I let them struggle and work to solve many of their own problems.”
