AGENDA TOPIC: WIS Kitchen Improvements

PRESENTER: Diana Baca, Director of Business Services

The 2022-23 Kitchen Infrastructure and Training Grant was due to expire on June 30, 2025. We had approximately \$104,000 left in unspent funds. The Food Service Director, along with District Administration, reviewed needs at the WIS kitchen. It was determined that upgraded flooring and serving lines would be appropriate.

After obtaining four quotes, the District selected a quote from ServeSmart that included 2 (4) well hot wells, 2 (4) well cold wells, 4 removable fruit bins, and large multi staff POS station with stainless steel counter. In addition, the District received a quote to replace the VCT tiles in the kitchen area and replace with epoxy.

This work was done during July and fully expended the grant.
