ABOUT OUR CAMPS

✓ Soccer & Art Camp

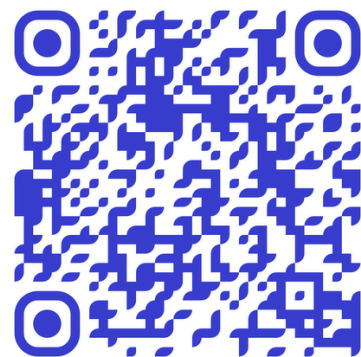

The perfect balance of movement and creativity. Kids build soccer skills on the field, then create hands-on art projects that spark imagination and self-expression. It's active, creative, and fun!

✓ Soccer + S.T.E.A.M. Camp

For parents who want their child to grow athletically, intellectually, and socially. On the field, kids develop coordination, teamwork, and resilience. Off the field, they think like engineers and scientists—building, designing & solving real problems through hands-on STEAM challenges.

✓ Soccer Stars Camp Powered by Adidas

Players develop foot skills and game IQ through a curriculum inspired by major clubs. Kids learn about legendary players, practice drills, and compete in their own World Cup Finals. We group players by age and skill level so everyone learns at their own pace and leaves as a better, more confident player.
