ARTICLE VI

GRIEVANCE PROCEDURE

- 1.0 A "Grievance" is defined as (1) a statement/claim by a contract certificated employee or group covered hereby, that the District has violated an express term of this Agreement and that by reason of such violation the teacher(s) rights have been adversely affected, or (2) a statement/claim by the Association that the District has violated Article III - Association Rights, and Article VIII - Professional Dues and Payroll Deductions.
- 2.0 Procedure
 - 2.1 Level I: An employee's Grievance must be submitted orally to the grievance's immediate supervisor within fifteen (15) working days (barring absence of either party) after the event giving rise to the Grievance. The parties acknowledge that it is usually most desirable for an employee and his/her immediate supervisor to resolve problems through free and informal communications. When requested by the teacher and/or immediate supervisor, and with advance notice of at least one (1) school day to either party, a teacher representative(s) of the teacher's choice, or a representative(s) of the Association, and a representative(s) of management, may be present to assist in this resolution. However, should such informal processes fail to satisfy the teacher, a written grievance may be processed, within five (5) working days after the informal meeting. The school principal or his designated representative shall have five (5) working days to give a written decision after receipt of the grievance.
 - 2.2 Level II: If the Grievance is not settled in Level I, the employee may move it to Level II by written notice to the Superintendent or designee, and the President of the Association, within five (5) working days. A meeting will be arranged to review and discuss the Grievance. Such meeting will take place within five (5) working days from the date the Grievance is received by the Superintendent or designee. The Superintendent or designee, and the teacher and designee, may invite other representatives to be present at such meeting. A written decision shall be rendered by the Superintendent or designee within five (5) working days from the date of such meeting.

ARTICLE VII

ARBITRATION

1.0 Grievances which are not settled pursuant to Article VI, and which the Association desires to contest further, and which involve the interpretation or application of the express terms of this Agreement, shall be submitted to arbitration as provided in this Article, but only if the Association gives written notice to the District of its desire to arbitrate the Grievance within ten (10) working days after the termination of Level II of the Grievance procedure. It is expressly understood that the only matters which are subject to arbitration under this Article are Grievances which were processed and handled in accordance with the Grievance Procedure of Article VI. The provisions of Article I - Recognition, the Retained Rights set forth in Article IV and hereby incorporated by reference herein; and the provisions of Article V - Work Stoppage, Article IX - Class Size, Article XXIV- Procedure for Consultation, and Section 8.0, Preparation Period of Article X - Hours of Work, are specifically excluded from arbitration under the provisions of this Article.

1.1 Prior to Arbitration the parties may mutually agree to mediation.

1.2 All rights to arbitration, including Arbitrability, are extended to Article IX, Class-Size of the Collective Bargaining Agreement.

No arbitration(s) will be undertaken regarding Article IX, Class-Size, until any unresolved grievance(s) arising out of interpretation or implementation of Article IX has been presented to the Teachers Association of Lancaster Consultation Committee for an opinion or suggested resolution.

2.0 As soon as possible and in any event not later than ten (10) working days after the District received written notice of the Association's desire to arbitrate, the parties shall agree upon an arbitrator from the current triple A list.

3.0 The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement in the respect alleged in the Grievance. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other.

4.0 This Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the arbitrator in the same manner as any other contract under the laws of the State of California. The function and purpose of the arbitrator is to determine disputed interpretation of terms actually found in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The arbitrator shall therefore not have authority, nor shall he/she consider it his/her function to decide any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. Past practice of the parties in interpreting or applying terms of this Agreement may be relevant evidence, but shall not be used so as to justify, or result in, what is in effect a modification (whether by addition or detracting) of the written terms of the Agreement. The arbitrator shall not render any decision or award, or fail to render any decision or award, merely because in his/her opinion such decision or award is fair or equitable. No decision rendered by the arbitrator shall be

retroactive beyond the beginning of the fifteen (15) day period specified in Level I of the grievance procedure set forth in Article VI or the occurrence of the grievance, whichever is the more recent. The arbitrator shall have no power to render an award on any grievance occurring before or after the term of this Agreement.

