

## Monday, January 26, 2026

Please stand for the Pledge of Allegiance:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands: one Nation under God, indivisible, with Liberty and Justice for all.

### **INFORMATION:**

Seniors: Ultimate Grad will be in The Perch TOMORROW (1/27). Bring any & all orders & questions about your caps & gowns to Mr. Grauel on Jan 27th at lunchtime.

Dance Tickets: Go online to our school website to buy Winter Homecoming Tickets through The Perch. A paper ticket will be required for dance entry. You will pick these up at student store once all fees & fines are cleared. Please check your Aeries account to find out if you owe a balance. For cash sales, look for your Leadership team on the Quad during lunch! Dance tickets are \$20 with ASB, \$25 without.

There will be a boys golf meeting on Wednesday, Jan. 28 at 12:15. If you have any interest in playing on the boys golf team, come to the large gym Jan 28, at 12:15. Please see Mrs. Vanderbeek if you have any questions.

Congratulations to the boys varsity soccer team on their 2-0 win over Lassen Thursday night. That's two in a row improving their league record to 3-1. Great job guys. Goooo Eagles!!!!

**STAY CLASSY WEST VALLEY!**

West Valley High School

Any cancellations will be posted at Eagle Vision door and on Instagram page

# COMPUTERS & DIGITAL MEDIA

## NETWORK ADMINISTRATION

**The Internet Behind the Scenes**

This class shows you what's really going on behind the Internet you use every day. You'll build and manage networks, set up Wi-Fi, and figure out why connections break (and how to fix them). Learn how things work behind the scenes — gaming, streaming, or apps.

## Computer Essentials A+ & Digital Media

**Learn It. Then Create It.**

Learn how the technology that powers everyday life really works — then use it to create. In this class, you won't just sit and watch tutorials. You'll take computers apart, build them back up, and fix real problems. You'll also learn how lighting works, film and edit videos, and create commercials for social media, advertising, and the web using the same tools professionals use. It's the perfect mix of tech skills and creativity.

## Cybersecurity, Minecraft & 2D Game Programming

**Hack. Build. Create.**

Learn how hackers think — and how to stop them. You'll explore real cybersecurity concepts, then jump into coding using Minecraft and 2D game development tools. Build games, write code, and learn how systems stay secure. This course combines cybersecurity concepts, ethical hacking, and coding in a fun, hands-on learning environment.

**Yes — Minecraft is part of the class.**
