Student Athlete Contract

I understand that a fulfilling educational sport experience requires the exercise of responsibilities on the part of both personnel associated with the athletics program and student-athletes. As a student-athlete, I understand my responsibility to commit to the principles of self-discipline, collaborative effort and team building, and to be an ambassador for the institution.

Academic Standards

I understand that all student-athletes must exhibit behaviors that demonstrate a commitment to maximizing academic success as their first priority. I understand that Chaparral - Vista High School has created the following standards, strategies, and policies to maximize the possibility of student-athletes meeting their academic goals. I understand that I am obligated to comply with these standards:

- Student-athletes must adhere to all academic requirements (teacher may hold you back at school if you are not in positive academic standing in their class).
- Student-athletes are expected to meet all deadline dates for class assignments and are required to make pre-arrangements with instructors when quizzes, tests or special assignments conflict with game dates.

Behavioral Expectations

I understand that student-athletes are visible representatives of the institution both on campus and off-campus. Student-athlete behavior affects public perception of the school, athletic standards, and the character of the student body. Therefore, it is an expectation that student-athletes will demonstrate consistent role model behavior, sportsmanship and self-control. More specifically:

- Student-athletes must be committed to fair play. Intentional acts of unsportsmanlike behavior or cheating will not be tolerated.
- When representing their teams during competition, student-athletes will exercise self-control in all ways including, but not limited to, resisting the use of profanity, demonstrating unnecessary aggression or hostility towards others, making inappropriate physical gestures, taunting or excessively celebrating, and disrespecting coaches, officials, teammates or opponents.
- The opportunity to play in a school supported athletics program is a privilege, not a right.
- The goal of the athletic program is to foster a better understanding of what it means to be a part of a team, through teamwork, commitment and good sportsmanship.
- Student-athletes must maintain a status of Silver in PBIS to be eligible to participate.
- Student-athletes must show up to school on time the day of the game. Students who are tardy on game days will not be allowed on the bus (with the exception of students who have a late start, however those students must arrive at school by the time given to them by the coach as the bus will not wait for players to arrive).

Practice and Participation Expectations

I understand that practice is an important aspect of being on a team. My attendance at all practices is important and my absence from practice may affect my playing time during games and may result in dismissal from the team. Participation during practices is just as important as attendance. It is important for me to give full effort at each and every practice. Therefore, I understand the need for and accept the following practice and participation responsibilities:

- Report to my coach any change in my physical, mental or emotional well-being that may affect my ability to participate safely.
- Commit to completing all conditioning activities and practice sessions I am asked to perform to ready me for the physical, mental, and emotional stress associated with my sport.
- Practice guidelines will be determined by each individual sport and coach. You are responsible for making sure you check in with your coach about the expectations.

Teamwork and Team Expectations

I understand that team unity and team chemistry are key variables for a positive and successful athletics experience. Commitment to team goals is essential which, at times, may take precedence over individual goals. Under these conditions, I understand that student-athletes are expected to exhibit a level of selflessness that promotes team goals.

I confirm that I have read and understand the Student Athlete Contract and affirm that I will follow all the requirements of the Student Athlete Contract.