- 5.0 The decision of the arbitrator within the limits herein prescribed shall be final and binding upon the parties to the dispute.
- 6.0 All fees and expenses of the arbitration shall be shared equally by the parties. Each party shall bear the expense of the presentation of its own case.
- 7.0 The arbitrator may hear and determine only one (1) Grievance at a time unless the District expressly agrees otherwise.
- 8.0 If any question arises as to arbitrability of the grievance, such question will be ruled upon by the arbitrator prior to hearing the merits of the grievance.

Administrative transfers of unit members will be made only after discussion with the unit member and based upon the needs of the District. Every reasonable attempt will be made to arrive at a mutual agreement.

- 6.1 Administrative transfers shall not be arbitrary or capricious.
- 6.2 Upon written request, a written statement of the reasons for the transfer shall be given to the unit member within ten (10) working days.

Only open positions will be considered for TOSA transfers. No employee may be dislodged from their position in order for a TOSA to transfer to their site of choice.

EMPLOYEE BENEFITS

1.0 INSURANCE BENEFITS

- 1.1 The District agrees to provide benefits through a mutually agreed upon provider. Any year the annual premium increases more than five (5) percent over the prior year, the parties agree to re-negotiate employee benefits. (Language suspended per December 8, 2017 Tentative Final Agreement.)

The District agrees to pay the premium for the employee's selected option below, not to exceed the CAP (\$16,058). The parties understand that employee benefits and salary will be negotiated as a total economic package.

If any rate reduction, beneath the cap, is afforded to the District for married teachers and domestic partner teachers, that cost savings will be passed on to the employees.

Employees will be allowed to select benefits from several options.

- 1.1.1 The same comparable medical, dental and vision benefit currently provided for management, confidential and classified employees will be provided for certificated employees.
- 1.1.2 Teachers in job share assignments may share the composite benefit package or mutually assign the full benefit to one member of the job share. This arrangement will be mutually determined for each subsequent school year in which the job share is continued.
- 1.1.3 The District purchases accidental and life insurance for all eligible employees. The benefit amount is \$25,000. An eligible employee is defined as an active member of the bargaining unit regardless of hours worked. Part-time and job share employees are covered. Voluntary life purchase option will be made available to retiring certificated employees.
- 1.1.4 All employees that resign or retire that have been employed full time with the District since before 1994 will have District Paid benefits up to September 30. All employees that resign or retire that were employed full time commencing after 1994 will have District paid benefits up to July 31. - 1.2 The Teachers Association of Lancaster and the District agree to work cooperatively for the purpose of containing employee health care costs. Both parties agree to the formation of a joint committee that can examine current coverage and carrier and make recommendations to change aspects of coverage or carrier. In the event that a vote is required, management and bargaining units will have an equal number of votes. The recommendation will proceed from committee, to negotiations, membership vote and finally Board approval.

The cost of this benefit will be consistent with the language of the contract under which each employee retired and the current rate reduction, if any, offered by the current health insurance carrier to married and domestic partner teachers.

2.1.1.5 If one policy is selected when retirees (husband and wife certificated employees), eligible for District provided retirement medical benefits, retire from the Lancaster School District, only the younger of the two employees shall be required to pay their share of the composite medical benefit cost (25%, 10%, or whatever the rate is at the time of retirement).  - 2.2.3 Dependents may be covered by the retiree provided they are enrolled as his/her dependents at the time of his/her retirement. A new spouse or dependent may be enrolled only if the retiree acquires the new dependents through marriage, birth, and/or adoption after retirement. Any family member who was the retiree's dependent but not enrolled at the time of retirement is not eligible to enroll after the retiree's retirement, except that a spouse who was enrolled in the plan as a subscriber may be added as a dependent provided there is no lapse in membership.
 - 2.2.4 Coverage for the retiree and any dependents shall cease on the last day of the month in which the retiree becomes eligible for Medicare, or on which the ten (10) years of coverage have been completed, whichever comes first.

The "Medigap" plan and trust is subject to the following requirements:

- 3.1 In any school year the District shall not be required to contribute to the Medigap Fund more than the equivalent of a one and one quarter percent (1.25%) salary increase based on the aggregate salary paid to the certificated unit in the current school year (exclusive of the amount of employer contributions and taxes). - 3.2 No participant in the plan established pursuant to this section shall be guaranteed or otherwise entitled to any particular level or type of coverage. Each participant who is eligible for Medicare shall be required, as a condition of participation in the plan, to accept Medicare as their primary insurance coverage, and to acknowledge the availability of "Medigap" coverage solely as a supplement to Medicare.

