## **Class News:**

- Thank you for continually providing yummy snacks for our class. We appreciate them (and you)!
- Starting the week of March 2, there will no longer be spelling homework and spelling tests. We will transition to having science homework instead. This change is to help us prepare for the state science test in May.
- Our class won the Green Count for the month of February! We will celebrate by watching a movie.
- Our class novel is The War that Changed my Life by Kimberly Brubaker Bradley. Our read aloud is The Boys in the Boat by Daniel James Brown
- Our fall bulbs and plantings are starting to bear fruit – well flowers! We will be selling our 1 gallon sized pots of daffodils this month for \$7/plant. 5<sup>th</sup> graders and their families get first dibs on the plants.
