

AP Exam Registration Process

2026 - 2027

Step 1: Join Code - College Board	Step 2: Pay - Total Registration	Step 3: Test
Students are given a “Join Code” by their teacher for each of their AP courses. 1. Login to your College Board account My AP Login – College Board 2. Enter join code for each course 3. Make sure a personal email is connected to your CB account, NOT your school email 4. If you are not planning on testing, you still need to join.	Payments are collected through Total Registration, and you are not fully registered to take the exam until this is complete. 1. Login/create an account Total Registration- AP Exam Registration 2. Proceed with all questions, choose your exam(s) and complete payment. 3. The regular registration runs until October 30, 2026. Any registrations made after this will be charged a \$40 late fee, per exam. 4. Late registration ends March 2, 2027.	Once you have joined your courses in College Board AND paid through Total Registration, an exam will be ordered for you. Visit our AP Website for the latest updates, schedules and test day advice. Any questions can be directed to your AP Coordinator Erin Bowen erbowen@capousd.org