- 8.3.7 Participants applying to withdraw or extend their withdrawal from the Catastrophic Leave Bank will be required to submit a doctor's statement indicating the nature of the illness or injury, the probable length of absence from work, and the specific reason why the member cannot perform the duties of his/her job. Members of the committee shall keep information regarding the nature of the illness confidential. A participant's withdrawal may not exceed the statutory maximum of 180 work days while employed with the Lancaster School District and part of the bargaining unit.
- 8.3.8 If a participant has drawn thirty (30) Catastrophic Leave Bank days and requests an extension, the committee will require a medical review by a physician of the committee's choice at the participant's expense. The committee shall choose only a physician who qualifies under the District offered insurance policy. Refusal to submit to the medical review will terminate the participant's continued withdrawal from the Bank. The committee may deny an extension of withdrawal from the Catastrophic Leave Bank based upon the medical report. The participant may appeal any termination under the procedures outlined in Section 8.3.13 below.
- 8.3.9 Leave from the Bank may not be used for illness or disability which qualify the participant for Worker's Compensation benefits unless the participant has exhausted all Worker's Compensation leave, his/her own sick leave and provided further that the member signs over any Worker's Compensation checks for temporary benefits to the District. If there are any Worker's Compensation checks signed over to the Board, the Bank will not be charged days, or if charged, will be reimbursed the number of days for which the Worker's Compensation payment is equivalent to a regular day of pay at the negotiated rate for that participant. If the District challenges the Worker's Compensation claim, the participant may draw from the Bank, but upon settlement of the claim, the Bank shall be reimbursed the days by the District.
- 8.3.10 When the committee may reasonably presume that the applicant for a draw may be eligible for a Disability Award or Retirement under STRS or, if applicable, Social Security, the committee may request that the draw applicant apply for disability or retirement. Failure of the draw applicant to submit a complete application, including medical information provided by the applicant's physician, within twenty (20) calendar days will disqualify for further Catastrophic Leave Bank payments. Any requests for additional medical information from STRS or Social Security shall be submitted within ten (10) days or the participant's

entitlement to Catastrophic Leave Bank payments will cease. If denied benefits by STRS or Social Security, the applicant must appeal or entitlement to the Catastrophic Leave Bank shall cease.

- 8.3.11 If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the Committee is under no obligation to provide days and the District is under no obligation to pay the participant any funds whatsoever. If the committee denies a request for withdrawal, or an extension of withdrawal, because of insufficient days to fund the request, they shall notify the participant, in writing, of the reason for the denial.
- 8.3.12 Withdrawals shall become effective immediately upon exhaustion of sick leave or the waiting periods provided for in Sections 8.2.3 and 8.3.4, whichever is greater. For example, if a participant contributed when first eligible to contribute (Section 8.2.3) and had ten (10) days of accumulated sick leave when the illness began (Section 8.3.4), he/she shall begin withdrawing upon the eleventh (11th) duty day, if otherwise eligible. If the participant had fifteen (15) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the sixteenth (16th) duty day. If the participant had five (5) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the eleventh (11th) duty day.
- 8.3.13 Catastrophic Leave Bank participants who are denied a withdrawal or whose withdrawal is not renewed or terminated may, within thirty (30) days of denial, appeal, in writing, to the Executive Board of the Association. The Executive Board of the Association shall hold a hearing within fifteen (15) duty days. The Executive Board shall issue a confidential written decision within fifteen (15) duty days of the hearing. If the participant's incapacitation does not allow participation in this appeal process, the participant's agent or member of the family may process the appeal.

8.4 Administration of the Bank

- 8.4.1 The Catastrophic Leave Bank Committee shall have the responsibility of maintaining the records of the Catastrophic Leave Bank, receiving withdrawal requests, verifying the validity of requests, approving or denying the requests, and communicating its decisions, in writing, to the participants and to the District.
- 8.4.2 The committee's authority shall be limited to administration of the Bank. The committee shall approve all properly submitted requests complying with the terms of this Article. Withdrawals may not be denied on the basis of type of illness or disability.
- 8.4.3 Applications shall be reviewed and decisions of the committee reported to the applicant, in writing, within ten (10) days of receipt of the application.
- 8.4.4 The committee shall keep all records confidential and shall not disclose the nature of the illness, except as necessary to process the request for withdrawal, and defend against any appeals of denials.

