

Welcome to Shasta Union High School District!

You are a vital part of our teaching staff. Your contribution as a substitute teacher not only impacts the instructional program of our schools, but also greatly affects individual students, teachers, and our district, as a whole. What you do makes a difference!

The staff of the Shasta Union High School District strives to maintain a high caliber of educational programs. Substitute Teachers are an integral part of the overall instructional system which make quality programs a reality. We appreciate your desire to become part of the SUHSD instructional team.

We are confident that you will do everything possible to meet the standards outlined by the school you are assigned to, and the teacher for whom you are substituting. Every effort will be made to ensure that your day goes as smoothly as possible. When in doubt, do not hesitate to check with the office staff, an adjacent teacher for additional information. Procedures may vary from school site to school site.

We wish you well in this important and challenging task!