- 8.4.5 By November 1 of each school year, the District shall notify the committee of the following:
 - 8.4.5.1 The total number of accumulated days in the Bank on June 30th of the previous school year.
 - 8.4.5.2 The number of days contributed by the unit members for the current year.
 - 8.4.5.3 The names of participating unit members.
 - 8.4.5.4 The total number of days available in the Bank.
- 8.4.6 The District shall notify the committee twice annually of the following:
 - 8.4.6.1 The names of any additional unit members who have joined, in accordance with Section 2.
 - 8.4.6.2 The names of any unit members who have canceled participation, in accordance with Section 2.
 - 8.4.6.3 The total number of days in the Bank at the beginning of the previous quarter.
 - 8.4.6.4 The total number of days added to the Bank by new participants.
 - 8.4.6.5 The total number of days awarded during the previous quarter and to whom they were awarded.
 - 8.4.6.6 The total number of days remaining in the Bank on the last day of the quarter.

- 8.4.7 Any dispute between the committee and the District, as to the accounting of Catastrophic Leave Bank days, shall be immediately submitted to Binding Arbitration without the need to follow the earlier steps of the Grievance Procedure, as per Article VI. The Association and the District will meet in an attempt to resolve and/or clarify the issue(s) before proceeding to Arbitration as provided in Article VII.
- 8.4.8 If the Catastrophic Leave Bank is terminated, for any reason, the days remaining in the Catastrophic Leave Bank shall be returned to the then current members of the Bank proportionately.
- 8.4.9 For the first year of implementation of this Catastrophic Leave Bank unit members volunteering to participate in the Bank will complete the necessary forms to contribute their first day of sick leave. This day shall be added to the Bank as soon as possible and will be available for use as administered pursuant to this policy and approved by the Catastrophic Leave Bank Committee.

YEAR-ROUND EDUCATION

The Lancaster School District and the Teachers Association of Lancaster have mutually agreed to archive the language concerning Year-Round Education. In the event that the District ever returns to a Year-Round calendar, the District and TAL will negotiate new Year-Round language, using this historical language as a point of reference.

ARTICLE XXVI

The purpose of this article is to bring together issues that are of specific concern to unit members assigned to a multi-track, Year-round Education Program. Except as specifically noted herein, all provisions of the master contract shall apply for unit members with year-round program.

1.0 DAYS AND HOURS OF WORK

- 1.1 The instructional day for unit members working on the Year-round Education schedule shall be:

Kindergarten	212 minutes per day with a 10-minute break
1 - 3	307 minutes per day with a 50-minute lunch and one 15-minute recess and one 20-minute recess
4 - 5	335 minutes per day with a 45-minute lunch and a 15-minute recess for each 150 minutes of continual instruction
6 - 8	340 minutes per day with a 48-minute lunch

- 1.2 Conference days/pupil free days will be included in each track of Year-Round Education.
- 1.3 Each unit member will receive 9 tracking days per school year. Tracking days are defined as days when students are released one (1) hour early. Unit members receive this free from assigned duties to complete their individual tracking in/out responsibilities or to attend a staff development inservice.
- 1.4 Unit members must be on duty at least thirty (30) minutes before the beginning of the class session and remain on duty for a reasonable length of time after the close of the students' regular school day. No assigned student supervision duties will be required for the 30 minutes before the beginning of class sessions. No assigned student supervision duties will be required before the beginning of class sessions or after the close of the students' instructional day.

A limited number of special events at the end of the instructional day may require supervisory duties by unit members; school site graduations, dances, etc.

In the event the site administrator declares inclement weather conditions prior to the start of the school day, the site inclement weather provisions will be implemented.

2.0 TRACK ASSIGNMENTS/TRANSFERS

- 2.1 Unit members who are currently at the school site adapting to a YRE schedule will have first preference for grade/track assignments. Unit members who have spouses in YRE will have requests honored to be placed on the same track. Tracks will be chosen with respect to filling grade level needs by track. The Principal and the site's unit members will together work out an agreement for track choices. Unit member's children will also be placed on the same track, when requested.
- 2.2 In the event that an equitable solution cannot be agreed upon with unit members within the same grade level having equal seniority at the site, the deciding factor will be seniority at the District level.
- 2.3 All site openings occurring after track assignments are agreed upon will be posted as to grade level and track assignment. Article XVI will be followed in filling vacancies in the YRE program.
- 2.4 Whenever a unit member transfers or is reassigned, to another track/schedule after the start of the school year, the unit member will receive the teacher substitute rate of pay for any days worked beyond the usual contracted number of days. If a unit member's transfer between track/schedule assignments results in less than the usual contracted number of days, the unit member will be allowed to work/substitute, at their daily rate of pay, for the number of days required to earn their full yearly compensation.
- 2.5 Two (2) unit members teaching at the same grade level on two (2) different tracks at the same site, may, with the approval of the site administrator, exchange track assignments for one (1) year. Unit members continuously gain seniority on the original track.

3.0 ROOM ASSIGNMENT

- 3.1 A unit member may volunteer to be a roving teacher. As a rover, the unit member will agree to move classrooms every four weeks. Each school site will have a checkoff list established for room preparation for the roving teachers coming in and out.
- 3.2 A review committee from the school will be chosen by the teachers to establish a fair policy for roving and identify exemptions, (e.g. kindergarten, rainbow classes, RSP, electives, and combination classes.) Non voluntary roving will be limited to one year. In the event that a solution cannot be reached, roving will be done according to site/grade level/departments seniority, with least senior going first. All teachers will participate in the roving program at the school site, excluding exempted positions.

4.0 SUBSTITUTES

- 4.1 Off-duty District unit members will be placed on the substitute teacher list at their request and will be called on an equal basis with non-unit member substitutes.

- 4.3 Teachers who wish to substitute during their intersessions may do so with the following compensation; substitute pay + 50%.
- 4.4 The rate for an off track LSD teacher substituting at a middle school is \$165.
- 4.5 It is understood that at some sites teachers have 1/6 assignments and that any substitute teacher, even off-track teacher, may not receive a prep period. This situation may also occur on a block day when the absent teacher does not have a preparation period. It is also understood that while working as a substitute, an off-track teacher may be required to substitute in another room as needed during the work day, just as any substitute teacher would be required to do, without additional compensation.
- 4.6 Certificated teachers who substitute in Opportunity or Alternative Education classes will receive an additional \$25/day bonus.

A unit member may appeal in writing through his/her principal to the Superintendent for additional days.

15.1.1 Definition – growth class is a class established to accommodate increased enrollment after the start of the school year.

- 15.2 Teachers who transfer into a “junior” position may not displace a teacher in the “senior” position even if the “junior” position teacher possesses more district seniority. (Unless the “senior” person is being displaced from the school site.)
- 15.3 If the elimination of the “junior” position involves displacement of the “junior” position teacher to another site, the teacher shall be assigned in accordance with Section 12.0 of this article.
- 15.4 Postings for new positions will indicate if the position being filled is “junior” so teachers can consider the risk when opting for transfers to another site.

 - 16.1.1 A unit member may volunteer to be dislodged.
 - 16.1.2 If there are no volunteers, the least site senior unit member on the track shall be dislodged.
- 16.2 Upon the identification of the dislodged unit member(s) and the grade level openings on track, as determined by the site administrator, the principal and unit members(s) may work out, together, an agreement as to grade level and track placement. If an equitable solution cannot be agreed upon with the unit member(s), the deciding factor will be seniority at the site level.
- 16.3 If a teacher is dislodged from their track of choice, that teacher shall be offered any remaining available open positions(s) at their site before being displaced to another site.
- 16.4 Dislodged teachers who are moved to another **track**/school site during the school year shall have first priority should a position become available at the original **track**/school site. (Section 4.0 of this article.)

- 7.1 These positions will be posted throughout the District following the posting requirements of the Agreement.

- 7.2 Certificated personnel who are assigned to long-term substitute while they are off-track will be paid the same rate that is applied for substituting in a Special Day Class.

They may be allowed to take a maximum of two (2) days off without any change in the daily rate of pay. If more than two (2) days are missed, then the rate of pay will revert back to the regular rate for substituting.
- 7.4 A teacher who is substituting in a long-term situation at a Middle School will not be required to substitute in another class during their preparation period without compensation to allow them the time needed to prepare for their assignment.
